Fall 2014

2014 ALL AMERICAN: A FIRST IN MANY WAYS

The 2014 All American Junior Show was the first time the show was in Kansas and the farthest west the show has been. Thanks to the great Kansas hosts it was a wonderful event, they even had some nice weather for us! For the Dorset breed it was the first show that the new Dorset classes were put into place. The show highlighted the new "Dorset Advantage" ewe and wether classes, and had specific Dorset Wether Sire and Dam classes.

**Grand Champion Dorset Advantage Ewe
Winter Ewe Lamb - Breanna Knittel, IL**

The splitting up of the slick shorn classes into breeding and wether sire & dam classes, really increased the participation in those classes, and made it not only easier for the judge to evaluate the

classes but it also made it a lot easier for the exhibitors to enter their Dorsets into classes where they show according to their function instead of just their presentation. All in all it made for one of the best junior Dorset shows that has taken place this year. This format will be highly encouraged in Dorset shows from this point forward. The CDC did hit a stumbling block this spring with Louisville not accepting our classes for this fall's National

**Grand Champion Polled Ewe
Fitted Early Fall Ewe Lamb - Sarah Moore, IL**

shows but the CDC will try again this year to get them in for 2015.

There are several areas in the country where this new format of classes really needs to get incorporated to increase the quality of experience of the Dorset exhibitors. The CDC has sent out the new class recommendations last spring to major venues. It is not only up to us to support these classes but also the exhibitors themselves need to let show management know of the need to change classes. Please feel free to use this article and supporting show results in your plea to get classes changed at your local shows to highlight the Dorset show product being presented in your area.

At our national shows the CDC

remains committed to having classes for all functions and presentations of show Dorsets. As you make your way across this country, there are still many types of Dorset being shown and raised, showing the diversity of the breed. Diversity will keep the Dorset breed moving forward in the purebred sheep industry, in and outside of the show ring.

Dear Dorset Breeders,

Welcome to the 2014 Fall Dorset Connection Online Edition. The board made the decision to go with this type of version for the Fall Issue of the Dorset Connection. It was very well received the last couple of years so please let us know what you think!

The Winter and Summer/Spring Dorset Connections will remain as printed issues and will be mailed directly to our membership and will also be utilized for promotional purposes for the Dorset breed during the spring & summer events. The Winter issue will also be mailed to everyone who bought a registered Dorset last year.

*Enjoy the color pictures and ads, as it costs nothing to add this feature with the online version. This newsletter will be embalmed directly to all CDC members that have a current email on file with the CDC of-
fice and will also be available on the CDC Website.*

Thank you for your continued support and enjoy the newsletter!

LETTER FROM CDC PRESIDENT JOHNNIE JOHNSON

Hello Everyone,

I hope everyone's fall lambing is going well! Here in California it's been a dry lambing season so far. With the drought, my family decided to let our irrigated pasture go dry this summer. We've had that pasture for over twenty years. We have our fingers cross that we will get some rain this year. This upcoming year should be an exciting year!

The Dorset Advantage program got off to a good start this year. We have registered 119 head and have transferred 65 head. At the inaugural show at the All American, there were 25 head entered and showed by 14 different exhibitors. We also had Dorset Advantage sheep shown at North Central Regional, New England Regional and Eastern States Exposition Junior Shows! We hope with the increase popularity of Dorset Advantage program, we hope to get classed at the 2015 NAILE.

The 2015 National Dorset Sale will be held at the Midwest Stud Ram Sale in Sedalia, Missouri. The sale has incorporated a new division for Dorset Advantage sheep specifically and will need to be registered as such to sell in this division. I also wanted to remind everyone to get your nomination in for the Hall of Fame. We will be making presentations of the inductions at the National Sale. I believe we have a great group of people in the Hall of Fame now, and would like to see those numbers increase.

Larry Mead has retired as sale manager from the Midwest Sale. Many thanks to Larry for his great promotion of the purebred sheep industry by not only managing this great sale but by also publishing the Sheep Breeder Magazine for so many years.

I hope everyone has a safe winter and I look forward to everyone in Louisville!

Johnnie Johnson, CDC President

DORSET PROMOTIONAL ITEMS AVAILABLE

-Dorset Baseball Caps: Cotton twill available with either an embroidered Polled Ram Head or Horned Ram Head. Hat colors: Sage Green or Chocolate Brown. **Cost is \$15.00 which includes shipping & handling.**

-History Book of The Continental Dorset Club & The Dorset Sheep: This book is 186 pages containing over 300 photos of Dorsets and those who have led the breed. **Cost is \$15.00 includes shipping & handling.**

-Registration Paper Three Ring Binder: An 11" x 8 1/2" green vinyl covered 1" wide three ring binder with 10 sheet separators to get you started! CDC logo on front cover. Holds up to 100 sheets. **Cost is \$10.00 includes S & H.**

-Ram Head Decals: Polled or Horned ram head available in two sizes. Large 12" diameter and small 6" diameter. **Cost is \$6.00 for the large decal and \$4.00 for the small decal.**

**SEND YOUR PAYMENT TO:
CDC, P.O. Box 506, N.Scituate, RI 02857**

MEET YOUR NEW CDC DIRECTOR & BOARD NEWS

NORTH CENTRAL DIRECTOR DICK REECE

I reside in Arcola, Illinois, where along with my wife, Malinda, we farm and run a small trucking business. I have raised sheep all of my life and have been raising purebred Dorsets since 1979.

We have shown and sold Dorsets at state and national levels since 1985. I am a certified Dorset judge and have judged at county, state and regional shows. Along with judging, I have been sheep superintendent at the Moultrie- Douglas County fair for 35 years, superintendent at the Coles County fair for 8 years, Board member on the Land of Lincoln Purebred Livestock Breeders Association for 8 years, Board member on the Illinois Dorset Association board for 3 different terms, 4-H leader and a member of the 4-H advisory board for 8 years.

Other interest besides the sheep industry, I am a member of the Areola United Methodist Church and have been a board member for over 20 years and Chairman of the Board of Trustees for 10 years. I also served as a member of the Regional School board for 4 years.

I ran for the North Central Region Representative because the future of the Dorset breed is very important to me. Our daughters, Jimmy Kay and Jessie, showed sheep

at the county, state and national levels for many years. Our oldest grandson, Thomas has shown at NAILE for the last 3 years and also at the All-American Jr. Sheep show along with county and state fairs. We hope as our other three grandchildren get older, Willa, Cadence and Reece, that they can join the rest of the family in being a part of the Dorset sheep industry to exhibit and promote their animals.

I think that one of the greatest assets our breed has going for it is our Jr. members as evidenced by our regional shows and the tremendous members and quality at the NAILE Jr. Show each year. The All American Jr. Sheep Show was always a good source for our daughters to see how their animals were going to compete each year at the major shows. This show is also a place for fun, work and family time each year.

I look forward to being a good board member because I am active at the state, regional and national shows. I would also like to see the different types of Dorsets - fitted, slick shorn, or wether type - grow and maintain great numbers. One of the best ways is by promoting and supporting our youth in all directions to benefit and promote our Dorset breed. This will also benefit us as purebred Dorset breeders.

Anyone that knows me knows that I will be a board member that will not sit and be silent but will speak up and help to promote and improve our breed for the future. I will also be open minded to all other opinions and do the best to ensure that the Dorset breed stands strong.

NEW ENGLAND & GREAT LAKES NOMINATING COMMITTEES

The New England and Great Lakes Regions will be electing directors next year. Following are the nominating committees for these elections:

***New England Director Nominating Committee:** Chairman: Matt Syme, 402 S. Main St., South Windsor, CT 06074, (860)202-1547
-Aaron Loux, 12 Thayer Corner Rd., Cum-

ington, MA 01026, (413) 634-2142
-Jeff Jordan, 46 Staniels Rd., Chichester, NH 03258 (603) 731-6126

***Great Lakes Region Director Nominating Committee:** Chairman: Mike

lunghuhn, 1138 E 220 N, Princeton, IN 47670, (812)385-2555

-Matt Richardson, 7410 Tepperwood Dr., West Chester, OH 45069 (513) 686-8699

-Mark Chapman, 5908 Sigler Rd., S. Rockwood, MI 48179, (734)755-3158

If you are interested in running for director and reside in one of these regions please contact a member of the appropriate nominating committee by February 1, 2015. These committees need to have their slate of nominees with resumes into the CDC Office by February 15, 2015. The CDC adult membership in these districts will be voting later that month for their directors. The newly elected directors term will take effect as of September 1, 2015. The regional director is asked to attend at least two board meetings per year, one in person at the National Sale site and one tele-conference. They are also responsible for organization of the regional junior Dorset show in their region.

Current Great Lakes Director Mark lunghuhn has decided not to re-run and New England Director Mike Wright is going to re-run. Three candidates from each district are asked to run. The CDC needs interested breeders to help navigate the Dorset breed through these changing times in the purebred sheep industry.

CDC FALL BOARD TELEPHONE MEETING

December 4, 2014

7:30 PM EST

If you have any item you would like to be addressed by the CDC Board please contact a director before this date. Your input is very important to the functionality of this breed association!

'TNT'

Game Over Daughter

This ewe was Reserve Grand Champion at the Clinton Co. Fair in 2009. She produced the Champion Dorset at the North Central Region Junior Show; Champion Dorset at the Moultrie-Douglas Fair; Champion Dorset ewe at San Antonio, TX; Champion Dorset ewe at the Hamilton Co. Fair; and Reserve Grand Champion Ram at the Clinton Co. Fair.

'Hallie'

This ewe was Reserve Grand Champion at the Clinton Co. Fair in 2008. She has produced numerous county fair class winners and brood ewes we've kept in our flock. Her mother was also Reserve Grand Champion at Clinton Co. in 2004. Check out our Facebook for pictures of our current flock sires.

2014...AN EXCITING YEAR FOR SURBER SHEEP

We've decided to expand! This fall we will begin constructing a new lambing barn to house the 40 dorset ewes we recently purchased from Piper Club Lambs of Bloomfield IA. Marla Piper has bred and raised many champion dorsets and speckle face sheep. We want to thank Marla for allowing us to purchase her flock and for all the help and support she's provided over the years.

DORSET COMMERCIAL CONNECTION

Body Condition: One More Evaluation Tool

*by Melanie Barkley, Extension Educator
Penn State University*

Body condition, or fat cover, is one more evaluation tool that sheep producers can use to evaluate their sheep flock and management practices. Producers should evaluate sheep at key times throughout the year such as prior to breeding season, late pregnancy and at weaning. Evaluate body condition at these key times not only for profitability, but also for the health and welfare of the animals.

Body condition is typically evaluated using a scale from 1 to 5 for sheep. The scale allows you to assess the amount of fat covering on the animal. A score of 1 means the animal is extremely thin while a score of 5 means that the animal is extremely fat. Ideally, ewes should have an average body condition score of 3 to 4 at lambing. A score of 3 means that the spinous bones are smoothly covered with fat but can still be felt with some pressure. The loin eye muscle should be full and should be covered with some fat. Females that are thin at breeding are likely to produce fewer lambs than ewes in good body condition. In addition, ewes that are thin at lambing are like to produce smaller and less vigorous lambs. Females that are too fat are more like to have birthing difficulty and may also have problems with pregnancy toxemia. Very thin ewes are more prone to pregnancy toxemia also if they are not receiving adequate nutrition.

As sheep producers, we often take advantage of spring's high quality pastures to get animals to gain weight to increase body condition score. We also take advantage of the high quality nutrition in pasture grasses for milk production. This increased milk production benefits young animals nursing their mother or can benefit ewes that will be rebred shortly after weaning. It can take as long as four to six weeks to make any major changes in an animal's body condition score, so it is important to evaluate body condition throughout the year.

Let's take a look at an example of how this works in a flock. If the average body condition score of a ewe flock is less than the recommended 3 to 4 body condition score, then the producer should evaluate the feed quality as well as feed quantity. If only a few ewes are too thin, then the producer may want to evaluate those ewes individually. The producer can then answer some questions. Is there

some problem other than feed quality or quantity that causes these ewes to carry less condition? Should these ewes be culled or do I need to separate them from the main flock and feed them differently?" In some cases, a young ewe may be thin because she has done a great job raising her lamb or lambs. In this case, the producer may want to see how that ewe performs the next time she lambs and then re-evaluate her at weaning time. Or, are these ewes thin because they are more susceptible to internal parasites?

For those ewes that are too fat, the producer may want to ask why? If the entire flock is overweight, the producer may need to take a look at the feeding program. Feed makes up a major portion of the cost to keep a ewe and therefore warrants some consideration. Most producers balance rations to meet the nutritional requirements of animals. If producers have only a few ewes that are overweight, they may want to look at the lambs that the ewe weaned. Instead of producing milk for the lambs, did the ewe take the nutrients she consumed and convert them into body fat? If last year's lambs weighed less than the average, the producer should consider the option of culling the ewe. If last year's lambs weighed more than the average, then the producer should be thankful to own a ewe that is very efficient and is an "easy keeper."

Whatever the situation, producers should evaluate body condition throughout the year. Body condition can earn producers money if the ewes are in the proper condition, breed quickly, and produce healthy, vigorous twins that are moderate in birth weight. Time lost in breeding will translate into later born lambs that weigh less at weaning time as well as lambs that reach market weights for harvest later in the year.

We can expect ewes to lose weight while nursing lambs, but they should regain this lost weight quickly once the lambs are weaned. The body condition of the ewe in this photo is acceptable for a ewe that recently weaned lambs.

ANNOUNCEMENTS

2014 NAILE SCHEDULE OF EVENTS AND EXHIBITOR INFORMATION

The Dorsets will once again be showcased at the upcoming National Dorset Shows during the North American International Livestock Exposition in Louisville, KY. Following is a schedule of specific Dorset events:

-Lead Classes: Fri., Nov. 14th, 12:00 Noon

-Junior Market Lamb Showmanship and Junior Breeding Sheep Showmanship: Fri., Nov. 14th, 5:00 pm, Stacy Scramlin judging breeding sheep showmanship and Stacy Taylor judging market lamb showmanship.

-Junior Market Lamb Show: Saturday, Nov. 15th, 8:00 AM.

-National Junior Dorset Association Annual Meeting & Pizza Party: Saturday, Nov. 15th, 7:00 PM

-National Junior Dorset Shows: Sunday, Nov. 16th, 8:00 AM. Polled Dorsets followed by Horned Dorsets, will be second in ring three, judge TBA.

-National Open Dorset Shows: Monday, Nov. 17th, 8:00 AM, Horneds first followed by Polleds. Eric Bruns, Powell, OH will be judging the Polleds and Steve Myers, Rushsylvania, OH will be doing the Horneds.

Don't forget that in the Junior and Open Polled Dorset Shows:

There will be separate slick sheared and fitted champions selected that will then compete for the overall Champion Polled Rams and Ewes. Also, note that the junior breeding sheep showmanship classes will be late Friday afternoon. The classes will be divided by age and all breeds will show together. Please make sure you review the special rules in the Dorset section of the premium book for both the open and junior shows as they will be adhered to.

For open show exhibitors:

In addition to sending in your entries and entry fees to the NAGLE when en-

tering the show, please don't forget to send in the matching \$10.00 per individual entry in the Open Polled and Horned Dorset shows directly to the CDC Office. This enables the CDC to provide matching funds and to guarantee at least \$10.00 per individual entry in premiums. **These matching funds need to be sent to the CDC office ASAP if you haven't done so yet. They need to be paid prior to the show.** Please note that junior show sheep do not have to send in matching funds unless they are staying on to be shown in the open shows.

Looking forward to seeing everyone in Louisville this year and to another great set of National Dorset Shows!

2014 DORSET EWE FUTURITY UPDATE

The Dorset Ewe Futurity Program has once again been active this year with point records forms coming into the CDC office. A total of \$3,350 has been raised to pay out to the participants of the Dorset futurity divisions. We had one group nominator this year, Cassell Horned Dorsets, Wytheville, VA. Thank-you to the 47 nominators for supporting this program once again! A complete list of all the breeder nominators are listed on the back cover of this newsletter. 130 ewe lambs have been nominated this year, 84 polled ewe lambs and 46 horned dorsets. Of those, 49 have been designated by their new junior owners for participation in the futurity program. To date the CDC office has received point record forms from 19 of these junior owners. The polled lamb futurity program has participation from 5 out of the 6 regions.

The CDC accepted nominations from online sales this year and a total of 29 nominations were made by breeders in online sales. 16 junior buyers picked up futurity nominated animals. Remember this next year, that even though you can not physically get to a sale, the online sales offer you an great opportunity to get a futurity nominated ewe lamb.

We also had a "Dorset Advantage" ewe lamb division but there was not any participation. Next year at the National Dorset Sale in Sedalia there will be ewe lambs available for this division as well as online sales.

Don't forget that you don't have to show at a regional junior show to be eligible for premiums but exhibitors are still rewarded for attending regional shows as they are awarded double points.

These point record forms need to be received in the CDC office within 21 days of the date of the show or they will not count. They also need to be signed by show management. Also, the deadline to send in Regional Point Record forms into the CDC Office is Nov. 10th.

This allows the office enough time to tabulate final regional placing before Louisville. Those regional points will carry over to your Louisville junior show placing if you are attending that show to compete for the separate Louisville premiums.

The yearling ewe division had 7 yearlings nominated. Keep sending those point record forms in on the yearling ewes. The yearling ewe futurity will also end at the National Junior Dorset Show in Louisville like the ewe lamb program.

All the regional polled ewe lamb winners will be announced and recognized at the National Junior Association Meeting on Saturday, November 15th in Louisville. So, if you are a regional winner please be on hand to receive your special recognition! Immediately after the junior shows on Sunday, November 16th, the final national placings will be announced in the polled ewe lamb, horned ewe lamb and yearling ewe futurities. Rosettes will be given out along with the breeder recognition.

The futurity points are updated on a regular basis on the CDC website to keep everyone appraised of point totals. If you have any questions please feel free to contact the CDC Office. The final update will be posted the week before Louisville.

ANNOUNCEMENTS

MIDWEST STUD RAM SALE SITE OF 2015 NATIONAL DORSET SALE

The 2015 National Dorset Sale will be held in conjunction with the Midwest Stud Ram Sale in Sedalia, MO. Dates for the Dorset activities will be from Wednesday, June 24 through Friday, June 26th.

The Midwest Sale is now under new management as sale Manager Larry Mead, has retired. Thank-you to Larry for his many years of service as sale manager of the largest purebred sheep sale in the country. It always wasn't this way and it was thanks to Larry, the Missouri Sheep Breeders Association and the many folks along the way that have helped out with the sale that it has become what it is today.

The sale will be in very capable hands under the Heartland Group, which encompasses Curt Overcash, Brett Oelke, Karey Claghorn, Carrie Kelly, Millie Moore and Brady Bruce. They have been working with Larry the past few years and the transition to new sale management will be very smooth.

New to the sale will be a specific "Dorset Advantage" division in which animals will need to be registered as such to participate. The Dorset Wether Sires and Dams will also be featured and sold on Friday with other wether sires and dams sold that day. The Dorset breeding sheep will sell earlier in the day, so all Dorset sheep will be sold on Friday.

The CDC Annual Membership meeting will be held. Specific details will be announced in upcoming issues of the "Dorset Connection" Don't forget that an important addition to our meeting is the induction of the 2015 Dorset Hall of Fame Class. Nominations will be accepted until February 1, 2015. The nomination form can be found on the CDC webpage or by contacting the CDC office.

Looking forward to having a great National Dorset Sale in Sedalia!

REMINDER: EPDS NOW CAN BE PRINTED ON REGISTRATION CERTIFICATES

The new registration program that the CDC developed has the capability to print the animal being registered EPD data on its paper. All a breeder needs to do is submit the excel spreadsheet you received back from NSIP/Lambplan with your data on it. The CDC is offering this service at no extra cost to encourage folks that utilize the NSIP program to get their data on their registration papers for perspective buyers of your purebred Dorsets.

If you have any questions please feel free to call the CDC Office at (401)647-4676.

MALIA HONNOLD, CARTHAGE IN

Malia Honnold, 82, of Carthage, IN passed Wednesday July 9, 2014, surrounded by her family following a courageous battle with ALS. She was born May 5, 1932, in Burlington, VT, daughter of Professor Leon and Hazel Dean.

She was employed at the University of Vermont (UVM) from 1966-1993, initially as the Assistant to the Dean of Women and culminating as the Assistant Director of Financial Aid. During her tenure at UVM, her greatest reward was the time spent directing the work-study program and helping students attain their life long goal of secondary education.

She graduated from Burlington High School in 1950. During high school she was the center forward for the 1948 and 1950 Vermont State Championship Basketball team, a member of the 1949 and 1950 All State High School Marching Band and was the 1950 All New England Band Second Flutist her senior year. She graduated from the UVM in 1954 and was a member of Kappa Alpha Theta

Sordority, several honor societies, and was selected to the Mortar Board National College Honor Society. Following graduation she lived and worked in Boston, MA for 12 years at Brown and Little Publishing Company. After retirement from UVM, she and her husband, Bob, moved from Vermont to Indiana and enjoyed many happy years sharing in the lives of their grandchildren, and breeding and showing Honnold Polled Dorset Sheep. She was a faithful attendee of the Fletcher United Methodist Church in Carthage.

Malia leaves to cherish her memory of nearly 38 years, Dr. Robert Honnold of Carthage; children, Debbie (Ron) Rausch of Carthage, Denise (Jeff) Phares of McCordsville, Darla (Jerry) Nowosatko of Colorado Springs, CO., and Cary (Shelley) Honnold of Frederick, MD; 11 grandchildren, 11 great grandchildren; sister, Lorna Brown of Vergennes, VT; and cherished nieces and nephews from the Brown, Leary and Rayle families, which includes current Dorset breeders, the Muir Family of Sheridan, IN.

Contributions may be made to the ALS Association Indiana Chapter, 6525 E 82nd St#115, Indianapolis, IN 46250 (www.webin.alsa.org) or Rokeby Museum, 4334 Rte 7, Ferrisburgh, VT 05456 (www.rokeby.org). Condolences or memories of Malia may be shared at: www.hinseybrown.com.

YOUTH NEWS

2014 KANSAS ALL AMERICAN JUNIOR SHOW REPORT

The 2014 All American Junior Show was held at the Kansas State Fairgrounds, Hutchinson, Kansas on July 4-6, 2014. This was the first time in Kansas and it turned out to be a great event! The Kansas hosts headed up by the Jeff Ebert Family, the Ted Van Horn Family, the Gillmore Families as well as Warren Finder and Tom Clayman Family were wonderful organizers and hosts. They had everything under control and provided many sponsorships of the extra curricular activities that have become such a part of the All American. Thank-you to all of them for hosting the All American in Kansas!

There were 1345 sheep entered, and 1150 head actually came and showed. There were 272 exhibitors from 22 different states exhibiting 15 different breeds including the inaugural Dorset Advantage Show.

The Polled & Horned and Dorset Advantage shows were held on Sunday and were judged by Evan Snyder. The quality of the shows were exceptional as always. The Dorset show had excellent participation as 149 head of Polled Dorsets were shown, 13 head of Horned Dorsets and 25 head of Dorset Advantage. Congratulations to Keegan Padgett, Kirklin IN, Sidney DeVries, Freeport, IL and Cal Sidwell, Gill, CO for being named the top guns for the Horned, Polled and Dorset Advantage shows respectively. All the show results and photos can be found later on in this newsletter.

The National Junior Dorset Association had their Summer BBQ lunch on Saturday for all the Dorset families. There were several new exhibitors to the All American this year and it was great to get to meet everyone. Thank-you to the Dorset families and the National Junior Officers that helped out with the event, especially the Minish family for shopping and cooking! The CDC handed out first time Dorset Showman me-

mentos to the Dorset exhibitors at this year's All American. They were green brushes with the CDC logo etched on the wooden back of the brush. They were a big hit!

The Dorset juniors represented very well in the events held during the weekend. Following are some highlights of their accomplishments:

- Sidney DeVries, IL:** Champion Polled Dorset Fleece, 3rd Individual Showmanship
- Keegan Padgett, IN:** 1st Individual Showmanship
- Dillon Knepp, KS:** Member of Winning Basketball Team
- Judd Nelson, KS:** 1st Intermediate Division Judging Contest
- Jerilyn Nelson, KS:** 1st Junior Division Judging Contest
- Joel Nelson, KS:** 2nd Intermediate Division Judging Contest, 3rd Intermediate Division T-Shirt
- Ethan Hodel, IL:** 2nd Intermediate Division Ad Layout
- Sarah Moore, IL:** 1st Individual Showmanship Class
- Austin Hicks, OK:** 1st Individual Showmanship
- Jed Sidwell, CO:** 1st Individual Showmanship, 1st Team Showmanship, 3rd Skil-A-Thin Beginner Division, 2nd Poster Beginner Division
- Cal Sidwell, CO:** 1st Individual Showmanship, 1st Team Showmanship, 2nd Photo Beginner Division
- Taylor Crouch, IL:** 2nd Individual Showmanship
- Eddie Muir, IN:** 3rd Individual Showmanship

-Heidi Riemann, OK: 3rd Poster Junior Division

-Johanna DeJoria, OR: 2nd Photo Intermediate Division

-Jordyn Leininger, IN: 1st Beginner Skil-A-Athon

New this year was the Adult Showmanship Challenge which was orchestrated by the National Junior Dorset Association. The event raised \$490 that was paid to the National Junior Associations of the participants designated breed. Thanks to all that participated!

A big thank-you also goes to all the Dorset breeders that donate ewe lambs, sponsor classes and purchase raffle tickets that help to support this special junior show. Thanks to all of you the Dorset breed easily matched the breed sponsorship level.

Plans are underway for the 2015 All American Junior Show. It will be held at the Eastern States Exposition Fairgrounds in West Springfield, MA from July 3-5, 2015. This is the farthest East the All American travels and this is the second trip to New England. The special highlight of this All American is that the 3-On-3 Basketball Tournament will be held in the Naismith National Basketball Hall of Fame. The hall is open to all participants and their families for touring during the tournament free of charge. The All American will also be adding several new breeds to the show. Hotel blocks have been reserved and look for up to date information on the show at: www.allamericanjuniorshow.com Looking forward to seeing everyone next summer!

YOUTH NEWS

NATIONAL JUNIOR DORSET ASSOCIATION ANNUAL MEETING TO BE HELD IN LOUISVILLE

The National Junior Dorset Breeders Association will hold its annual meeting in Louisville on Saturday night, November 15, 2014 at 7:00 PM in the Kentucky Exposition Center South Wing. Exact location will be announced at the show.

The meeting will feature an election of next years directors, presentation of the 2014 scholarship awards, presentation of the 2014 regional polled dorset ewe lamb futurity awards and a pizza party for all the Junior Dorset members and their families. Make plans now to attend the National Dorset Junior Association Annual Meeting and pizza party. Come and meet all your fellow Dorset exhibitors!

CDC & NDJA YOUTH DORSET EWE PURCHASE GRANT PROGRAM

The National Junior Dorset Association and the CDC introduced a grant program for youth to use towards the purchase of a Dorset ewe and it has been very successful for the past two years. The associations award two \$500 grants annually to be used towards the purchase of a registered Dorset female.

The purchase does not need to be done through a public consignment sale as on farm purchases are also eligible. The program is open to youth in two age divisions: Junior 8-13 years and Senior 14-18 years. An individual may win each division only one time. The applications are due December 1st of the current year. The winning applicants will receive their grant money upon the completed transfer of the ewe purchased into

LETTER FROM NJDA PRESIDENT TYLER MYERS

Greetings from the National Jr. Dorset Association. As I begin to write this article, the temperatures are changing which indicates fall has arrived. This is my favorite time of the year, especially with the fall lambs starting to be born. Others must feel the same way as it always fun to see the new baby lamb pictures posted on Facebook. Healthy baby lambs bouncing and running around never gets old to watch.

The summer show season is behind us and I trust that everyone who participated in the Regional Jr. Shows had a great experience. I personally showed at the Great Lakes Regional Show held at the Ohio State Fair and we had a good show with 23 exhibitors and 53 sheep being shown. For those of you who made the trip to the All American Jr. Show, that also was another great event. The adult showmanship class turned out to be a memorable event and we wish to thank all those that participated. The family atmosphere at that show continues to make that event something that everyone looks forward too. And I personally attended four state fairs this year and enjoyed getting to see a lot of good sheep, but more importantly to visit with friends across the country. The friendships we make as we travel with our sheep are invaluable to all of us.

I visited the Minnesota State Fair this year and what an experience that was. We were there a day after the record breaking crowd of 252,000 people and it was extremely crowded the day we were there as well. I felt it was very ironic that as much as we walked the fair, never having been there before, that as we were about to leave that evening, we passed a fair bench with Trace Repasky's name on it and her memorial tribute. I felt honored to have stumbled upon that and it gave me a minute to reflect on the people in the sheep industry that have passed. Trace was a great supporter of the sheep industry, especially with the youth programs and along those lines; I want to remind our members to apply for the National Jr. Dorset Association scholarships, of which Trace was a tremendous supporter.

The North American is right around the corner and I see on-line entries are open now. What a great way to finish the show season and visit with friends before we enter the holiday season. I look forward to seeing everyone in Louisville, wish you all the success in the show ring and will go ahead and wish you all a healthy and safe holiday season. It has been my pleasure to serve as the 2014 National Jr. Dorset Association President.

Tyler Myers, NJDA President

YOUTH NEWS

name. Ewes purchased may be of any age or type of registered Dorset, but may not be purchased from a family member.

2014 recipient Noah Collins, TN purchased a polled dorset ewe lamb at the Ohio Dorset Sale and has been participating in the Polled Ewe Lamb Futurity with the lamb. Jarrod Alspaugh of IN purchased his horned ewe lamb in an online sale, and actually ended purchasing two ewe lambs to add to his flock.

A very simple one page application form is available on the CDC website or you may contact the CDC office to forward you a copy. If you have applied previously but haven't yet been selected please do so again. Please get an application in today or get to an interested youth today!

2014 TRACY REPASKY NATIONAL JUNIOR DORSET ASSOCIATION SCHOLARSHIPS ANNOUNCED

This year there were seven very worthy applicants for the 2014 National Junior Dorset Association scholarships. The committee had their hands full selecting the following recipients:

-Britton Francis, Paris, MO: Britton is currently enrolled at Fort Scott Community College in Kansas where he is a 4.0 GPA student and is on the Junior College Livestock Judging Team. Britton future plans include transferring to a four year school for pre-vet and then onto vet school. Britton was a very active 4-H and FFA Member where his highest achievements were winning the 2013 Star Area Farmer and the 2014 Missouri Sheep State Proficiency Award. Britton is an excellent public speaker as he has won many different contests through out his high school career. Britton has raised both polled and horned Dorsets and is currently serving as Vice President of the National Junior Dorset Association.

-Mitchell Donkers, Faribault, MN:

Michell is a junior at South Dakota State University where he is majoring in Agri-Business and he plans to work as an agronomist immediately after college. Mitchell is aspiring to eventually come back to his family farm and being a productive member in the farming and local community. Mitchell has a flock of Dorset sheep that he wants to develop into a nationally competitive set of sheep. He was a very active 4-H and FFA member and earned his American Farmer's Degree in 2013. At college he is a member of the agricultural fraternity Alpha Gamma Rho and was this year's SDSU Little International Sheep Fitting Champion.

-Josh Polich, Visalia, CA: Josh is a junior at Fresno State University where he is majoring in Ag Business and minoring in Precision Agriculture. Josh is very active showing his sheep from his Polled Dorset flock in California and has been very successful doing so as he has won many awards at several county fairs and at the California State Fair. He earned his American Farmers Degree in 2013 and has been serving as the California Dorset Youth Ambassador from 2007-2012. Josh hasn't solidified his future career plans but since his summer internship with Tulare Ag Products is leaning towards the crop side of agriculture, while maintaining his flock of sheep.

The recipients will be recognized at the 2014 Annual Meeting of the National Junior Dorset Association on Saturday, November 15th at 7:00 PM in Louisville. It is always a highlight of the meeting to present the recipients with their checks and to recognize them for all of hard efforts. The Dorset breed can be very proud of all of the fine young Dorset breeders that applied for this years awards. The committee was very impressed with the strength of all of the applicants.

Congratulations to the

2014 scholarship winners!

CDC SPECIAL ROSETTE AWARDS

Every year the CDC sponsors several special rosette awards around the country to several local, county and state fairs. Awards are sent out to fairs that request the special awards because they have youth Dorset breeders involved with their events and would like to support their efforts.

Below, is one such winner this year. Claire Waldo of Corvallis, Oregon had Champion Polled Dorset ewe at Benton County 4-H Fair, Corvallis, Oregon. It is Clair's 7th year in 4-H. Claire wrote a wonderful thank-you note telling us about her start with sheep how she started out with Hampshires but quickly bought a Dorset and has had them ever since. She loves the breed because "they are stubborn and sassy but also sweet and have a wonderful personality". I think we have all been there! Thank-you Claire for your wonderful note as you are a great asset for the Dorset breed.

If you have a show where these special rosettes would be appreciated please just write the CDC office and request sponsorship, as we are always looking to reward our young

Ewephoric! Horned Dorsets

The striking lambs at left are examples of what we're growing out to yearlings. We'll have a few select fall lambs from this season also available, so contact us early to secure your breeding stock individuals from the flock. Our numbers are limited.

REMINDER to all Dorset Breeders: Ewe lambs can be nominated at consignment & production sales, and online sales. Polled breeding sheep, horned breeding sheep, wether dam lambs and "Dorset Advantage" ewe lambs all can be nominated! Also, the junior buyers can re-nominate their ewe lamb purchase the following year for the Yearling Ewe Futurity.

THANK YOU FOR YOUR SUPPORT!!!!
