THANK-YOU to all of the advertisers for your support!

This special issue of the 2020 Winter Dorset Connection will not only be mailed out to all current CDC Adult and Youth Members but also to anyone that bought a registered Dorset or Dorset Advantage last year. We are reaching out to more potential Dorset buyers and this will be done in the future with every Winter Issue. This issue will also be emailed to all CDC members that have a current email on file with the CDC office and will be put on the CDC website in its entirety, as has been the policy of past newsletters.

These Rams Will Be Used In Our Flocks For Fall Lambs!

Crome Ram

Bob Schembs' pick of the Crome 2018 Fall lambs. Sired by "In the Weeds".

We are extremely excited by the genetic influence by these stud rams!

"Hammer Down"

A "Rain Maker" son that is a twin brother to the \$4,250 ram sold in the 2018 Big Ohio Sale.

Thistledown Dorsets, owned by Bob Schembs, was purchased by Purple Ribbon Farms in November of 2019. We would like to thank Bob for the opportunity to purchase such an elite group of Dorsets!

"Rain Maker"

Sired by "Captain Stubby"

The three stud ram pictured were also included in the Thistledown Dorsets purchase and are owned jointly by Purple Ribbon Farms and Stunkel Dorsets. Both flocks also have "Rain Maker" semen.

Both flocks have breeding stock for sale at the farms and will be at the Spring sales.

CDC PRESIDENT'S MESSAGE

DICK REECE

Hello all! I hope everyone had a wonderful holiday season full of family, friends, and perhaps even a few positive surprises in the barn! The 2019 show season wrapped up for a lot of breeders at the NAILE in November. I want to commend all the Dorset exhibitors on showcasing excellent quality animals of every type and kind! I felt the quality ran deep in both the junior and open shows! The Junior Association had their annual meeting at the NAILE which was well attended. I truly feel that we have some amazing youth members representing our breed!

As winter lambing continues, we turn the page to 2020 and the upcoming National Polled and Horned Dorset sales in March! The CDC Board will be hosting our annual board and memberships meetings during the sale. Please feel free to reach out to your board representatives ahead of the meetings with any questions or thoughts you would like to share. I look forward to seeing everyone at the sale and membership meeting!

Lastly, as 2020 progresses I would like to challenge Dorset breeders of all types to think about breed character in regards to your own flocks and ask yourself some questions... *How well do I know Dorset breed characteristics and how do I view my own flocks breed character? If I see areas to improve them in my flock, how do I? How do I personally value breed characteristics over other traits?* This is an important topic for breeders to contemplate that sometimes gets overlooked when it shouldn't. The Dorset breed's vast differences in type and kind helps the breed excel by providing breeders an opportunity to raise a type of sheep that they enjoy. However, at the end of the day all Dorsets should still strive to carry the same breed characteristics! Color related characteristics have been the hot topic lately, but it's important for breeders to not overlook other traits. Things like a moderately broad muzzle of medium length, ears that are small to medium in length/size, ears that have mostly a hair based covering with only a little wool, and bold eyes that are bright and prominent are all important breed identifying traits that all varieties of Dorsets should share! Remember, the complete breed standards are always available on the CDC website for you to review.

Michael Pope, CDC President

-Any purebred ewe lamb that was nominated and purchased by a junior breeder for participation in the futurity program as a ewe lamb in 2019 is eligible for the 2020 Dorset Yearling Ewe Futurity. The ewe is still eligible even if there were no point record forms turned into the CDC office or futurity premiums paid out on the ewe as a lamb.

-The current junior owner has to forward a renomination fee of \$25.00 and a completed nomination form (*see below*) to the CDC Office by May 1, 2020. The ewe must still be in the junior exhibitors individual name that originally purchased the ewe at the designated futurity sale. No transfer of ownership can have taken place since the original purchase.

-Junior participants can only collect premiums on ONE yearling ewe even though you can nominate up two ewes.

FEATURE ARTICLE

2019 CDC BOARD FALL TELE-CONFERENCE MEETING MINUTES

The meeting was called to order by President Michael Pope at 7:31 PM EST on December 3, 2019. Directors on-line were: Glenn Stunkel, Linda Mastin, Rachael Gately, Dick Reece and Bart Caldwell. CDC Exec/Sec/Treas. Deb Hopkins was also on-line to take minutes.

-Secretary's Report: Deb Hopkins presented in writing the meeting minutes from the 2019 Annual Board Meeting held March 29, 2019 in Springfield, IL. Dick Reece moved to accept the minutes as printed. Glenn Stunkel seconded. Motion carried. Deb also presented in writing the minutes from the Special Board Tele-Conferences held October 30, 2019. Glenn Stunkel moved to accept the minutes as written. Dick Reece seconded. Motion carried.

-Treasurer's Report: Deb Hopkins presented the current fiscal report for the time period from September 1, 2019 to November 26, 2019. It was reported that total income was \$11,180.74; total expenses were \$17,829.34, for a net loss for the period of \$6,648.60. Account balances were: Checking \$65,193.76, Money Market \$10,176.82, CD \$26,305.18, Dexter/Navigant Savings \$25.00, Junior Association \$28,043.12 for a total of \$129,743.88 on hand. Dick Reece moved to accept the treasurer's report. Rachael Gately seconded. Motion carried. Deb Hopkins reported that the 2018-2019 fiscal records were going to the accountants for the annual tax from filing and noted that the association's bottom line was \$9,026.10 in the black for a comfortable income for the fifth year in a row making the association very stable.

-CDC Stats: Deb Hopkins reported the current 2019-2020 stats. 558 head have been registered to date (up 22 head from last year) and 129 head transferred (down 265 head from last year). There has also been 50 head of Dorset Advantage sheep registered and 20 head transferred in that time period. Deb Hopkins also reported the

year-end stats for 2018-2019. There were 5,238 head registered (down 544 head from the previous year) and transferred 2905 head (down 169 head from the previous year). There were 1,314 Dorset Advantage Sheep registered (up 637 head from last year) and 524 Dorset Advantage sheep transferred (up 142 head from last year). The top fifteen states in registrations were: 1)Iowa 805 head; 2)Indiana 802; 3)Ohio 625; 4)Oklahoma 471; 5)Illinois 455; 6)Pennsylvania 319; 7)Kansas 239; 8)Virginia 234; 9)Minnesota 227; 10)South Dakota 200; 11)Wisconsin 192; 12)Missouri 189; 13)Oregon 164; 14)Idaho 150; and 15)California 141. The top ten individual registrars were: 1)Vermazen Dorsets, IA (Production) 90 head; 2)Robert Vander Schaaf, IA (Production) 81; 3)Paul R. Cassell, VA (Horned) 72; 4)Chad Heisdorffer, IA (Wether) 69; 5) Meeuwse Farms, LLC, MI (Production) 55; 6)Jeffrey A. -Correspondence: Deb Hopkins reported that she has received many thank-you notes and letters from participants in the Louisville judging contests including the 4-H Skil-athon Contest as the CDC sponsors awards in all of the judging events in Louisville and from the contest organizers themselves. The CDC also received thank-you's from many All American participants, the Great Lakes Regional Junior Show, the Great Plains Reg. Junior Dorset Show, the ASI and special junior award recipients Annie Nichols and Linsey Eddy.

COMMITTEE REPORTS:

-Dorset Futurity: Deb Hopkins presented the final futurity standings for the 2019 program. A total of \$4,245

was paid out to 22 participants. Awards and rosettes were presented to regional and national winners for an additional \$710.06. There were 142 polled ewe lambs nominated for the program taking in \$3,875 in nomination fees. The Dorset Advantage division had 15 ewe lambs nominated bringing in \$250 in nomination fees. The yearling ewe program had 12 nominations taking in \$300 in nomination fees. The horned ewe lamb futurity had 26 ewe lambs nominated taking in \$700 in nomination fees. Of the total 183 ewe lambs nominated 98 (54%) were purchased by junior buyers and were eligible for futurity participation. This year all of the futurity final awards were presented at the National Junior Dorset Association meeting in Louisville because the meeting was post-show and the presentations were very well attended. Deb also presented the 2020 Futurity Budget for approval and also wanted to remind breeders with online sales to get the filled out Online Futurity Sales Nomination forms into the CDC office before the sale dates. The subject of breaking ties was also discussed. Rachael Gately moved that the Regional Junior Show placing will break a tie and in the event that a tie remains then both will be honored and the tie placing be awarded that placing monies and awards. Linda Mastin seconded. Motion carried.

-Breed Standard Education & Promotion: Bart Caldwell moved to accept Cruz Nichol's application to the certified judges list. Rachael Gately seconded. Motion carried.

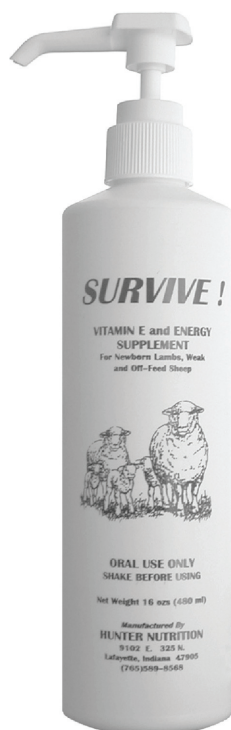

Jerry Gross was online to present the proposal for the Continental Dorset Club Wether Incentive Program. This program will recognize registered purebred Dorset wethers if they are named Champion Dorset Wether or Champion Whiteface Wether at the five major shows that are open to any junior exhibitor no matter where they live, by awarding them a \$500 premium. The proposed list of shows are: Aksarben Stock Show, All American Junior Show, Keystone International Livestock Exposition, National Western Stock

Show and North American International Livestock Exposition. There are specific breeder and exhibitor rules that apply. After presentation and discussion, Bart Caldwell moved to accept the proposal as presented. Dick Reece seconded. Motion carried.

-Newsletter/Webpage: Deb Hopkins reported that the 2019 Fall Online Edition of the newsletter was well received with minimal advertising and had a lot of show and sales results, all in color. The online newsletter had 4 ads in it and netted \$401.55 in income. The 2019 Spring/Summer issue had the same issue with little advertising support and was decided to go with an online version only and no charges were presented to the 2 advertisers. Discussion on whether to continue having the Spring/Summer issue as hard copy was discussed and the board felt to try one more time since it will not be competing against the printed Breeders Directory next spring. If it encounters poor advertising support at that time, then the decision can be made to go with an online version once again if needed. Plans are underway for the 2020 Winter Issue and some advertising support have been coming in.

-All-American Junior Show: Deb Hopkins reported that the 2020 All American will be at the Michigan State University in East Lansing, MI from July 2-5. The Michigan committee is working hard and getting organized to host a great event. The CDC needs to raise funding for the breed sponsorship. A horned and polled ewe lamb need to be donated, and the class sponsorship list will be made up and circulated next spring. Between all of those activities that should raise our \$3150 three breed sponsorship. Due to ever increasing facility rental costs the AAJS will be doing the Semen Online once again and will be looking for Dorset breeder donations of 2-5 straw lots. The CDC office will also send out AAJS raffle tickets with breeder's first registration next year work to assist in the AAJS general fund for the show.

-National Junior Dorset Association: Michael Pope and Rachael Gately sat in on the NJDA Annual meeting in Louisville, Saturday,

SURVIVE !

Vitamin E & Energy Supplement

Vitamin E and Energy Supplement for weak, chilled, newborn lambs, and ketotic ewes. Highest levels of Vit. E (417 IU/dose), plus Vit. A and Vit. D. Survive! often saves lambs that would have otherwise been lost due to white muscle disease, weakness or chilling.

November 16, 2019, which was very well attended by Dorset juniors and their families. The association awarded three \$1000 College Scholarships to Ashley Klampe, OR; Stephen Campbell, PA and Chad Lawyer, IL. Both Ashley and Stephen were not able to attend but send letters that were read before the group. The new 2019-2020 Officers are: President & Eastern Director: Olivia Waggoner; Vice President & Great Lakes Director: Keegan Padgett, IN; Sec/Treas. & At-Large Director: Kylie Schakel, IN;

Great Plains Director: Raevyn Odum, CO; Western Director: Amanda Toth, WA; North Central Director: Mclayn Musick, IL and New England Director: Evan Syme, CT. The CDC first time Dorset showman mementos were also handed out at the meeting to the first time NAILE exhibitors and all of the Dorset futurity awards were announced and presented.

-Production Committee: Nothing to report at this time.

-Dorset Youth Ewe Purchase Grant: Deb Hopkins reported that there were

35 applications received for the three age divisions. She will get them scanned and emailed out to the committee for their evaluation. Winners will be notified by early January.

-Dorset Hall of Fame: Deb Hopkins reported that she needs names submitted for the Dorset Hall of Fame. Nominations need to be in by January 2020.

-OLD BUSINESS:

-2020 Eastern & North Central

Director Elections: Deb Hopkins reported that the committee chairmen and committees were announced in the fall newsletter. The committees have received all of their directions from the CDC office as nominees need to be sent into the office Jan. 1st.

-NEW BUSINESS:

-2020 National Sale & Annual

Meeting: The National Sale for Polled & Horned Dorset Breeding Sheep will be at the Ohio Dorset Sale, Eaton, OH on March 20 & 21 and the 2020 Dorset Wether Sires & Dams and Dorset Advantage will be at the Midwest Stud Ram Sale in Sedalia, MO on June 24-26. The CDC Annual Membership Meeting and Hall of Fame Induction will be at the Ohio Dorset Sale on Friday, March 20 soon after the sale show. The Ohio Dorset Sale is under new management as the sale will be managed by Select Livestock Services. The CDC Board meeting will be Thursday evening at 6:00 PM, Deb will get a meeting room at the sale headquarters. The CDC had passed that future National Sales need to be online with show viewing and online bidding sale day. Sale management and the CDC are working on getting some online presence for the sale.

-NAILE National Dorset Shows:

Mike Fox was hired to enforce and educate exhibitors on the CDC slick shearing policy during the shows at NAILE. It was reported that he did have about 20 bellies that need to be re-sheared before entering the ring. Discussion was also held on the leg wool issues and it was decided that more education needs to be done in this area. Dick Reece moved that the CDC get pictures/diagrams of what is acceptable for slick shearing, present

at March board meeting for approval, and get posted on CDC website and promoted to breeders/exhibitors for their information prior to next summer shows/sales. Glenn Stunkel seconded. Motion carried. Amount of color was also discussed and it was decided to re-emphasize the importance of absence of color to our judges as it is their final responsibility to discriminate against it as it is part of the Dorset breed standard.

The board also discussed the confusion on the junior exhibitor part especially of the difference between slick shorn and wether type classes. After much discussion, Linda Mastin moved to change the description to "Slick Shorn Frame Breeding Sheep" and "Slick Shorn Wether Sire/Dam". Dick Reece seconded. Motion carried. Deb will make sure wording gets changed at the All American and NAILE, and for regional shows that have both divisions to use the new wording. This way it will be easier for the exhibitor to know which class to enter and for the judge to evaluate accordingly.

Numbers were up or at least steady in all NAILE shows except the Open Horned Dorset show, which was down significantly and were under the minimum for a breed but Deb had already talked to the Horned breeders to make sure those numbers were above the minimum next year.

2020 Judge Nominations were selected for the ballots as follows: Polled Dorsets: Mark Johnson, Steve Reid, Dustin Cruik; and Horned Dorsets: Dick Kuzemchak, John Mrozinski, and Richard Jacobsen. These names will be put on the ballots send out to NAILE exhibitors for preference ranking submitted to NAILE. Deb also asked the board for some Junior Show judge suggestions as there will need to be new judges required and the names of Aaron Crome and Neal Knapp were presented.

-2020 Regional Junior Dorset Show

Sites: The sites for the upcoming 2020 Regional Dorset Shows are:

-New England: Northeast Youth Sheep Show, West Springfield, MA July 16-19, 2020

-Eastern: Keystone International

Livestock Exposition, Harrisburg, PA Early October

-Great Lakes: Ohio State Fair, Columbus, OH August 5th, 2020

-North Central: Illinois site

-Great Plains: Tulsa State Fair, Tulsa, OK Early October

-Western: TBA

-Secretary's Travel: The board requested that the executive secretary personally attend the 2020 National Sale at the Ohio Dorset Sale, NAILE Sheep Committee Meeting in March if works out with scheduling, All American Junior Show in Michigan and NAILE. Deb will make arrangements to get the class winning photos from Sedalia posted to the CDC Facebook page and will promote sale from afar on the Facebook page. Hopefully with the sale moving to earlier in June in 2021 it will be feasible once again for Deb to attend Sedalia in person.

-Discussion of National Horned Dorset Breeding Sheep Sale: Item to be put on March board meeting agenda on possibility of always making an Ohio Sale the National Horned Dorset Sale site.

Glenn Stunkel moved to adjourn the meeting. Motion seconded by Linda Mastin. Meeting was adjourned at 9:55 PM.

**Respectively submitted,
Debra Hopkins
CDC Exec. Sec./Treas.**

2020 CDC ANNUAL MEMBERSHIP MEETING & HALL OF FAME INDUCTION

**Friday, March 20, 2020 following the
Ohio Dorset Sale sale show,
Preble County Fairgrounds, Eaton,
Ohio**

The CDC will hold its 2020 Annual Membership Meeting and 2020 Dorset Hall of Fame Induction right in Bruner Arena following the sale show and before the 3rd Annual Dave Harmann Cornhole Tournament. It is very important that breeders attend this important meeting to keep informed of breed happenings, and more importantly to participate and offer input on those Dorset breed happenings.

The CDC Annual Board meeting will be held Thursday night prior so if you have any business that you would like to be discussed by the CDC Board please present it to your director prior to this date.

Are You Feeding Your Ewes For Lamb Production?

by *Melanie Barkley, PSU Extension Educator*

Many sheep producers have already started lambing while others still anxiously await the first lamb to arrive. Regardless of when the lambs arrive or how you manage your sheep, supplying ewes with adequate nutrition throughout the year can greatly impact lamb survival and growth rates. Good nutrition not only helps to ensure vigorous lambs at birth, but also promotes high quality colostrum and leads to adequate amounts of colostrum and milk.

We know from research studies that good nutrition plays an important role for ewes to produce healthy and vigorous lambs. According to the United States Lamb Resource Center's fact sheet "Increasing Your Lamb Crop Series: Reduce Lamb Loss" as much as 80% of lamb mortalities occur in the first two weeks after birth. This can often be associated with starvation and hypothermia. Adequate nutrition helps to reduce issues from starvation and hypothermia by promoting appropriate lamb birth weights and adequate fat reserves at birth. Both aspects contribute to healthy and vigorous lambs that quickly stand and nurse on their own. Lambs with good vigor generally are born with fat reserves, known as brown fat, that helps to provide them with energy during the first several hours after birth. This gives lambs the energy to quickly get up and nurse as well as to help keep them warm until they nurse. Lambs with poor vigor often lack these fat reserves and are more likely to suffer from hypothermia, which can lead to starvation.

To prevent hypothermia and starvation, lambs should receive adequate amounts of colostrum as soon as possible after birth. Colostrum, the nutrient rich first milk, contains antibodies that help a lamb's immune system to function properly as well as protect lambs from diseases. It is extremely important that lambs consume colostrum within 12 hours after birth. After this timeframe, the ability of the lamb's digestive system to absorb these antibodies decreases greatly. Shepherds can assess if lambs have received adequate amounts of colostrum using a few different techniques. A lamb's belly should feel like a full balloon when the lamb is picked up with your hand under its chest. Lambs that cry or constantly nurse exhibit signs they are not receiving enough to eat. A good rule of thumb is that a lamb should receive about 10% of their weight in colostrum within 24 hours after birth. Or in other words, a 10 lb. lamb should consume at least one pound (16 ounces) of colostrum within 24 hours after birth. Even though you can't measure colostrum intake in nursing lambs, you can assess other characteristics. Well fed lambs will appear alert, stretch when they first stand up and should be quiet.

In order for a ewe to produce both adequate amounts and quality of colostrum for her lambs she needs to consume adequate nutrients in her diet. Once a ewe reaches late gestation (pregnancy) her nutritional needs greatly increase. According to the National Research Council's "Nutrient Requirements for Small Ruminants", a 200 lb. ewe carrying a single lamb requires 1.65 lbs. of TDN (energy) during maintenance. This increases to 2.51 lbs. during late gestation

and then to 2.69 lbs. during lactation. If that ewe is carrying twins, her late gestation TDN requirement jumps to 3.13 lbs. and then 3.39 lbs. for lactation. Protein requirements for that 200 lb. ewe also increase from 0.24 lb. at maintenance to 0.41 lb. in late gestation with a single lamb and 0.53 lb. in late gestation if carrying twins. The requirement in early lactation increases to 0.59 lb. protein for a ewe nursing a single lamb and 0.78 lb. protein for a ewe nursing twins. While the actual numbers may not have much meaning unless you are balancing a ration, the importance is that nutrient density in a diet must increase as well as the amount of feed consumed.

One of the keys with providing adequate nutrition is to realize that ewes who don't receive adequate nutrients often produce lower quality and quantity colostrum. Remember that statement above about most lamb mortalities occurring shortly after birth? Well, the moral of that story is that underfed ewes often don't produce enough colostrum to feed their lambs while ewes that receive adequate nutrition often produce as much or more than their lambs need. In addition, ewes that consume adequate nutrients produce colostrum with higher immunoglobulin (antibody) concentrations.

Another important consideration for feeding ewes throughout gestation is that they should achieve a body condition score of 3 to slightly better than 3. This gives them adequate fat reserves to draw upon during lactation. Most ewes lose weight while nursing lambs, so a little extra body condition can help support those high producing ewes who are nursing twins or triplets. However, high quality protein as well as adequate levels of protein and energy must be provided in the ration to additionally support high milk production.

Overall, nutrition is an extremely important component for flock production. Nutrition not only promotes twinning, but also enables ewes to produce healthy and vigorous lambs at birth. Ewes receiving good nutrition should be able to produce a high quality and quantity of colostrum should lead to high milk production. Paying close attention to nutritional needs of the sheep flock should result in high lamb survivability, fast growth rates and high-quality lambs to sell at weaning.

For more information on balancing rations to meet the nutritional needs of your sheep flock, contact your local livestock extension educator.

A good nutrition program can lead to a high quantity of colostrum as well as milk production, this in turn helps improve lamb vigor and survivability.

ANNOUNCEMENTS

2020 NATIONAL DORSET SALE SITES AND OTHER NEW SALE INFORMATION

The 2020 National Dorset Sale for Polled & Horned Breeding Sheep will be held at the Ohio Dorset Sale in Eaton, OH at the Preble County Fairgrounds. The dates for the sale show and sale are March 20-21, 2020. Classes will be offered for fitted and slick shorn breeding sheep, Polled and Horned. Dustin Cruitt will be the judge for the event.

The annual CDC Membership Meeting and Hall of Fame induction will also be held in conjunction with the Ohio Dorset Sale. The annual membership meeting will take place Friday afternoon. It will be soon after the completion of the sale show and prior to the 3rd Annual Dave Harmann Cornhole Tournament. Dorsets are scheduled to be shown on Friday, March 20th at 10:00 AM and sold on Saturday, March 21st at 10:00 AM. The sale will have online bidding via Breeders World.

The sale headquarters are: Holiday Inn, 6000 National Road East, Richmond, IN; phone: 765/488-1975; rate \$105/night and Motel Six, 6030 National Road East, Richmond, IN; phone: 765/966/6559; rate \$49.99/night. Make sure you specify "Ohio Dorset Seep Sale". There are many other Richmond area motels available also.

This sale is under new sale management. It is being managed by Select Livestock Services. For information and sales catalog contact: www.selectls.net. Entry deadline will have passed by the time you receive this newsletter but post entries can still be made.

The 2020 Dorset Wether Sire & Dam and Dorset Advantage sale will be held this year in conjunction with the Midwest Stud Ram Sale, Missouri State Fairgrounds, Sedalia, MO, June 24-26, 2020. This sale has the largest wether type consignment sheep sale in the country so it will continue to be the Dorset National Sale for these types of Dorsets. There of course will also still be classes offered for Polled & Horned Dorset fitted & slick shorn frame breeding sheep.

This sale is managed by Heartland Livestock Services. For entry information and sales catalog contact: www.midwestramsale.com Entry deadline is April 20th for cataloged

entries.

The Midwest Stud Ram sale has announced a major change for the year following. Starting in 2021 the Midwest Sale will be moved up earlier in June and will actually be the second week following Memorial Day but will remain at the same site in Sedalia. There will now be actually 10 days between the end of the sale and the beginning of the All American Junior Show.

Another new change at the major consignment sales is that the Big Ohio Sale in May is now the Ohio Showcase Sale, has moved from Eaton, OH to Darke County Fairgrounds in Greenville, OH. Greenville is actually just about 30 miles due north of Eaton on the Ohio/Indiana Line. The sale is also under new sale management. So, check out Select Livestock Services at www.selectls.net for all the entry information. Actual sale dates for 2020 are May 7-9, 2020. The sale will have classes for all kinds of Dorsets.

EASTERN & NORTH CENTRAL DIRECTOR ELECTIONS

Just a reminder to all CDC lifetime members in the Eastern and North Central Regions that you will be receiving voting ballots in late January for your area's director. PLEASE make sure that you fill out these ballots and return to the CDC by the voting deadline. A current director from one of these regions is retiring off the board so, your input is very valued. Thank-you in advance for your attention to this very important matter.

CDC ANNOUNCES NEW DORSET MARKET LAMB INCENTIVE PROGRAM

At the recent CDC Board of Directors meeting the CDC has changed its sponsorship of major market lamb shows. In the past sponsorship of \$500 was awarded to purebred registered Dorset market lambs if they were named Overall Grand Champions at the live Junior Market Lambs Shows. The CDC has not paid out on that sponsorship in several years even though it was offered at many shows across the country. So, a

new sponsorship program has been developed.

Continental Dorset Club members of junior exhibitor status, can earn \$500 if their registered Dorset wether is named Champion of the Dorset Breed Division or the White Face Division at a major show designated by the CDC. The 2020 designated shows are as follows:

-Aksarben Stock Show

-All American Jr. Show

-Keystone International Livestock Expo

-National Western Stock Show

-North American International Livestock Expo

- The qualifying show must have a minimum of 10 head in the Dorset Breed Division or the White Face Division to be eligible for the incentive.
- Registered Dorset ewe lambs and Registered Dorset advantage lambs are not eligible for the incentive.
- AOB and AOP Division Champions are not eligible for incentives.

Complete program guidelines including breeder and exhibitor rules can be found at the CDC website at: www.dorsets.homestead.com.

The CDC would actually like to payout on these sponsorships and encourage the registration of the purebred Dorset wethers through out the country. The money from Dorset wether registrations will actually be returned back directly to the Dorset wether junior exhibitor themselves. The designated shows were selected because they are larger shows that allow entries from any junior exhibitor and is not restricted to instate entries only.

Don't forget to purchase those 2020 AAJS Raffle Tickets that will be mailed out to you when you do your first registration work of the year! Thank-you for your support!

LOOKING BACK ON A SUCCESSFUL YEAR!

YOUTH NEWS

2019 JUNIOR DORSET ASSOCIATION ANNUAL MEETING MINUTES

The meeting was called to order by President and At-Large Director Katie Muir at 8:00 PM at the KY Exposition Center on November 16, 2019. Introduction of the other board members were made: Secretary/Treasurer and Great Lakes Director Keegan Padgett, Eastern Director Olivia Waggoner, and Great Plains Allison Smith. Western Director Johanna Dejoria, New England Director Evan Syme and North Central Director Mclayn Musick were not in attendance. Katie had the junior members in attendance introduce themselves to the group. There were about 70 people in attendance. CDC Secretary Deb Hopkins was also in attendance along with CDC President Michael Pope and Vice President Rachael Gately to support the junior association.

Keegan Padgett read the minutes from the 2018 Annual Meeting. Nikki Muir moved to accept the minutes as read. Motion seconded by Megan Myerscough. Motion carried. Keegan also presented the 2018-2019 Treasurer's Report. Income was \$1,770.42 and expenses were \$4,142.37 for an ending balance of \$28,041.81. Kylie Schakel moved to accept the treasurer's report as presented. Motion seconded by Nikki Muir. Motion carried.

Announcements & Reports:

-2019 Junior Show Reports: Junior members gave reports on the 2019 All American Junior Show and the 2019 Regional Junior Shows held around the country. In 2020 the All American Junior Show will be in East Lansing, MI at the Michigan State Livestock Pavilion from July 2-5. The NJDA will plan on another social get together for the Dorset exhibitors and their families on Saturday and the show has been expanded an extra half

day. The Dorset Advantage will show on Friday, Horned Dorsets on Saturday and Polled Dorsets on Sunday.

-Dorset Futurity Program: All of the final futurity awards were announced and presented to the 2019 recipients by Deb Hopkins and Michael Pope. There was participation in 5 regions for the Polled Ewe Lamb Futurity; the Horned Ewe Lamb Futurity had 4 payouts, the Dorset Advantage had 3 payouts & the Yearling Ewe Futurity had a record 12 re-nominations. Thank you to the exhibitors for nominating their ewes and to all of the junior owners that did so well with their lambs and yearlings.

-Dorset Youth Ewe Grant Program: Katie Muir announced that the 2019 winners were Abigail Slaydon, LA; Kalena Troupe, OK; Cody Sievert, MN and Caleb Durham, OH. She reminded attendees that the application deadline for the 2020 ewe youth purchase grant was December 1st and to get them in as soon as possible.

-Scholarships: Katie Muir awarded the 2019 Tracy Repasky Dorset Scholarships to Chad Lawyer, IL; Stephen Campbell, PA; and Ashley Klampe, OR. Stephen and Ashley were unable to attend as they had school conflicts but both sent very nice acceptance letters that were read to the group. Congratulations to all of the winners!

New Business:

-Election of 2019-2020 Directors: The ballot of nominees was presented and there was one more nominee, Raevyn Odum, nominated from the floor. Ballots were handed out and voting results compiled. The elected directors are: New England: Evan Syme, CT; Eastern: Olivia Waggoner, PA; Great Lakes: Keegan Padgett, IN; North Central: Mclayn Musick, IL; Great Plains: Raevyn Odum, CO; Western: Amanda Toth, WA; and Director At Large: Kylie Schakel, IN.

-First Time Dorset Showman Brushes: For the first time Dorset showman at Louisville

2019 Tracy Repasky Dorset Scholarship Winner Chad Lawyer, Carlock, IL receiving award from NJDA President Katie Muir

CDC logo etched brushes were handed out to the attending exhibitors.

-NJDA Fundraising Online Benefit Sale: Allison Smith proposed a fundraising idea for the association in having an NJDA Online Benefit Auction where a percentage of the sale proceeds on ewe lambs would go towards the NDJA. Consignors can select the portion they would like to donate. The ewe lambs would be eligible for the futurity and the sale would be early March in to make deliveries to consignments sales in March and early April. Allison volunteered to set-up the sale and orchestrate it. Suggestion was made it could be any item also, not just a ewe lamb. The reason for the additional fundraising activity is that for the past couple of years now, the source of funds for the NJDA, which is the 1% from the National Dorset Sales has not covered the expenses of the association which now has a larger number of qualified scholarship applicants and the association has lost \$4800, and if we keep on this rate the funds will be exhausted sooner rather than later. Breanna Knittel moved to have the online benefit auction. Megan Myerscough seconded. Motion carried.

-Class Wording of Slick Shorn Divisions: Question was raised on the difference of the slick shorn divisions and confusion in entering. Deb Hopkins said the matter will be brought forth at the upcoming CDC board meeting for clarification.

The meeting was adjourned at 9:15 PM. Pizza and drinks were served immediately afterwards to the Dorset junior exhibitors and their families.

Directors Re-Organizational Meeting:

The board members elected the following slate of officers for 2019-2020: President-Olivia Waggoner, Vice President-Keegan Padgett and Secretary/Treasurer-Kiley Schakel.

Respectively submitted,

Keegan Padgett, NJDA Sec./Treas.

First time Dorset showman at NAILE. The CDC gives out a wood etched scrub brush to new junior Dorset exhibitors attending their first National Show.

NJDA ONLINE BENEFIT SALE ORGANIZED FOR MARCH 4TH

The National Junior Dorset Association is doing an additional fundraising activity this year to assist in raising funds for the association activities and scholarship program. The sale will be March 4, 2020 hosted by Show Circuit Onlines Sales at: sconlinesales.com.

A percentage of the sale will go straight to the NJDA. There is a minimum percentage but consignors can donate a higher percentage if they would like. All ewe lambs sold on this sale will be futurity nominated. Ewes, Rams, Wethers, Polled, Horned, Fitted, Slick Frame, Wether Type, Dorset Advantage, Semen Lots, all welcomed!

If you are a Dorset breeder, of any style, we would love to have you support our youth! Please call or text Allison Smith with any questions regarding the sale or if you would like to consign a lot! Allison's cell phone is 620-794-0613. For consignments please contact her by February 15, 2020. Thank you in advance for your support of this important fundraiser for the National Junior Dorset Association.

2020 DORSET YOUTH GRANT PROGRAM WINNERS ANNOUNCED

The 2020 winners of the Dorset Youth Ewe Purchase Grants are Junior Division: Harlow Cushway, IN; Intermediate Division: Braxton Young, KS and Senior Division: Megan Smith, MT

All recipients will receive \$500 towards the purchase of a registered Dorset ewe. The CDC received 35 applications from well deserving youth. The applicants range from youth just starting out with their sheep projects to those looking to improve the quality of their Dorsets or looking for another breed to get involved in. It was nice to award three grants this year to help get out funding to young Dorset breeders to assist them in getting their Dorset breeding programs established.

The program awards at least one grant to the following three age divisions: Junior 8 to 10 years of age; Intermediate 11 to 14 years of age; Seniors 1-18 years. Additional questions have been added to the application and a scoring rubric has been developed for the selection committee. Don't miss out on applying for these grants next year. Deadline is Dec. 1st. Applications are now available on the CDC website: www.dorsets.homestead.com

NATIONAL JUNIOR DORSET ASSOCIATION PRESIDENT OLIVIA WAGGONER

Happy New Year everyone! I hope this finds you all healthy and ready to jump headfirst into this new decade. Lambing is underway, and as we prepare for the coming sales, breeding, and shows, it must be said that the Dorset breed is strong and growing.

With the options of different styles to raise, we've expanded the market to include practically anyone interested in sheep. If you want the most beautiful profiling and eye-appealing sheep, a fitted, framed Dorset is the way to go, providing you or someone who excels in the art of fitting can enhance its good traits and perhaps camouflage any less desirable points. If you're interested in the framed Dorset, but the trimming isn't in your skill set or checkbook range, then a slick-shorn sheep sounds like the right fit for you. The wether style Dorsets offer the opportunity to showcase the muscle and marketability of the breed. After all, the carcass under that hide is where the value is unless you're keeping them for stud rams and ewes. Along that line is the Dorset Advantage, which has opened our breed to allow us to promote purebred Dorset genetics in the specks. There are some awfully good sheep, both rams and ewes, in all of these divisions.

The divisions are good. But they can be confusing and unclear to many outside the ring as well as inside. As a junior Dorset breeder, I, along with many other juniors, are asked repeatedly what is showing in the ring because it's "all over the place". To the observer, the slick shorn and wether classes are mixed and inconsistent. It's been overheard that market lambs belong on the other side of the wall. It may be true. The Dorset breed has come a long way in producing competitive market lambs. I'd personally LOVE to see a Dorset market lamb climb to the top! It's difficult even as a breeder to compare your framed slick Dorset in the correct class, to a heavily muscled "groundpounder" next to you, knowing full well that it's probably a better sheep. Just in the wrong division. The CDC Board has just taken action to re-name the slick shorn division at our major shows to "Slick Shorn Frame Breeding Sheep" so, it will be less confusing for exhibitors in which sheared division to enter. Hopefully this clarification will clearly more define the kind of slick shorn sheep that is being evaluated in the ring and for the exhibitor to select the correct class to enter.

Let us work together with our ideas, knowledge, and experience to find a way to continue building our breed, that fairly and successfully includes all of us and the sheep we love. Here's to a year of good shows, good sales, good friends, and GREAT sheep!

Olivia Waggoner, NJDA President

2019-2020 NJDA Board of Directors: (L to R) Great Plains Director - Raevyn Odum, CO; Secretary/Treas.- Kylie Schakel, IN; President - Olivia Waggoner, PA and Vice President - Keegan Padgett, IN.

YOUTH NEWS, cont.

2020 ALL-AMERICAN JUNIOR SHOW HEADING BACK TO A FAVORITE SHOW SITE IN MICHIGAN

The 2020 All-American Junior Sheep Show is going to be held at the Michigan State Livestock Pavilion, East Lansing, MI from July 2-5, 2020. The Michigan planning committee is working hard to make it another excellent showing experience for all of our exhibitors and their families. The show will feature classes for both Polled & Horned Dorsets and Dorset Advantage breeding sheep and market lambs. The Polled show will have fitted, slick shorn frame breeding sheep and wether sire/dam classes, the Horned show features fitted & slick shorn frame breeding sheep classes.

This will be the second year for the expanded show schedule in which major activities are done on Thursday, it worked out great in Kansas and allowed time to add the popular Leadline and Dress-A-Sheep competitions. Dorset Advantages will show on Friday afternoon, Horned Dorsets on Saturday and Polled Dorsets on Sunday morning. John Mrozinski and Neal Knapp are scheduled to evaluate the Dorset classes. The Dorset exhibitors also have a dessert social get together hosted by the NJDA on Saturday, July 4th at 11:00 AM. New show information can be found at the AAJS website: www.allamericanjuniorshow.com

If you have never attended an All-American Junior Show please make plans to attend this very special event! It is much more than just a sheep show as there are several activities for the whole family. Several activities are in the planning stages for the exhibitors and their families to enjoy including the 3-on-3 Basketball Tourney and Pizza night on Friday, and a BBQ & Corn Hole Tournament Saturday evening. The Corn Hole activity is a new addition to the show this year and will be hosted by the Michigan Planning Committee. The show of course also offers several educational activities for our exhibitors including a judging contest, skil-a-thon, individual and team showmanship classes beside the breed and market lamb classes. There will be two new breeds joining the show this year, Texels and Babydoll Southdowns. Look for more information in the premium book. Entries close May 25th.

The CDC is responsible for raising a \$3150 breed sponsorship for the

awards for our three shows. We are currently looking for a major donation from a horned and polled breeder of either a ewe lamb to be sold or monetary donation equivalent to the value of a ewe lamb.

The CDC will also be looking for individual class sponsors at the upcoming Ohio Dorset Sale in March. Cost for a class sponsorship is \$40.00. If you would like to be a class sponsor and will not be in attendance at the March sale please feel free to contact the CDC Office (401)647-4676 or cdcddorset@cox.net with your

sponsorship. We have several different class options for sponsorship. We need sponsorships for Polled, Horned and Dorset Advantage classes. Thank-you in advance for your generosity. Each year the AAJS produces a big large thank-you banner that is displayed at the show and our Dorset sponsors are listed on that banner each year, and I can say as a breed we have the largest number of names every year. The Dorset breed is unsurpassed in its support of this special show thanks to all of your support.

Oberholtzer Horned Dorsets

A Rising Horned Dorset Flock!

"Jackie O"

Oberholtzer 1811 - 2019 NAILE Grand Champion Horned Dorset Ewe. This ewe was also Supreme Champion at the New Jersey State Fair and Champion Ewe at the Keystone International. She was also a member of our First Pair of Yearling Ewes.

National Horned Dorset Show Winners!

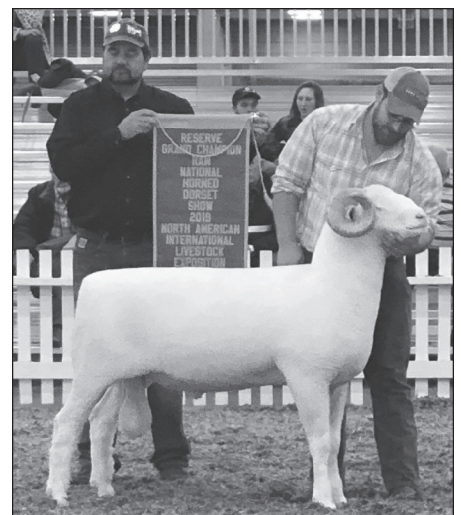

Oberholtzer 1822

A ram we sold to Paul Cassell was Reserve Grand Champion Ram and Best Headed Ram at the 2019 NAILE.

**We plan on selling some
of these genetics at the
2020 Ohio Dorset Sale.**

Best price and best milk formula!

LAMB MILK REPLACER

New - Super Lamb Milk Replacer

This is the same low lactose formula that Merrick's made. The low lactose formula reduces bloat, improves health, rumen development, and rate of gain, while giving lambs the look of a lamb raised on their mother. What's new is the manufacturing process of this milk replacer. The new equipment creates a milk replacer that mixes very well and stays in suspension.

Special pricing!

**1-9 bags = \$44/each
10+ bags = \$42/each
80+ bags = \$41/each**

PINE KNOB FARM

FEATURING OUR WINNERS FROM THE 2019 NAILE...

"Annie Oakley" - Twin Oaks 1776

Grand Champion Dorset Ewe • 1st Early Yearling Ewe
She was also Champion Ewe at the 2019 Ohio State Fair and 2-time
Champion at the Big E. Also, Best Headed Ewe at the 2019 NAILE.

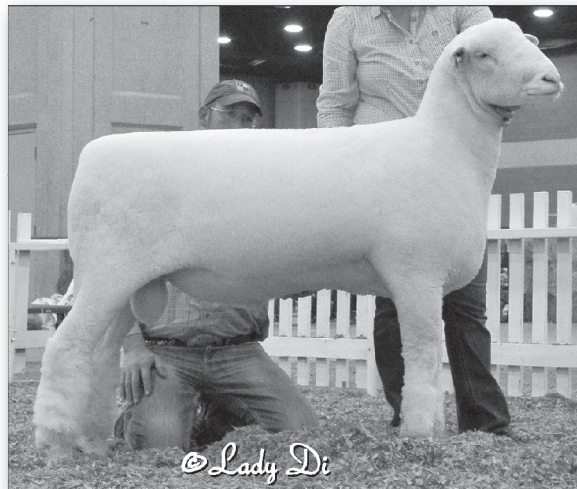

**Stop by and visit
with us at the sales!**

"Calamity Jane"

Pine Knob Farm 1917

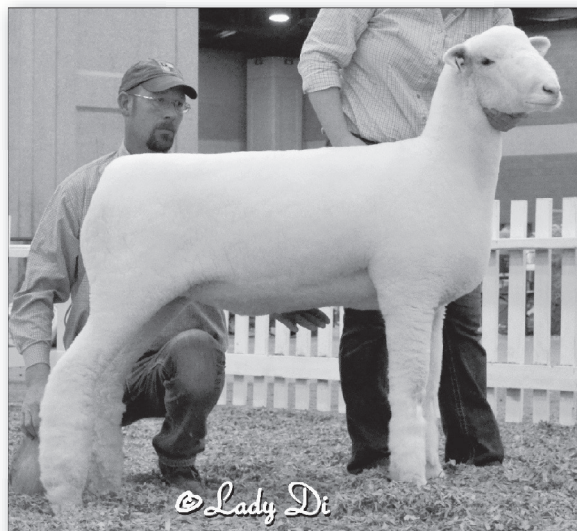

2nd Winter Ewe Lamb
She is the first lamb by
"Annie Oakley"!

**Find genetics like these at
the upcoming sale season!**

"Rooster" - Pine Knob Farm 1905

Senior Champion Ram • 1st Early Fall Ram Lamb
Now at stud for Rick Klampe of Oregon.
He was also Reserve Champion Ram at the 2019
Ohio State Fair and Champion Ram at the Big E.

The offspring by these sires will lead our consignments at the sales this spring!

"Big Smooth" Turtle Mead 1519 - High Selling Ram, 2016 Midwest Stud Ram Sale.

"Hemingway" PKF 1819 - Reserve Senior Champion Ram, 2019 Ohio Dorset Sale.

"Herman" PKF 1715 - 2018 Champion Ram Ohio State Fair and two-time Best Headed Ram at the NAILE.

"Honest Abe" Nichols Sheep Farm 1834 - Our pick of Nichols 2019 lamb crop.

"No Doubt" Twin Oaks Dorsets 1775 - Twin to "Annie Oakley" and sire of
"Loosey Goosey" - Scotch Lane Farms Grand Champion Ram at the 2019 NAILE.

"Rooster" PKF 1905 - Senior Champion Ram, NAILE 2019.
