**CONTINENTAL DORSET CLUB
YOUTH ENROLLMENT PROGRAM**

This program has been established to help support the Youth Activities of the C.D.C., including the National Junior Dorset Association, the National Regional Junior Shows, the Summer All-American Junior Show, the NAILE National Junior Polled & Horned Dorset Shows and the Dorset Ewe Futurity Program, of which to participate you must be enrolled in this program.

To be eligible for the CDC Youth Enrollment Program, the individuals cannot be over 21 years of age as of January 1st of the current year. There is no lower age limit, allowing very young people to become involved providing they can lead or handle their animal(s) in the show ring. This same age limit applies to your eligibility to register animals at membership rates. Other benefits to your enrollment is that you will receive a subscription to "The Dorset Connection" and the bi-annual CDC Breeders Directory FREE in the mail.

The \$5.00 payment can be applied toward your Life Membership when your age eligibility has expired. This would make your Life Membership only cost \$15.00.
