DORSETS THRIVING ON THE NATIONAL STAGE AT SUMMER SHOWS & SALES

The Dorset breed has been shining this summer, starting with the National Dorset Sale at the Midwest Stud Ram Sale right through the most recent fall shows. On the CDC facebook page, we reached out to breeders to send us photos of regional accomplishments at shows and we have never had so many great photos to pass along showcasing the quality of the Dorsets being shown around this country, both in the open and junior shows. When it comes to Supreme drives at these events, Dorsets rise to the final lineup more times than not.

This is a reflection of the quality of breeders we have in the Dorset breed that are committed to producing high quality breeding stock and it also very apparent in junior shows as well. This summer the Dorset breed was show cased at the All American in three divisions: Polled, Horned and Dorset Advantage. The number and quality of animals presented in the show ring was unmatched. It was definitely a show worthy of the 25th Anniversary of the All American Junior Show. Complete show results along with several pictures starts on page of this newsletter.

The 2018 National Dorset Sale also featured those same three divisions in Sedalia. This late June sale has always been the highlight of the summer sale season, it is the sixth consignment sale that offers

Dorsets, and sometimes can be a little tough to support the consignments but the breeders stepped up and had an excellent set of sheep offered. Buyers responded well also as the Wether Sires & Dams averaged \$1110, Polled Dorset Breeding Sheep \$808, Horned Dorset Breeding Sheep \$639 and Dorset Advantage \$553. A complete sales results with photos is on pages .

The Dorset breed supports six regional Junior Dorset Shows every year. The CDC has always felt it is very important to support young Dorset breeders, no matter what kind of Dorset they raise or where they live. The Regional Shows often support Horned, Polled and Dorset Advantage classes along with fitted and slick shorn classes. These shows are a great opportunity for kids to get their feet wet showing Dorsets outside of their own county shows. As many photos and results we could get on these shows also appear in this online newsletter. Love to recognize all the junior Dorset exhibitors out there working hard with thier Dorsets!

The 2018 Show Season will be coming to an end

shortly at NAILE where all of the National Dorset Shows, Open & Junior will be highlighted. Looking forward to seeing everyone there, from coast to coast, and seeing the Dorset breed showcased once more in some very high quality shows. You all do the Dorset breed proud!

Dear Dorset Breeders,

Welcome to the 2018 Fall Dorset Connection Online Edition. The board made the decision to go with this type of version for the Fall Issue of the Dorset Connection. It has been very well received the last few years so please let us know what you think!

The Fall Issue has a lot of news and information it as I don't have to worry about costs so we can put in a lot of interesting extra items. So, please make sure you check everything out.

The Winter and Summer/Spring Dorset Connections will remain as printed issues and will be mailed directly to our membership and will also be utilized for promotional purposes for the Dorset breed

during the spring & summer events. The Winter issue will also be mailed to everyone who bought a registered Dorset last year.

Enjoy the color pictures and ads, as it costs nothing to add this feature with the online version. This newsletter will be emailed directly to all CDC members that have a current email on file with the CDC office and will also be available on the CDC Website.

Thank you for your continued support and enjoy the newsletter!

Editor, Deb Hopkins

LETTER FROM CDC PRESIDENT DICK REECE

I'm sitting here on a cool fall evening thinking - where has the summer and fall gone. I hope everyone had a great show season. The 25th All American Jr. Show was a huge success, not only by the large numbers but also the quality in each and every breed. We all need to thank all who helped put this show on and put so much time in to making it a great show for our youth. But as Dorset breeders, we should be very proud of our secretary, Deb Hopkins, for all the long hours she puts in to this show. We are truly blessed with a person who cares for our youth in the efforts she puts toward their shows.

Hope everyone's fall lambing is going well and in full swing. It's that time of year where we all are getting ready for the great NAILE show. Lots of preparations are underway at all of your barns, I am sure. We want to remind you that the youth awards and pizza party will be on Saturday evening (Nov. 10), at 6:30 PM in room C105. Hope to have a good turnout.

Exhibitors – please remember that for slick sheared classes, we will be inspecting for wool left in areas in the make-up ring, so keep this in mind. As we are preparing for the show, let's hope the work is done before show so, folks don't have to rush to get it done at show time. Please contact Debbie or any board members if you have questions on the CDC Slick Shearing Policy.

Looking forward to seeing everyone in a couple of weeks at Louisville. Best of luck to all and safe travels.

Dick Reece, CDC President

DORSET PROMOTIONAL ITEMS AVAILABLE

-Dorset Baseball Caps: Cotton twill available with either a embroidered Polled Ram Head or Horned Ram Head. Hat colors: Sage Green or Chocolate Brown. **Cost is \$15.00 which includes shipping & handling.**

MEET YOUR NEW CDC DIRECTOR & BOARD NEWS

NEW ENGLAND REGION DIRECTOR RACHAEL GATELY

I was born and raised in north-central Connecticut where I started raising Polled Dorsets at 7 years old (1993). It has been a rollercoaster ride growing from 2 brood ewes that year to near 50 in the late 90s. We added a small group of purebred Texels in the late 90s as well. I attended the University of Rhode Island from 2004 to 2008, and I came home virtually every weekend to tend to the sheep. I was avidly showing the Dorsets locally with a few trips to the NAILE junior show during college. We decreased numbers and stopped showing when I headed off to Texas for veterinary school in 2008. I graduated from Texas A&M University with my doctorate in veterinary medicine in 2012 and returned home to Connecticut to join Tufts Veterinary Field Service. I practice generalized large animal medicine, but spend most of my time working with dairy cattle, sheep, and goats. I have a special interest in advanced reproductive techniques in small ruminants and have been working to develop a specialty service at our clinic.

Shortly after returning home from veterinary school and revving up to jump back into the show world with my Polled Dorsets, we were hit hard by copper poisoning in the flock and lost the entire lamb crop plus some of my top brood ewes. I spent 2015 acquiring a small and elite set of Polled Dorsets to rebuild my show flock. We jumped back in to showing

in 2016 and are excited where we are are currently running approximately 15 quality Dorset brood ewes in Connecticut. I am also currently serving as Polled Dorset breed secretary of the New England Regional Dorset Junior Show held annually in conjunction with the North East Youth Sheep Show in Massachusetts.

As I dive back into the world of Dorsets full bore, the opportunity to serve on the board only seems fitting. I would be honored to work with the group only to better the Dorset breed!

RETIRING NEW ENGLAND REGION DIRECTOR MIKE WRIGHT

After, six years of service to the CDC Board of Directors, Mike Wright is retiring as the New England Director. Pictured above is Mike receiving his plaque of appreciation at the recent New England Regional Junior Dorset Show from the newly elected New England Director Rachael Gately. Thank you Mike for years of service to the Dorset breed!

WESTERN & GREAT PLAINS NOMINATING COMMITTEES

The Western & Great Plains Regions will be electing directors next year. Following are the nominating committees for these elections:

***Western Director Nominating**

Committee: *Chairman:* Jerry Dean, 9225 N Santa Margarita, Atascadero, CA 93422, (805) 466-9721, dorset4u@gmail.com

-Linda Pauly, 3150 S 2500 W, Delta, UT 84624, (435) 864-1884, lpaul44@gmail.com

-Dwayne Fisher, 17555 Hwy 95, Wilder, ID 83676, (208) 573-2825, dfisher@championproduce.com

***Great Plains Region Director**

Nominating Committee: *Chairman:* Jerry Gross, 3750 CR 29, Kennard, NE 68034, (402) 720-9198, gtgross@abbnebraska.com

-Casey Sidwell, 31306 WCR 57, Gill, CO 80624, (970) 302-9451, csidwell97@yahoo.com

-Lauralee Martin-Prough, 960728 S 3390 Rd., Chandler, OK 74834, (405) 240-6333,

martins4mbranch@yahoo.com

If you are interested in running for director and reside in one of these regions please contact a member of the appropriate nominating committee by January 1, 2019. These committees need to have their slate of nominees with resumes into the CDC Office by January 15, 2019. The CDC adult membership in these districts will be voting in February for their directors. The newly elected directors term will take effect as of September 1, 2019.

The regional director is asked to attend at least two board meetings per year, one in person at the National Sale site and at least one tele-conference. They are also responsible for organization of the regional junior Dorset show in their region.

Current Great Plains Director Jerry Gross is retiring off the board. Thank you Jerry for your great service to the board and the Dorset breed! Current Western Director Bob Heuvel is just coming off his first term and is eligible to run again for a second term.

The CDC needs interested breeders to help navigate the Dorset breed through these changing times in the purebred sheep industry. If you are

continued on page 8

CDC BOARD NEWS, continued

If you are interested in becoming a CDC director please contact a member of the nominating committees. Your willingness to serve is greatly appreciated. The CDC board consists of 6 members and it is highly important that folks step up to serve to ensure the progress of the Dorset breed into the future.

CONTINENTAL DORSET CLUB 2018 ANNUAL BOARD OF DIRECTORS MEETING

The meeting was called to order at 6:03 PM by President Dick Reece on June 28, 2018 at the State Fair Best Western, Sedalia, MO. Directors Michael Pope, Jerry Gross, Glenn Stunkel, Bob Heuvel and New England Director Elect Rachael Gately were in attendance. Director Mike Wright, was on the telephone. CDC Exec. Sec./Treas. Deb Hopkins was also present.

-Secretary Minutes: Deb Hopkins presented in writing the minutes from the 2017 CDC Fall-Teleconference Meeting held December 12, 2017. Bob Heuvel moved to accept the minutes as written. Michael Pope seconded. Motion passed.

-Treasurer's Report: Deb Hopkins presented the financial report for the fiscal 2017-2018 year to date as of June 18, 2018. Total income is \$74,847.70, total expenses is \$70,896.75, for a current net cash income of \$3,950.95. Account balances - Checking Account: \$47,122.54; Savings Account: \$25.00; CD: \$26,205.01; Money Market: \$10,155.18; Junior Association \$32,587.57 for total cash assets of \$116,095.30. Jerry Gross moved to accept the treasurer's report. Michael Pope seconded. Motion passed. Deb Hopkins also presented a proposed budget for 2018-2019 for the board to review as it goes through the meeting.

-CDC Stats: Deb Hopkins presented the 2017-2018 statistics to date. As of June 18, 2018: 3898 head have been registered and 2087 head have been

transferred. The registrations are down 10 head from the same period last year and the transfers are up 244 head from the same period last year. In the Dorset Advantage registry, 466 head have been registered to date and 248 head have been transferred. The registrations are up 94 head from the same time period last year and transfers are up 65 head from the same period as last year.

COMMITTEE REPORTS:

-Dorset Futurity: Deb Hopkins reported that the Online Sale Futurity Nomination Forms have been pretty well received and has helped out a lot in keeping track of animals nominated in online sales, and also in the collection of those nomination fees. To date there has been 113 polled ewe lambs nominated, 26 horned ewe lambs, 12 Dorset Advantage ewe lambs for a total of 151 ewe lambs. 5 yearling ewes have been re-nominated for the yearling ewe division. Of the ewe lambs approximately half of them have been bought by junior buyers. There were 75 ewe lambs nominated in online sales. At the National Dorset Sales in Sedalia, 22 more polled ewe lambs have been nominated, 7 horned ewe lambs and 3 Dorset Advantage bringing the total number of ewe lambs nominated to 183. It should be a good payout for the participants this year.

-Breed Standard Education: Discussion was held on the emergence of black color in the haired portion of the legs on Dorset sheep, as the board has had communication from breeders on the issue. A letter from a breeder was presented to the board. After much discussion Glenn Stunkel moved to create a breed standard review committee to particularly reference the highly objectionable and disqualifying color. The committee is to consist of the board and other regional breeder representatives to make up a committee of 12 people maximum. Michael Pope seconded. Motion carried. The board members will talk to breeders in their regions get names gathered of interested folks to nominate for the committee. This meeting

CDC FALL BOARD TELEPHONE MEETING

December 6, 2018

7:30 PM EST

If you have any item you would like to be addressed by the CDC Board please contact a director before this date. Your input is very important to the functionality of this breed association!

will take place in August so the actual committee can meet in September so as to get recommendations to the board for the fall teleconference meeting. It was also brought up to do more educational efforts on Online Selling and Buying for breeders and buyers. Mike Wright moved to accept the following names to the CDC Certified Judges List: Kelly Bruns, Joel Parker, Katherine Kuykendall, Alex Wolf and Richard Jacobsen. Michael Pope seconded. Motion carried.

-Production Committee: It is the recommendation of Bob Heuvel, who attended the NSIP meeting last fall, that the CDC put the Lambplan ID# number on the papers with an explanation of where to go to get the most current up to date performance data on that animal. Deb will talk to Frank Tiffany and get the registry program and registration papers re-designed to provide that information.

-Dorset Youth Grant Program: The 2018 winners were selected: Junior: Mason Solem, Dawson, MN; Intermediate: Mariah Troutwine, Ansonia, OH and Senior: Shelby

Hagerty, Elbert, CO. They all were notified soon after January 1st of their grant awards. To date, Mason Solem and Mariah Troutwine have purchased animals and have received their grant money.

-Newsletter and Website: Deb Hopkins reported that the 2018 winter newsletter had strong advertising support and netted an income of \$385.92. This special issue was sent to all buyers of Dorset sheep the previous year whether they were CDC members or not. The 2018 Spring/Summer connection only had 3 paid ads and cost the CDC \$1043.99 to get mailed out. Need to encourage more advertising for this issue to break even, still think it is important to get a spring/summer newsletter out to folks to keep folks tuned into breed happenings.

-Dorset Hall of Fame: The CDC will recognize Steve Myers at the annual membership meeting tomorrow. The board has also received a nomination for Ron Guenther. Michael Pope moved to honor Ron Guenther this year as part of the 2018 Hall of Fame class at the Ohio State Fair. Glenn Stunkel seconded. Motion passed. The board would like to encourage folks to put in nominations for the 2019 class.

-All-American Junior Show: Deb Hopkins reported that the 2018 All-American Junior Show will be June 6-7, 2018 at the Indiana State Fairgrounds, Indianapolis, IN. The Dorset exhibitors and their families will have a meet & greet ice cream social on Saturday sponsored by the Junior Dorset Association. Richard Jacobsen is scheduled to judge the Dorset Advantage show on Saturday night and the Horned & Polled Dorsets on Sunday. Deb would also like to thank Root Family Horned Dorsets for donating a ewe lamb that was sold for the All American, and with all of the classes getting sponsorships and corn hole tourney donation the CDC was able to meet their breed sponsorship commitment. Thanks to the great support of the Dorset breeders in donating semen for the special AAJS semen fundraiser sale, \$1792 of the \$5595 profit came from the Dorset breed. The All American will be in Kansas in

2019 and Michigan in 2020.

-National Junior Association: The junior association is planning on having a meet & greet ice cream social at the 2018 All-American and their 2017 Annual Meeting will be in Louisville in November. The scholarship application has been updated for the 2018 applicants and is posted online.

OLD BUSINESS:

-2018 New England & Great Lakes Director Election Results: Michael Pope was re-elected to serve his second three year term as the Great Lakes Director. Rachael Gately was elected to serve as the new New England Director. She is replacing retiring New England Director Mike Wright who served six years. Thanks to Mike Wright for his service to the CDC and its membership.

-Registry Program: Deb reported that Frank Tiffany has successfully gotten the Montadale Association up and running on the CDC registry program. Just a few more minor things to work out as Deb will be meeting with breed secretary Kendra Fleck.

-Online Sale Flyer Publicity: To expand the CDC services to their membership with the ever growing popularity of online sales, Michael Pope moved that the CDC can provide email service to the current CDC membership list of promotional sales flyers for member's online sales at a set cost. Bob Heuvel seconded. Motion passed.

-Clarification of CDC Slick Shearing Policy: According to the policy only wool can be on the poll, front legs below the knees and rear legs below the hocks. There is to be no flank or belly wool left on the animals, basically you are becoming a fitted animal at that point. CDC needs inspectors to check animals out before going into rings or even pre-show to make this education process easier, and/or have electric shears available in make-up rings so folks can get their extra wool off before entering the ring. Not CDC intent to kick exhibitors out but rather give them all an opportunity to abide by the rules and enable everyone to be on an even playing field slick shearing wise. The CDC should also develop an educational informational sheet on the CDC slick shearing policy

and publicize on website/newsletter/facebook page.

NEW BUSINESS:

-2018 NAILE National Dorset Shows: Deb Hopkins reported that she was unable to personally attend the NAILE sheep advisory committee meeting in March because of flight cancellation due to weather but did try to participate via phone conference. At the meeting it was voted to go back to the old release policy for the Open Show and Sunday only release for the Junior Show sheep, no Saturday releases. Aaron Crome will be judging the Open Horned Dorset Show, John Mrozinski the Open Polled Dorset Show and Jeremy Bradford the Junior Dorset Shows. The Junior Show will be on Saturday and the Open Shows on Wednesday. Deb stated that she needs personnel to check ear tags and check on the slick shearing as she herself can't orchestrate things in the show ring and also work the make-up ring.

-2019 CDC Director Elections: Western & Great Plains will be electing directors next winter. Nominating committees will need to be made known to the office for announcement in the 2018 fall newsletter. Great Plains Director Jerry Gross is eligible to run for a second term as is the case with Western Director Bob Heuvel.

-Regional Junior Show Sites: The regional show junior show sites for 2018 are:

*Great Lakes – Ohio State Fair, Columbus, OH August 1

*New England - Northeast Youth Sheep Show, W. Springfield, MA July 20-22

*North Central – Moultrie Douglas County Fair, Arthur, IL July 14

*Western – California State Fair, Sacramento, CA July 12-16

*Eastern – Cocke County A&I Fair, Newport, TN July 14

*Great Plains – AKSARBEN Stock Show, Grand Island, NE Sept. 28
2019 sites will be announced at the 2018 Fall Board Meeting.

-2019 Annual Meeting & National Sale: The 2019 Annual Meeting & National Dorset Sale for all Polled & Horned Dorset breeding sheep will be held in conjunction with the Illinois Dorset Sale. Dick Reece reported that

continued on page 10

CDC BOARD NEWS, continued

the host Illinois Dorset Association is working on actual site and date and will inform us at the 2018 Fall Board meeting. The board meeting will be scheduled for Thursday evening at a local hotel. The 2019 National Dorset Wether Sire & Dam and National Dorset Advantage Sale will be at Midwest Stud Ram Sale, Sedalia, MO.

-Executive Session: The CDC board went into executive session to discuss Executive Secretary/Treasurer's salary.

-Election of 2018-2019 Officers:

Glenn Stunkel nominated Dick Reece as President. Michal Pope seconded. Motion Carried. Jerry Gross nominated Michael Pope as Vice President. Bob Heuvel seconded. Motion carried.

-Budget: The budget was adjusted to compensate the changes from the executive session. Michael Pope moved to accept the 2018-2019 budget as adjusted. Jerry Gross seconded. Motion carried.

The meeting was recessed at 8:40 pm and will be reconvened after the CDC Annual Membership Meeting tomorrow.

*Respectively submitted,
Debra Hopkins, CDC Executive
Sec./Treas.*

CONTINENTAL DORSET CLUB 2018 ANNUAL MEMBERSHIP MEETING MINUTES

The meeting was called to order by President Dick Reece at 8:00 AM in conjunction with pancake breakfast hosted by the Missouri Dorset Breeders in the Youth Cafeteria, Missouri State Fairgrounds, Sedalia, MO. Thank-you to the Minish, Dain and Lacy Families for being great hosts for the 2018 Annual CDC Membership Meeting. Dick Reece introduced Great Plains Director Jerry Gross, Great Lakes Director Michael Pope, Eastern Director Glenn Stunkel, Western Director Bob Heuvel and New England Director-Elect Rachael Gately. Dick also introduced past CDC Presidents Casey Sidwell and Mike Galleher.

Executive Sec/Treas. Deb Hopkins presented the minutes from the 2017 Annual Membership Meeting that was held at the Ohio Dorset Sale, Eaton, OH on Friday, March 17, 2018. Steve Myers moved to accept the minutes as written. Mike Galleher seconded. Motion Carried.

Deb Hopkins presented the financial report for the fiscal 2017-2018 year to date as of June 18, 2018. Total income is \$74,847.70, total expenses is \$70,896.75, for a current net cash income of \$3,950.95. Account balances - Checking Account: \$47,122.54; Savings Account: \$25.00; CD: \$26,205.01; Money Market: \$10,155.18; Junior Association \$32,587.57 for total cash assets of \$116,095.30. Casey Sidwell moved to accept the treasurer report as presented. Cruz Nichols seconded. Motion carried.

Deb Hopkins presented the 2017-2018 statistics to date. As of June 18, 2018: 3898 head have been registered and 2087 head have been transferred. The registrations are down 10 head from the same period last year and the transfers are up 244 head from the same period last year. In the Dorset Advantage registry, 466 head have been registered to date and 248 head have been transferred. The registrations are up 94 head from the same time period last year and transfers are up 65 head from the same period as last year. The top ten states in registrations for the fiscal year of 2016-2017 were: 1)Indiana-734 head; 2)Iowa-614; 3)Illinois-467; 4)Ohio-386; 5)Pennsylvania-369; 6)Minnesota-355; 7)South Dakota-295; 8)Oregon-269; 9)Oklahoma-259 and 10)Virginia-253. The 2016-2017 top ten registrars were: 1) Thomas Dagel, SD (Frame, Production & Wether)-115 head; 2)Guynup Livestock, OR (Horned)-107; 3)Peter Janicki, WA (Horned)-94; 4)Huntrods Dorsets, IA (Wether & Production)-83; 5)Paul R. Cassell, VA (Horned)-82; 6)Chad Heisdorffer, IA (Wether)-72; 7)Jeffrey A. Hunter, IN (Production)-67; 8)Kelli & Brett Slack, IN (Wether)-62; 9)Monte Forster, OR (Horned)-58, and 10)Fisher Club

Lambs, ID (Wether)-52 head.

Committee Reports:

-Dorset Ewe Futurity: Glenn Stunkel gave the current update on number nominated and reminded juniors to get forms in a timely manner. Online sales also eligible but the animals need to be identified as such under the sale information and nomination fees need to get collected or paid

direct to the CDC. The new online nomination form has helped out tremendously in keeping track of all of the online nominations for the futurity.

-Breed Standard Education/Certified Judges List:

Jerry Gross announced that the new names added to the certified judges list were: Kelly Bruns, Joel Parker, Katherine Kuykendall, Alex Wolf and Richard Jacobsen. He encouraged breeders to submit names of judges for the certified list in their areas that do a good job evaluating Dorset sheep.

-Production Dorset Committee: Bob Heuvel discussed that since NSIP/Lambplan now has a new searchable data base, that the CDC will change the registration papers to list that animal's LPN# and instruction with the web link to go to the data base to get the most recent data on that particular papered individual and its ancestry, instead of putting actual data on the registration papers at time of registration as data always is changing.

-Dorset Youth Grant Program:

Michael Pope reported that they had 30 applicants. The three winners selected were: Junior Winner-Mason Solem, MN; Intermediate Winner-Mariah Troutwine, OH and Senior Winner-Shelby Hagerty, CO. He encourages applications for next year that are due December 1st.

-National Junior Dorset Association:

The junior association is planning on having a meet & greet ice cream social at the 2018 All-American and their 2017 Annual Meeting will be in Louisville in November. The scholarship application has been updated for the 2018 applicants and is posted online.

-Newsletter & Webpage: Deb Hopkins

reported that the newsletter is basically breaking even though could use more advertising support for the Spring/ Summer Issue. The advertising deadline for the special Fall Online Issue is September.

-All-American Junior Show: Deb Hopkins reported that the 2018 show is at IN State Fairgrounds, Indianapolis, IN with Judge: Richard Jacobsen-Polled, Horned & Dorset Advantage. She thanked the following donators: Root horned ewe lamb, "Team Dilly Dilly" corn hole winnings, and all the class sponsors: also thanks to Poynter Sheep Farm, Riverwood Farms, Spilde, Reynolds, DeJoria, Repasky, Gately & Symes, Sid DeVries, Sinks, Jeff McDaniel, Chad Heisdorffer, G.R. Kelly & Tom Jones, and Jason Shuck for the Dorset semen donations for the special online auction. It will be a record setting show with over 3200 head entered and 750 exhibitors. Dorset Shows entry numbers are: Dorset Advantage 118 head, Polled Dorsets 304 head, and Horned Dorsets 88 head.

-Old Business: None to report.

-New Business:

-2018 Regional Junior Show Sites: following are the upcoming sites and dates:

*Great Lakes – Ohio State Fair, Columbus, OH August 1

*New England - Northeast Youth Sheep Show, W. Springfield, MA July 20-22

*North Central – Moultrie Douglas County Fair, Arthur, IL July 14

*Western – California State Fair, Sacramento, CA July 12-16

*East – Cocke County A&I Fair, Newport, TN July 14

*Great Plains – AKSARBEN Stock Show, Grand Island, NE Sept. 28

-2018 NAILE National Dorset Shows: Deb Hopkins reported the following: Judges: Aaron Crome-Horneds, John Mrozinski-Polleds, Open Show Wednesday Nov. 14, added Slick Shorn Yearling Ram Class and Yearling Wether Sire Class to Polleds, took out Horned Dorset Wether type classes due to lack of participation, change to group showing policy across types in Polled Show, Junior Show on Saturday, Nov. 10 and Junior Dorset Show judge will be

Jeremy Bradford, release policy will go back to old system but Juniors can leave anytime Sunday.

-Announcements from Board Meeting: President Reece announced:

-2018-2019 Officers: Dick Reece President and Michael Pope Vice President
-2019 Illinois Sale will be National Sale for Horned & Polled Breeding Stock, 2019 Midwest Sale for Dorset Wether Sires & Dams and Dorset Advantage
-There will be a newly formed breed standard review committee formed with the sole purpose to particularly reference the highly objectionable and disqualifying color in the current breed standard. The committee will consist of board members and breeders from regional areas to review these particular issues to see if any revisions need to be made, any enforcement needed, to develop educational materials including materials for breeders on how to sell and buy breeding stock online.

-Award Presentations: Dick Reece announced retiring director Mike Wright will be presented with his appreciation plaque at the upcoming Northeast Youth Sheep Show in Massachusetts, and thanked Mike for his six years of service. He also announced the 2017 Downsborough Sire of the Year was "Oberon" Valley View 0075, and the keeper plaque will be mailed to current owner Lauden Acres, Dalmatia, PA.

-Hall of Fame Award Presentations: Part of 2018 Dorset Hall of Fame class was inducted. Jerry Gross inducted Steve Myers of Rushsylvania, OH. Steve was surprised at the honor and very much appreciative. Another deserving inductee will be honored later this summer.

Steve Myers moved to adjourn the meeting. Rachael Gately seconded. Meeting was adjourned at 4:40 AM.

**Respectively submitted,
Debra Hopkins, CDC Executive
Sec./Treas.**

The CDC Board of Directors meeting was reconvened at 8:54 AM. Discussion was held on contacting potential breed standard review committee members from each region and how to proceed in getting folks selected to the committee, and the

time frame of meetings to get any proposed changes to the board by the Fall Board meeting. Meeting was adjourned at 9:06 AM.

CONTINENTAL DORSET CLUB SPECIAL BOARD OF DIRECTORS TELE-CONFERENCE MEETING

The meeting was called to order at 8:03 PM on August 28, 2018 by President Dick Reece. Directors Michael Pope, Jerry Gross, Glenn Stunkel, Bob Heuvel and Director-Elect Rachael Gately were on the call. Director Mike Wright was absent. CDC Exec. Sec./Treas. Deb Hopkins was also online.

First order of business was that President Dick Reece appointed Jerry Gross as Chairman of the Breed Standard Review Committee. Discussion was held on the direction of the committee. The board suggested the committee remain focused on the wording of the color issues in the standard, work on education and enforcement of the standard if adjustment needs to be made.

Each director had at least two to three names of breeders that they had contacted, and were willing to serve. After elections the following breeders were voted onto the committee to serve along with the current board of directors:

New England: Matt Syme, CT

Eastern: Melanie Barkley, PA

Great Lakes: Jason Shuck, IN

North Central: Chad Heisdorffer, IA

Great Plains: Casey Sidwell, CO

Western: Dwayne Fisher, ID

Since no one had contacted a horned breeder, it was suggested to elect another breeder to the committee to represent the Horned Dorset faction. Tim Gadsby, OH was selected.

Michael Pope asked for recording in the meeting minutes about the need on how to enforce the slick shearing policy at National events and how the CDC might have to pay for an inspector and not just leave it up to the directors to get done. Meeting adjourned at 9:55 PM.

**Respectively submitted,
Debra Hopkins, CDC Executive
Sec./Treas**

2018 DORSET HALL OF FAME CLASS

STEVE MYERS

Steve Myers, Rushsylvania, OH has been associated with the Dorset breed for more than 50 years. His first year in 4-H he showed a pen of 3 lambs which were Horned Dorset ewe lambs. After the fair he purchased those back from the breeder and that was his start in the sheep industry.

From that, Steve transitioned to the Polled Dorsets in 1967. Steve has been breeding, showing and judging sheep from the east to west coast for too many years to remember. In the 1980's and early 1990's Steve's flock was very successful as his show record included 9 National Champions, 2 Supreme Champions at NAILE and 5 Premier Exhibitor Banners at the National Dorset Shows in Louisville.

Over the course of time, Steve decided to move away from the frame sheep and wanted to focus more on the wether type sheep. He always felt if your sheep were good enough they could be slick shorn for show. Many times he found himself showing slicks in fitted classes until shows began offering slick and wether type classes. This past North American he secured the first ever Premier Wether Type Exhibitor Award for the Dorset breed.

Steve has provided leadership to the Dorset Breed through serving on the CDC Board of Directors, serving on the Ohio Dorset Association Board and has received the Ohio Master Shepherd Award from the Ohio Sheep Improvement Association.

Needless to say, Steve has committed his life to sheep, primarily focusing on the Dorset breed.

RON GUENTHER

The name Ron Guenther has always been synonymous with the Dorset breed, and Ron has had a long and successful history.

In 1964, Ron moved from California to Ohio and took the job as Shepherd at The Ohio State University, where he developed a nationally competitive Dorset breeding program. While never exhibiting in large numbers, everyone knew that when Ohio State brought one to the show ring that would be one to contend with at the top of the class. Being a tremendous fitter, Ron would always have the Ohio Dorset Dorsets looking the part. Also while at Ohio State, Ron mentored numerous students who themselves became influential in the purebred sheep industry, and that list is very long. Ron retired from Ohio State in 1990.

Ron helped established a couple of powerhouse Polled Dorset Breeding programs in the late 1980's at Cardinal Creek Farms, Georgetown, OH and later in the early 1990's at Riverwood Farms, Powell, OH, where he worked until 2008. While at CCF, Ron had a hand in developing a ram named CCF "Legacy" who would become arguably the greatest stud ram in the history of the Dorset breed. "Legacy" was acquired by Riverwood Farms and would make an immediate impact there. The "Legacy" gene is carried in a lot of the breed's top individuals today.

Ron's input on both the phenotype and genotype of genetic selection in these two programs was instrumental to the success of the Dorset breed at a time when the breed was reaching an all time high in terms of popularity. He also had input in other successful Ohio Dorset flocks throughout the years, most notably the Paul O. Haynes flock and the Pinewood Stock Farm owned by Walt & Linda Stocker come to mind. Ron has judged numerous shows from coast to coast, and has been a lifelong supporter and promoter of the Dorset breed. Ron has also been a leader for the Dorset breed nationally by serving on the CDC Board of Directors for six years, and as it's President in the early 2000's.

DORSET COMMERCIAL CONNECTION

How's Your Forage Quality This Year?

by *Melanie Barkley, PSU Extension Educator*

This year has been quite challenging for sheep producers to manage forage quality in pastures and hay. Some areas across the country have seen much higher than normal rainfall and little sunshine. This can really impact forage quality both on pasture and in hay and makes this year's hay especially important to analyze in order to balance rations.

In some cases, forage fiber content limits the ability of animals to eat enough to meet their nutrient requirements. We refer to this as dry matter intake, the completely dry portion of a feed that animals consume. For those of us who live in the Eastern United States, this year has been exceptionally wet. So, instead of fiber limiting dry matter intake, we now see water content in pasture forages limiting intake. Local forage labs have seen a general trend for lower than normal energy and protein levels. Sheep producers will need to account for these deficits when balancing rations this winter.

Most pasture forages contain 75 to 90% moisture, while dry hays usually have less than 15% moisture. We measure moisture content so that we can compare nutrient contents from different feeds on an equal basis. Let's look at an example that compares nutrient contents of grass pasture and grass hay on an as fed basis versus a dry matter basis. The pasture and hay contain the same levels of protein, but we would not be able to determine this without comparing the forages on a dry matter basis.

Nutrient Density Basis

	% Nutrient Content			
	DM	Protein	NDF	ADF
Grass Pasture: As Fed	20	2.2	11.0	8.0
Dry Matter	100	11.0	55.0	40.0
Grass Hay: As Fed	90	9.9	49.5	36.0
Dry Matter	100	11.0	55.0	40.0

Information taken from Determining Forage Quality: Understanding Feed Analysis written by Dr. Robert VanSaun: <https://extension.psu.edu/determining-forage-quality-understanding-feed-analysis>

Whenever we compare the forages on an as fed basis, or in other words as the forage is fed to animals, we see that dry matter is 20% for pasture and 90% for hay. Looking at the protein content of the forages, pasture is 2.2 % protein and the hay 9.9% protein as fed. However, these forages actually contain the same percent of protein, 11%, when you remove the water content and consider the forage on a dry matter basis.

The next columns in the table discuss fiber contents expressed as NDF or neutral detergent fiber and ADF or acid detergent fiber. Neutral detergent fiber measures all the fiber components in a forage. These components make up the plant cell walls and include

hemicellulose, cellulose and lignin. As the NDF measurement increases, this tells us that the fiber content increases also. This causes dry matter intake to decrease and the animals chew their cud for longer periods of time. Acid Detergent fiber measures the highly indigestible fibers and as this number increases, digestibility decreases.

To put this into perspective, a legume forage would be considered good quality if the NDF is below 40%. Anything above 50% would be considered poor quality. On the other hand, high quality grass forages should have an NDF below 50%. Low quality grass forages have NDF levels higher than 60%.

The only way to correctly evaluate forages is to have them analyzed. This allows sheep producers to correctly balance rations in order to boost feeding efficiency and profitability. Under feeding nutrients results in slower growth rates, decreased milk production and could even impact lambing percentages. Over feeding nutrients could result in wasted money through feeding more nutrients than the sheep require.

The first step to analyzing forages starts with collecting a representative sample. Forage test results must represent what the animals eat. Samples should be collected from each field and each cutting. Test results vary greatly throughout the year! Use a bale core sampler and insert the sampler to its full depth into the end of each bale you are sampling. Collect at least 20 samples from each field and cutting. Mix samples from each group separately in a clean bucket and place in an airtight plastic bag. Label each bag before sending to your local forage testing laboratory.

Once you receive the forage test results you can then balance rations to make sure sheep receive adequate nutrients throughout different production stages. For more information on forage testing and balancing rations, contact your local Extension Office or a nutritional consultant.

Producers should test forages in order to correctly balance rations to meeting sheep nutritional requirements.

ANNOUNCEMENTS

2018 NAILE SCHEDULE AND EXHIBITOR INFORMATION

The Dorsets will once again be showcased at the upcoming National Dorset Shows during the North American International Livestock Exposition in Louisville, KY. Just got the entries and there will have been a total of 579 head of Dorsets entered in the National Open & Junior Breeding Sheep Shows for the week.

Following is a schedule of specific Dorset events:

-Junior Breeding Sheep Showmanship: Friday, Nov 9th, 10:00 AM, Mona Lisa Estes judging.

-Junior Market Lamb Showmanship: Friday, Nov. 9th, 4:00 PM, TBA on the judge.

-Lead Classes: Friday, Nov. 9th, 5:00 PM

-National Junior Dorset Shows: Saturday, Nov. 11th, 8:00 AM, Polled Dorsets, Horned Dorsets, & Dorset Advantage, Ring Two, Jeremy Bradford judging
-Junior Show Dorset Market Lamb Show: Saturday, Nov. 12th 8:00 AM, Jimmy Davis judging

-National Junior Dorset Association Annual Meeting & Pizza Party: Saturday, Nov. 10th, 6:30 PM, Meeting Room C105. Futurity results announced.

-National Open Dorset Shows: Wednesday, Nov. 14th, 8:00 AM, Polleds first followed by Horneds. John Mrozinski will be judging the Polled Dorsets and Aaron Crome will be judging the Horned Dorsets.

Don't forget that in the Junior Dorset Shows: Breeding Sheep Showmanship will be Friday at 10:00 AM. You need to pre-enter the showmanship show. If you did it online the cost was \$5.00, if you do it at the show entry fee will be \$10.00. The entry fees will be put into jackpot premiums and awards. The classes will be divided by age and all breeds will show together. Please make sure you review the special rules in the Dorset section of the premium book for both the open and junior shows as they will be adhered to.

The Junior Shows features a separate Dorset Advantage show. Also, there have been specific wether sire and dam classes added to the junior shows. **The CDC slick shearing policy will be adhered to as it appears in the premium book. "Slick Shorn presented sheep are to carry a uniform length of wool**

growth that was shorn 7 days prior to show, with the ONLY exception being on the poll, front legs below the knees and rear legs below the hocks." There is to be no additional belly or flank wool left on the animals.

Saturday evening, after the Junior Dorset Shows the National Junior Dorset Association Annual Meeting & Pizza Party get together for the Juniors at 6:30 PM in Room C105. This is a great event as the futurity and scholarship awards are presented, first year Dorset showmen show momentos are hand out and the NDJA annual meeting and elections are held. It is our one opportunity to gather all the Dorset juniors and their families together to recognize our junior Dorset breeders and get to know each other so please make plans to attend, nevermind the free pizza and drinks. This year West Coast Dorset breeder Linda Mastin has generously donated funding for the food. Thank you Linda for your support of our juniors!

For open show exhibitors: In addition to sending in your entries and entry fees to the NAILE when entering the show, please don't forget to send in the matching \$10.00 per individual entry in the Open Polled and Horned Dorset shows directly to the CDC Office. This enables the CDC to provide matching funds and to guarantee at least \$10.00 per individual entry in premiums. **These matching funds need to be sent to the CDC office ASAP if you haven't done so yet.** Please note that junior show sheep do not have to send in matching funds unless they are staying on to be shown in the open shows.

We have three types of Dorsets being shown and there will be three Premier Exhibitor banners presented: Fitted, Slick Shorn and Wether Type. Group classes are still shown together but groups can be made up of different divisional types BUT per NAILE rules, in the event of a tie for a premier exhibitor banner, the flock class is the tie breaker, should this happen with a Dorset divisional premier, only flocks that completely represent their division will count towards a tie breaker. Exhibitors are solely responsible for determining what to show in their flock and are solely responsible for how it would affect them in the event that are in a tie.

For those of you unable to attend the shows in person, all shows can be viewed live streamed by going to the North American International Livestock Show website.

Looking forward to seeing every one in Louisville this year and to another great set of National Dorset Shows!

CDC TO PROVIDE LAMBPLAN ID ON REGISTRATION PAPERS

With the newly revised searchable performance database now available on the NSIP web site, the CDC will provide a spot on the registration papers for the Lambplan ID number so breeders can go directly to the NSIP website to get the most up to date performance data on that animal and its parents.

The ID number will take the place of the current EBV Performance Date chart that is currently on the registration certificates. The computer program is getting updated and new papers printed to provide space for these numbers breeders will be providing us. These are long numbers, similar to VIN numbers on a motor vehicle so, we will ask breeders to just provide an excel spreadsheet with those numbers matching up to your private eartag identification on the animals you are registering.

Breeders have been asking for us to do this and now that NSIP has updated their data processing and implemented the Lambplan program, the CDC felt now is the time to provide opportunity for our breeders to get the new ID# actually on the registration papers of NSIP enrolled animals so interested parties can get the most recent data to assist them in their decision making in their breeding programs and making potential purchases of breeding stock.

PINE KNOB FARM Polled Dorsets

GENETICS YOU CAN TRUST

We take great pride in the fact our genetics continue to breed on not only for us, but for our buyers as well!

"Geno" - PKF 1613

2016 Reserve Grand Champion Ram in Louisville as a spring ram lamb. He is the sire of "Herman" and "Annie Oakley" along with all of the lambs Gary Saylor sold this past Spring and Summer! Thanks to Harold Tyson for his purchase of this stud ram.

"Herman" - PKF 1715

Grand Champion Ram at the 2018 Ohio State Fair; Best Headed Ram at 2017 and 2018 Big E as well as the 2017 NAILE.

"Annie Oakley" - Twin Oaks 1776

Grand Champion Ewe at the 2018 Big E.

Look for our show flock at the NAILE in Louisville!

DORSETS REIGN SUPREME

The Dorset breed in the show ring has excelled once again this show season! The quality of Dorsets being shown is exceptional and all Dorset breeders should be very proud of their animals. There wasn't a major show around the country, open or youth, where during Supreme Champion drives there wasn't a Dorset pulled out vying for the honor. Besides the Supreme Champion Ram at the Midwest Sale this year that is appears on the cover of this newsletter, several other breeders sent in photos of their Supremes.

Congratulations to all on your great accomplishments!

Top Left: 2018 Northeast Youth Sheep Show, Supreme Flock, First Place Polled Dorset Flock, Evan Syme, CT

Top Right: 2018 California State Fair, Supreme Champion Ewe, Champion Polled Dorset Ewe, Fall Ewe Lamb, Ashley & Kristina Klampe, OR

Middle Left: 2018 Wisconsin State Fair, Supreme Champion Ewe Meat Breed Rotation 1, Champion Polled Dorset Ewe, Fall Ewe Lamb, Casey Lobdell, WI (Bred by Obsession Show Stock, IN)

Middle Right: 2018 Delaware State Fair Supreme Champion Ewe, Champion Polled Dorset Ewe, Yearling Ewe, Ava Raughley, DE (Bred by Shepherd's View, DE)

Bottom Left: 2018 New Jersey State Fair, Supreme Champion Ewe, Horned Dorset Ewe, Yearling Ewe, Emma Oberholtzer, PA (Bred by Cassell Family)

YOUTH NEWS

2018 INDIANA 25th ALL AMERICAN JUNIOR SHOW

The 2018 All American Junior Show was held at the Indiana State Fairgrounds, Indpls., IN from July 5-8. This was the 25th Anniversary Show and another record breaker for the All American! There was a record 652 exhibitors attending from 22 states showing 2496 head of sheep. We showed late into the evening on Saturday but all in all it went very smoothly and the kids loved the special opening ceremonies format that was done for this special 25th show. The Indiana hosts did a remarkable job of hosting this record breaking show and a BIG THANK-YOU goes out to them all!

The Polled & Horned Dorset Shows were held on Sunday judged by Richard Jacobsen and the Dorset Advantages were judged Saturday night by Tor Sorenson. The quality and quantity of the shows were above and beyond. The Dorset show had excellent participation as 204 head of Polled Dorsets were shown, 66 head of Horned Dorsets and 78 head of Dorset Advantage. Congratulations to Olivia Waggoner, PA; Emma Oberholtzer, PA; and Grady Simpkins, IN in for being named the top guns for the Polled, Horned and Dorset Advantage shows respectively. All the show results and photos can be found later on in this newsletter.

Also, congratulations goes to Evan Syme, CT on his Polled Champion Dorset Ram that was later picked online as the Supreme Champion Ram of the show online at Novel Designs "Pick of The Barn" competition. Novel Designs has been a strong supporter of the All American and now will be taking over the AAJS web site hosting for the future.

The National Junior Dorset Association had their Summer Ice Cream Special Meet & Greet on Saturday for all the Dorset families. There were several new exhibitors to the All American this year and it was great to get to meet everyone. Thank-you to the Dorset families and the National Junior Officers that helped out with the event, especially NDJA President Allison Smith. The NJDA handed out several first time Dorset Showman mementos to the Dorset exhibitors at this year's All American and they all did a great job!

The Dorset juniors represented very well in the events held during the weekend. Following are some highlights of their accomplishments:

2018 All-American Junior Show

652 exhibitors representing 25 states, 2496 head of sheep exhibited from 22 breeds
Indiana State Fairgrounds – Indianapolis, Indiana

-Ethan Hodel, IL: AAJS Scholarship Winner
-Ireland Shuck, IN: 1st Individual Showmanship
-Blake Leader, IN: 1st Individual Showmanship
-Madelyn Syme, CT: 1st Individual Showmanship
-Landon Bewley, IN: 3rd Individual Showmanship
-Dylan Miller, IN: 3rd Individual Showmanship
-Kyle Schnackenberg, IN: 3rd Individual Showmanship, 1st Team Showmanship
-Nikki Muir, IN: 2nd Individual Showmanship
-Casey Lobdell, WI: 1st Individual Showmanship
-Campbell Reese, OH: Beginner Logo Winner
-Daniel Epe, MA: Junior Photo Winner
-Ridge Betts, DE: Senior Essay Winner, 3-on-3 Basketball Winning Team, Horned Dorset Wool Show Champion
-Reba Bergman, IN: 3-on-3 Winning Basketball Team
-Grady Simpkins, IN: Beginner Skil-A-Thon Winner
-Sidney McAllister, OH: Dorset Advantage Wool Show Champion
-Kassidy Schakel, IN: Polled Dorset Wool Show Champion

A big thank-you goes to all the Dorset breeders that donated to support the show, whether it was a ewe lamb-Root Horned Dorsets; ram semen-Poynter Sheep Farm, Riverwood Farms, Spilde, Reynolds, DeJoria, Repasky, Gately & Symes, Sid DeVries, Sinks, Jeff McDaniel, Chad Heisdorffer, G.R. Kelly & Tom Jones,

and Jason Shuck; class sponsorships, special individual donations or by purchasing raffle tickets. The Dorset breed actually supports three shows and without the breeder support it would not be possible. Thanks to all of you the Dorset breed easily matched their breed sponsorship level once again.

Plans are underway for the 2019 All American Junior Show. It will be held at the Kansas State Fairgrounds, Hutchinson, KS from June 4-7, 2019. Jeff Ebert and the Kansas folks are already organizing next year's show to make it another special All American. Hotel blocks have been reserved at the following hotels:

-Comfort Inn & Suites, 1601 Super Plaza, Hutchinson, KS 7501 (620)669-5200
-Atrium Hotel & Conference Center, 1400 N Lorraine Hutchinson, KS 67501 (620) 669-9311
-Fairfield Inn & Suites, 111 North Lorraine, Hutchinson, KS 67501 (620)259-8787
-Hampton Inn, 1401 ½ East 11th, Hutchinson, KS 67501 (620)665-9800
-Red Coach Inn & Suites, 1315 East 11th Hutchinson, KS 67501 (620)662-6394
-Super 8, 1621 Super Plaza, Hutchinson, KS 67501 (620)663-7822

Just ask for the "All American Junior Sheep Show" block. Camping will also be available at the show grounds. Look for up to date information next spring on the show at the AAJS web site: www.allamericanjuniorshow.com

Looking forward to seeing everyone next summer in Kansas!

MM Dorsets

***Females Really Are
The Back Bone Of A Flock!***

We are mighty proud of the females we have added to our brood ewe flock over the past few years. Shown are just a few of those quality individuals!

Kolb Dorsets "Phoebe"

Mother of my entry at the 2017 Ohio Dorset Sale, purchased by Daylen Sheele.

Spilde Dorsets "Katy"

She always lambs triplets and keeps them, tremendous mother!

Pine Ridge Dorsets "Sophie"

She raised my ram entries for the 2018 NAILE.

All of our lambs born before the fall of 2018 were sired by my stud ram "SAMMY" Spilde 9168, a "Sampson" son.

We're Louisville Bound!

Visit our pens at the NAILE and see the quality we are producing.

Thanks To Our Buyers!

Special thanks to all our buyers and wish you much success!

Mclayn Musick ~ MM Dorsets

YOUTH NEWS, continued

2018 NATIONAL JUNIOR DORSET ASSOCIATION ANNUAL MEETING IN LOUISVILLE

The National Junior Dorset Breeders Association will hold its annual meeting in Louisville on Saturday night, November 10, 2018 at 6:30 PM in the Kentucky Exposition Center South Wing, meeting room C105.

The meeting will feature an election of next years directors, presentation of the 2018 scholarship awards, ***presentation of the regional & final 2018 futurity awards from the show***, awarding of the First Time Dorset Showman brushes and a pizza party for all the Junior Dorset members and their families. Make plans now to attend the National Dorset Junior Association Annual Meeting and pizza party. Come and meet all your fellow Dorset exhibitors!

CDC & NDJA YOUTH DORSET EWE PURCHASE GRANT PROGRAM

The National Junior Dorset Association and the CDC introduced a grant program for youth to use towards the purchase of a Dorset ewe and it has been very successful for the past five years, as we have received a record number of 30 applications last year. The associations awards three \$500 grants annually to be used towards the purchase of a registered Dorset female.

2018 recipients Mason Solem, MN bought a lamb from Balfanz Family, Waterford, WI; Mariah Troutwine, OH bought a horned lamb from Cassell Horned Dorsets, Wytheville, VA and Shelby Hagerty, CO is making purchasing plans.

A very simple one page application form is available on the CDC website or you may contact the CDC office to forward you a copy. If you have applied previously but haven't yet been selected please do so again. This is a great way to obtain funding towards the purchase of a Dorset breeding female. Please get an application in today or get to an interested youth today!

NATIONAL JUNIOR DORSET ASSOCIATION PRESIDENT ALLISON SMITH

Fall is in full swing with majors and lambing. We're seeing all the updates of winners, while we hope to see the future winners of our own hitting the ground. Across the board, whether we show fitted, slicked, wether sire, or Dorset advantage, we all meet up in Louisville for the National Dorset Show. We invite all of our members to join us Saturday night at 6:30 for our annual meeting in Louisville, Kentucky! We look forward to meeting all the new faces of our industry, as well as seeing familiar ones. Join us to talk about our Dorset agenda to learn about our breed, keeping up with the new trends of the industry, and learning about what makes Dorset's so special to us! We look forward to seeing you all at the North American International Livestock Expo., safe travels, and best of luck on show day!

Allison Smith, NJDA President

REMINDER to all Dorset Breeders: Ewe lambs can be nominated at consignment & production sales, and online sales. Polled breeding sheep, horned breeding sheep, wether dam lambs and “Dorset Advantage” ewe lambs all can be nominated! Also, the junior buyers can re-nominate their ewe lamb purchase the following year for the Yearling Ewe Futurity.

THANK YOU FOR YOUR SUPPORT!!
