Publication Of The Continental Dorset Club

Volume 23 Issue 65

Fall 2021

DORSET BREED CAME OUT SWINGING IN 2021 HAVING VERY SUCCESSFUL NATIONAL SALES!

The Dorset breed came out swinging in 2021 by having very successful National Sales at the National Polled & Horned Dorset Sales held in conjunction with the Ohio Dorset Sale in March, and then followed up in Sedalia with a well supported National Dorset Sire & Dam Sale and National Dorset Advantage Sale in mid-June.

We are honoring the champions that came out of these National Sales here on the cover of our Fall Online Dorset Connection Edition. Congratulations not only to these consignors and buyers but to all of the consignors and buyers that continue to support these very important in person events and sales for the breed. I don't know how to stress the importance of keeping a breed in the limelight of the purebred sheep industry by participating in these events. There is no better way to get your breeding program recognized and to promote it among potential Dorset buyers. At the same time you get to meet the folks face to face involved in the breed and to make your personal connections that will help you to propel your breeding program forward in the breed.

At the Ohio Dorset Sale, the CDC held it 2021 Annual Membership Meeting. It was very well attended and it was nice to see such support. The CDC honored two very deserving Hall of Fame Inductees in the Spilde Family and Skip Heeg. (Photos & details on page 11-12). The Ohio Dorset Association held a nice social and of course the Dave Harmann Annual Cornhole Tournament was held. It

2021 National Sale Champion Polled Ram
Nichols Sheep Farm, Jerseyville, IL
Sold to: Arndt Acres, Norwood, MN

2021 National Sale Champion Polled Ewe
Purple Ribbon Farms, Arcola, IL
Sold to: Glenn Stunkel, Jr., Tuscarora, MD

2021 National Sale Champion Horned Ram
Cassell Horned Dorsets, Wytheville, VA
Sold to: Ridge Betts, Felton, DE

2021 National Sale Champion Horned Ewe
Cassell Horned Dorsets, Wytheville, VA
Sold to: Paige & Logan Minter, Brook, IN

2021 National Sale Ch. Dorset Wether Sire
Fisher/Mayo Club Lambs, Wilder, ID
Sold to: Johnston Farms, New Plymouth, ID

Fisher Club Lambs, Wilder, ID
Sold to: Hogg Club Lambs, Faulkton, SD

2021 National Sale Champion DA Ewe
Northern Oklahoma College, Tonkawa, OK
Sold to: Fisher Club Lambs, Wilder, ID

is always great to see the Dorset breeders enjoying some down time and enjoying a friendly competition outside of the show ring. It is a true testament to the Dorset breed to have folks involved that understand the importance of building those relationships not only with their Dorset sheep endeavors but also life as a whole.

The Dorset breed enjoyed some very strong Dorset shows at the 2021 All American Junior Show held in July at the Illinois State Fairgrounds. There were record numbers in the Polled Dorset, Horned Dorset and Dorset Advantage shows. We are getting a lot of new folks involved in all sectors of the breed! It is a pleasure welcoming them to breed and encouraging their new Dorset sheep projects.

The show had 110 Polled Dorset, 18 Horned Dorset and 28 Dorset Advantage exhibitors entered for a total of 156 different kids participating in the shows!

The Louisville entries are in and we are seeing the same trend in that junior show. There is 109 Polled juniors, 24 Horned juniors and 92 Dorset Advantage exhibitors participating for a total of 223 kids. This is truly a great sign for the Dorset breed moving forward!

The Open Shows are also up in numbers this year compared to the last unimpeded NAILE show in 2019. Certainly looking forward to hosting these two National Dorset Shows that will be named in honor of past CDC Secretary Marion Meno, as we lost her in 2020.

Here's to having the Dorset breed going out in 2021 on a high note!

PURPLE RIBBON FARMS

We acquired 3 outstanding flocks in 2021 and 2022. Thistledown Dorsets (Bob Schembs), VanBair Farms (Mike & Wendy VanWagner) and Poynter Dorsets (Jeff & Jan Poynter). Each of these flocks brought amazing pedigrees to compliment our flock. Not only that, each one of these individuals were competitors in our breed and top of their game. But, more importantly we considered all of them great friends and always enjoyed our comrade. Priceless memories!! We are excited about our fall lamb crop and are looking forward to offering many animals for sale this spring.

“Bess” PRF 604 **Grand Champion Ewe • 2021 Illinois State Fair**

This “Hammer Down” daughter is super complete and very elegant in her movement.

*Congratulations to Harold Tyson & family on their Champion Ram
at the Keystone International purchased privately off the farm.*

The Poynter Flock was purchased with Stunkel Dorsets.

Dear Dorset Breeders,

Welcome to the 2021 Fall Dorset Connection Online Edition. The board made the decision to go with this type of version for the Fall Issue of the Dorset Connection. It has been very well received the last few years so please let us know what you think!

The Winter Connection will remain as a printed issue and will be mailed directly to our membership and to everyone who bought a registered Dorset last year, and it will also be utilized for promotional purposes for the Dorset breed during the spring & summer events. The Spring/Summer issue had little advertising support last year and compounded with the fact things got crazy busy in the CDC office earlier this year more than normal coming off the pandemic that this issue was not done but in the future it will be an online issue also so we can keep our communications with our membership!

Enjoy the color pictures and ads, as it costs nothing to add this feature with the online version. This newsletter will be emailed directly to all CDC members that have a current email on file with the CDC office and will also be available on the CDC Website.

Thank you for your continued support and enjoy the newsletter!

Editor, Deb Hopkins

CDC PRESIDENT'S MESSAGE RACHAEL GATELY

As I write my inaugural CDC President's Message, I cannot help but reflect on my journey with Dorsets. When I started this project in the mid 90's with one bred ewe, the thought of showing on the green shavings and becoming President of the CDC never even crossed my mind. Then again, I also never predicted I would live in a world struggling to navigate a pandemic. One encouraging conclusion I can pull from the last nearly two years is that the livestock world has persevered and there have been some positive outcomes.

We have all seen more time at home to some extent, which has most likely translated to more time in our barns and increased dedication to our sheep. Dorset registrations and transfers are up. More AI and ET work has been done than ever before. Sale management has adapted to continue marketing our product, and sale averages have increased. As live sales returned this past year, the crowds were bigger than ever...exemplifying a renewed appreciation for the camaraderie that this industry offers us all. The future is bright as long as we all remember why we do this and continue to work together!

This concept is ever so important as many of us trek to and from Louisville, KY or even watch on via the internet, social media, and through word of mouth. As Dorset breeders, we are looking forward to one of the biggest shows in recent history - both Junior and Open Shows! Many are eager to return to the national stage and demonstrate how their breeding programs have advanced over the past two years. I challenge those of you who have entered to remain committed to your entries; let's make this a great show! The biggest change you will see this year is that the Polled Dorset Shows have been completely split out into separate shows: Fitted Polled Dorsets and Slick Shorn Polled Dorsets. These shows will be shown in their entirety before moving onto the next. As we all move into the barn, let's relish in spending time with friends from near and far, and I encourage those with more experience to extend a hand to help cultivate a strong future for our breed!

Rachael Gately, CDC President

CONTINENTAL DORSET CLUB NEWS

2021 CDC ANNUAL BOARD OF DIRECTORS MEETING MINUTES

The meeting was called to order at 6:01 PM by President Michael Pope. Directors Rachael Gately, Jeremy Crouch, Linda Mastin and Glenn Stunkel were in attendance. Great Lakes Director-Elect Bob Schembs was also in attendance as well as CDC Exec. Sec./Treas. Deb Hopkins. Great Plains Director Bart Cardwell was not in attendance due to a conflict with the OYE Show in Oklahoma.

Secretary Minutes: Deb Hopkins presented in writing the minutes from the 2020 CDC Fall Zoom Meeting held December 10, 2020. Jeremy Crouch moved to accept the minutes as written. Rachael Gately seconded. Motion carried.

Treasurer's Report: Deb Hopkins presented the financial report for the fiscal 2020-2021 year to date as of March 8, 2021. Total income is \$26,653.97, total expenses are \$41,798.05, for a current net cash loss of \$15,144.10. Account balances - Checking Account: \$66,123.05; Savings Account: \$25.00; CD: \$26,389.22; Money Market: \$10,195.86; Junior Association \$30,803.43 for total cash assets of \$133,536.56. Glenn Stunkel moved to accept the treasurer's report. Linda Mastin seconded. Motion passed. Deb also stated that the CDC had a net income of \$9,386.63 the previous fiscal year and the non-profit taxes have been filed. Deb Hopkins also presented a proposed budget for 2021-2022 for the board to review as it goes through the meeting.

CDC Stats: Deb Hopkins presented the 2020-2021 statistics to date. As of February 28, 2021: 1499 head have been registered and 603 head have been transferred. The registrations are up 103 head from the same period last year and the transfers are down 177 head from the same period last year. In the Dorset Advantage registry, 131 head have been registered to date and 105 head have been transferred. The registrations are

up 61 head from the same time period last year and transfers are down 2 head from the same period as last year. Deb also stated that in the last fiscal year 2019-2020 the CDC registered 4933 head (down 305 head from the previous year) and transferred 2598 head (down 307 head from the previous year). In the Dorset Advantage registry, last year 692 head were papered (down 98 head from the previous year) and 464 head were transferred (down 60 head from the prior year). Due to COVID these numbers were definitely off due to lacks of in person sales and shows.

Correspondence: Deb read a thank you note from NDJA College Scholarship recipient Heidi Barkley thanking the associations.

COMMITTEE REPORTS:

-Dorset Futurity: Deb Hopkins reported that the futurity nominations have been doing very well on the online sales once again. To date there has been 50 polled ewe lambs nominated, 16 horned ewe lambs, 16 Dorset Advantage ewe lambs for a total of 82 ewe lambs. Yearling ewe deadline to be re-nominated has not occurred yet and will be coming up on May 1st. There has been a record of 6 breeders doing the group nomination option. Expecting a lot more nomination's coming up at the in person and online sales this spring/summer.

Deb Hopkins presented the proposed 2021 Dorset Futurity Budget with a proposed payout amount of \$4500. Linda Mastin moved to accept the futurity budget as presented. Rachael Gately seconded. Motion carried.

-Breed Standard Education: Michael Pope presented photos of properly and improperly slick shorn presentations according to the Dorset slick shearing policy. Pictures are to be posted on CDC Facebook page, put on the CDC website, presented in the CDC newsletter and presented in an educational banner to be on display at major junior shows. Jeremy Crouch moved to accept the photos and written captions. Rachael Gately seconded. Motion Carried.

Discussion on the registration

of piebalds and purebred Dorsets with color was addressed for clarification. They are not eligible for the purebred Dorset registry as the color disqualifies them but can be registered in the DA registry as they meet the minimal requirement of having one purebred registered Dorset as a parent and there are no phenotype requirements.

There were two names presented for the Dorset Certified Judges list: Brent Jennings and Skip Anderson. Rachael Gately moved to accept their names onto the certified judges list. Jeremy Crouch seconded. Motion carried.

Wether Incentive Award presentation at the All American Junior Show: it was clarified that at the AAJS the Champion Polled Dorset Market Lamb and the Champion Horned Dorset Market Lamb will have to compete against each other for the one \$500 incentive offered at that particular show. Need to make sure they are wethers as ewe lambs are not eligible for the incentive.

-Production Committee: Nothing new to report at this time.

-Dorset Youth Grant Program: The 2021 winners were selected from the 85 applications received and have been notified. They are: Junior-Selah Blum, CO; Intermediates-Kendall Driscoll, CA and Emma Whitlock, MO and Senior-Dylan Waldron, ID. The committee concluded adjust points awarded to keep from creating ties and will adjust so.

-Newsletter and Website: Deb Hopkins reported that the 2021 Winter newsletter had strong advertising support once again and the CDC netted \$580.35 on it. This special issue was sent to all buyers of Dorset sheep the previous year whether they were CDC members or not. The 2021 Spring/Summer connection advertising deadline is April 15th. The board decided it will be printed if \$2500 worth of advertising revenue comes in, if not it will be an online issue only, like the fall issue.

-Dorset Hall of Fame: The CDC has two 2021 Hall of Fame Inductees to be recognized at the Annual Membership Meeting tomorrow at the 2021 Annual

Meeting on the fairgrounds. The CDC needs new nominations for the 2022 class and the deadline for nomination will be January 2022.

-All-American Junior Show: Deb Hopkins and Jeremy Crouch reported that the 2021 All-American Junior Show will be July 1-4, 2021 at the Illinois State Fairgrounds, Springfield, IL. The Dorset exhibitors and their families will have a meet & greet dessert social on Saturday sponsored by the Junior Dorset Association. CDC already has the class sponsorships spoken for from last year's cancelled show and Deb needs to collect remaining funds. Also, Kendrick Horned Dorsets donated a horned ewe lamb that was sold last year. We still need some additional funding to cover our complete breed sponsorship. Jeremy stated that the Illinois Dorset Association will be also be sending in a donation towards the show. Thanks to everyone the CDC will be all set for the 2021 shows in Illinois. The AAJS will be in Massachusetts 2022, in Wisconsin 2023 and in Michigan 2024.

-National Junior Association: The junior association is planning on having a meet & greet dessert social at the 2021 All-American and their 2021 Annual Meeting will be in Louisville in November. The scholarship application has been updated for the 2021 applicants and is posted online. Thanks to Allison Smith, who orchestrated an online NDJA benefit auction this spring, and the numerous supporters of the sale, over \$4000 was raised once again to put into the junior association account. Deb needs to get the NJDA board together for a zoom meeting to make summer/fall plans since they did not meet in person last fall in Louisville.

OLD BUSINESS:

-2021 Great Lakes & New England Director Election Results: Rachael Gately was re-elected to serve her second three year term as the New England Director. Bob Schembs was elected to serve as the new Great Lakes Director. He is replacing retiring Great Lakes Director Michael Pope. Thanks to Michael for his service of six years to the CDC and its membership.

-2021 Sedalia Coverage: Deb Hopkins will ship banners out to Heartland Group for presentation, as they did a

great job last year. The CDC will need Facebook picture coverage and Linda Mastin and/or Rachael Gately will get done.

NEW BUSINESS:

-2021 NAILE National Dorset Shows: Deb Hopkins reported that she participated in a March zoom meeting for Louisville. We will be dedicating this years' Open Polled & Horned Dorset Shows to Marion Meno and her daughters will be on hand during the shows. Deb will get an honoree award to present to them during the show. Deb has submitted re-worked premium books sections. Louisville will run November 12-18, 2021 with the Open Dorset Show being held Monday, November 13th.

The Open Polled Fitted & Horned Dorset Show judge choices submitted were: 1st: Joel Parker, 2nd: Skip Anderson, 3rd: Richard Jacobsen and the Open Polled Slick Shorn Show judge choices were: 1st: Evan Snyder, 2nd: Brent Jennings, 3rd: Terry Burkes. Open Horned Dorset show was under 50 head for second year in 2019 so we need to get the numbers up this fall to keep the show moving forward. Junior Breeding sheep show judges will be selected by mail ballot at a later date.

-2022 CDC Director Elections: Western & Great Plains will be electing directors next winter. Nominating committees will need to be made known to the office for announcement in the 2021 fall newsletter. Great Plains Director Bart Cardwell and Western Director Linda Mastin have each served one three year term and are eligible to run for a second term.

-Regional Junior Show Sites: The regional show junior show sites for 2021 are:

*Great Lakes – Miami County Fairgrounds, Troy, OH July 10

*New England - Northeast Youth Sheep Show, W. Springfield, MA July 16-18

*North Central – Iowa Junior Dorset Show, Jasper County Fairgrounds, Colfax, IA July 30-31

*Great Plains – Pistol Pete Classic, Payne County Expo Center, Stillwater, OK July 30-31

*West – N/A – no viable fair options are operating on the West Coast

currently

*East – Keystone International Livestock Expo., Harrisburg, PA October 10

-2021 Future Annual Meeting & National Sale: After much discussion, it was decided to table this decision and have a discussion at the annual meeting tomorrow evening and decide at the reorganizational meeting.

-Board Executive Session was held to discuss Secretary's salary.

-Election of 2020-2021 Officers: Linda Mastin moved to nominate and elect Rachael Gately as President. Glenn Stunkel seconded. Motion carried. Linda Mastin moved to nominate and elect Glenn Stunkel as Vice President. Jeremy Crouch seconded. Motion carried.

-Budget: Rachael Gately moved to accept the 2021-2022 budget as adjusted during the meeting. Linda Mastin seconded. Motion carried.

-Other New Business:

Discussion was held on the CDC Junior Show Sponsorship policy. It was agreed to stick with what is in place which is to sponsor monetarily NAILE, AAJS, and the six regional junior shows, and then offer awards of Champion Dorsets to other shows that ask for the special sponsorship.

The meeting was adjourned at 8:45 PM.

*Respectively submitted,
Debra Hopkins, CDC Sec./Treas.*

2021 CDC ANNUAL MEMBERSHIP MEETING MINUTES

The meeting was called to order by President Michael Pope at 3:04 PM in conjunction with a social hour hosted by the Ohio Dorset Breeders. Thank-you to the Ohio Dorset Association for being great hosts for the 2021 Annual CDC Membership Meeting. Michael Pope introduced Eastern Director Glenn Stunkel, New England Director Rachael Gately, Western Director Linda Mastin and North Central Director Jeremy Crouch as well as Great Lakes Director Elect Bob Schembs. Michael also introduced past CDC Presidents Mike Galleher and Dick Reece.

Executive Sec/Treas. Deb

Hopkins presented the minutes from the 2019 Annual Membership Meeting that was held at the Illinois Dorset Sale in Springfield, IL on Friday, March 29, 2019. Steve Myers moved to accept the minutes as written. Burnell Oberholtzer seconded. Motion Carried.

Deb Hopkins presented the financial report for the fiscal 2020-2021 year to date as of March 8, 2021. Total income is \$26,653.97, total expenses is \$41,798.05, for a current net cash loss of \$15,144.10. Account balances - Checking Account: \$66,123.05; Savings Account: \$25.00; CD: \$26,389.22; Money Market: \$10,195.86; Junior Association \$30,803.43 for total cash assets of \$133,536.56. Cody Crouch moved to accept the treasurer report as presented. Burnell Oberholtzer seconded. Motion carried.

Deb Hopkins presented the 2020-2021 statistics to date. As of February 28, 2021: 1499 head have been registered and 603 head have been transferred. The registrations are up 103 head from the same period last year and the transfers are down 177 head from the same period last year. In the Dorset Advantage registry, 131 head have been registered to date and 105 head have been transferred. The registrations are up 61 head from the same time period last year and transfers are down 2 head from the same period as last year. Deb also stated that in the last fiscal year 2019-2020 the CDC registered 4933 head (down 305 head from the previous year) and transferred 2598 head (down 307 head from the previous year). In the Dorset Advantage registry, last year 692 head were papered (down 98 head from the previous year) and 464 head were transferred (down 60 head from the prior year). Due to COVID these numbers were definitely off due to lack of in person sales and shows. The top ten states in registrations for the fiscal year of 2019-2020 were: 1)Indiana-966 head; 2)Iowa-635; 3)Illinois-428; 4)Ohio-396; 5)Oklahoma-360; 6)Pennsylvania-288; 7)Virginia-270; 8)Nebraska-254; 9)Kansas-214 and 10)Michigan-201. The 2019-2020 top ten registrars were: 1)U.S. Meat Animal Research Center, NE (Production)-157 head; 2)Ben Machin, VT (Horned)-106;

3)Purdue University, IN(Wether)-90; 4)Peter Janicki, WA (Horned)-80; 5)TIE:Alberda Family Dorsets, MI (Production)-7888; 5)TIE:Robert VanderSchaaf, IA(Production)-78; 7)Paul R. Cassell, VA (Horned)-69; 8)TIE: Jeffrey A. Hunter, IN (Production)-65; 8)TIE:Meeuwse Farms, LLC, MI (Production)-65; and 10)Kelli & Brett Slack, IN (Wether)-56 head.

Committee Reports:

-Dorset Ewe Futurity: Rachael Gately gave the current update on number nominated and reminded juniors to get forms in a timely manner. Online sales have contributed greatly to the nomination numbers. Many lambs are being bought up by juniors for the program. Only change that has been made to the program is in breaking ties, to use the higher placing at the Regional Show to break ties in both the regional and national standings.

-Breed Standard Education/Certified Judges List: Michael Pope announced that the new names added to the certified judges list were: Skip Anderson and Brent Jennings. He encouraged breeders to submit names of judges for the certified list in their areas that do a good job evaluating Dorset sheep. Michael also announced the development of slick shearing photos to be used in education of the CDC slick shearing policy. It will be announced in the next newsletter, posted on the CDC website and a banner will be made to have at shows for educational purposes. Michael also announced the new CDC Wether Incentive program that will be awarded this year at 5 major junior shows as long as the number requirements are met.

-Production Dorset Committee: Glenn Stunkel reminded production breeders enrolled in NSIP to provide those individual NSIP numbers when registering so they can get listed on the registration papers so folks can look up their current performance numbers on the NSIP website.

-Dorset Youth Grant Program: Linda Mastin reported that they had 85 applicants and decided to award an extra grant this year to the large number of applications. The four winners selected were: Junior: Selah Blum, CO; Intermediates: Kendal

Driscoll, CA and Emma Whitlock, MO and Senior: Dylan Waldron, ID. She encouraged applications for next year that are due December 1st.

-National Junior Dorset Assoc.: NJDA President Olivia Waggoner and North Central Direct Mclayn Musick presented a report to the group that the junior association is planning on having a meet & greet dessert social at the 2021 All-American and their 2021 Annual Meeting will be in Louisville in November 13. The scholarship application has been updated for the 2021 applicants and is posted online. They also thanked everyone for the recent NJDA Online Benefit Auction for generating money for the Junior Association and thanked Allison Smith for coordinating it once again.

-Newsletter & Webpage: Deb Hopkins reported that the 2021 Winter newsletter had a slight income of just over \$500 and thanked the advertisers. The 2021 Spring/Summer issue will need to generate \$2500 in advertising support or it will be an online issue only. Deadline for advertising is April 15th. The Fall 2021 issue will be in its normal online format.

-All-American Junior Show: Deb Hopkins reported that the 2021 show is at Illinois State Fairgrounds, Springfield, IL with Judges: Rick Klampe-Horned (Saturday) and John Mrozinski-Dorset Advantage (Friday) and Polled(Sunday). She thanked the following donors Kendrick Horned Dorsets for the horned ewe lamb, and all the class sponsors that signed up last year, as their donations will be rolled over to this year. The Illinois Dorset Association will also be sending some money along for the balance of the Dorset breed show sponsorship. Thank-you! The AAJS is expecting a very large show as this will be the first time in Illinois.

-Old Business: None to report.

-New Business:

-2021 Regional Junior Show Sites:

following are the upcoming sites and dates:
*Great Lakes – Miami County Fairgrounds, Troy, OH July 10
*New England - Northeast Youth Sheep Show, W. Springfield, MA July 16-18

*North Central – Iowa Junior Dorset Show, Jasper County Fairgrounds, Colfax, IA July 30-31

*Great Plains – Pistol Pete Classic, Payne County Expo Center, Stillwater, OK July 30-31

*West – N/A – no viable fair options are operating on the West Coast currently

*East – Keystone International Livestock Expo., Harrisburg, PA October 10

-2021 NAILE National Dorset

Shows: Jeremy Crouch reported that the Fitted Open Polled Show and Horned Open Show judge choices submitted were: 1st: Joel Parker, 2nd: Skip Anderson, 3rd: Richard Jacobsen and the Open Slick Shorn Polled Show judge choices were: 1st: Evan Snyder, 2nd: Brent Jennings, 3rd: Terry Burkes. Wednesday is Open Dorset Show Day if NAILE sticks with breed rotation. Open Horned Dorset show is on probation as we have had two years under 50 head shown so we need to get that number back up. Junior Show judges will be voted on via email as several judges were nominated. Due to the change in allowing a fitted and slick shorn representative to be allowed into the Supreme drive the Polled Dorset shows in both open and junior division will be separate Fitted and Slick Shorn shows to ease confusion and make the show flow go more easily.

-National Sale Rotation: Discussion was held to get member input on the National Sale rotation for the Polled Breeding Sheep and Horned Dorsets moving forward. Several ideas and opinions were presented and the board will make the final decision in the re-organizational meeting based off on the opinions offered. It was suggested to include Winter (December/January) lambs in the March Ohio Dorset Sale.

-Announcements from Board Meeting: Michael Pope announced the following: 2020-2021 Officers: Rachael Gately President and Glenn Stunkel Vice President

-Hall of Fame Award Presentations: Deb Hopkins inducted Skip Heeg into the Dorset Hall of Fame. His sons, Kenny and Jason, and their families were on hand from Montana and Arizona to accept the award for their Dad. Michael Pope inducted the Spilde Family-Arlan, Kent & Dan Spilde into the Hall of Fame. It was

also surprise induction for Kent & Dan as they thought just their Dad, Arlan, was being inducted as they assisted in the nomination process but we felt it would be very hard to break-up such a great team and did them all at once. Congratulations to Skip Heeg and Spilde Family on being the 2021 Dorset Hall of Fame Class.

-Award Presentations: Rachael presented retiring Great Lakes Director Michael Pope with his plaque of appreciation and his President's Plaque. Thank you Michael for your great service to the CDC for the past six years. Rachael also presented Dick Reece with his retirement plaque from the North Central Directorship in which he served six years. Thank-you, Dick. Rachael presented the 2019 Downsborough Sire of the Year keeper plaque to Nichols Sheep Farm for "P.D." The actual traveling Downsborough plaque was presented to the 2020 Sire of the Year Pine Knob 1712, co-owned by Glenn Stunkel, Jr. and Thomas Vandeventer. Congratulations to everyone.

Burnell Oberholtzer moved to adjourn the meeting. Dan Spilde seconded. Meeting was adjourned at 4:10 PM.

*Respectively submitted,
Deb Hopkins, CDC Sec./Treas.*

The CDC Board of Directors meeting was reconvened at 4:10 PM. Glenn Stunkel moved to have the Polled & Horned Dorset Breeding Sheep National Sale and CDC Annual Meeting in a rotating basis three years at the Ohio March Sale and one year at the Illinois Dorset Sale. Linda Mastin seconded. Motion Carried. With that being passed the rotation will be 2022 at the Ohio March Sale, 2023 at Illinois Dorset Sale, 2024 & 2025 at the Ohio March Sale. The National Wether Sire & Dam and Dorset Advantage National Sale will remain each year at the Midwest Stud Ram Sale. Meeting was adjourned at 4:32 PM.

CDC FALL BOARD TELEPHONE MEETING

December 7, 2021

7:30 PM EST

If you have any item you would like to be addressed by the CDC Board please contact a director before this date. Your input is very important to the functionality of this breed association!

WESTERN & GREAT PLAINS NOMINATING COMMITTEES

The Western & Great Plains Regions will be electing directors next year. Following are the nominating committees for these elections:

***Western Director Nominating Committee:**

-Chairman: Rick Klampe, 89 Ankeny Hill Rd SE, Jefferson OR 97352, (503)559-9052

-Jason Heeg, P.O. Box 217, Shepherd, MT 59079, (406)855-1478

-Amanda Toth, 6574 Marchs Point Rd., Anacortes, WA 98221, (360)770-7245

***Great Plains Region Director Nominating Committee:**

-Chairman: Jerry Gross, 3750 CR 29, Kennard, NE 68034, (402)720-9198

-Lauralee Martin-Prough, 860728 S 3390 Rd., Chandler, OK 74834, (405)240-6333

-Allison Smith, 2414 Road M, Emporia, KS 66801, (620)794-0613

If you interested in running for the CDC director from either of these regions please contact a committee member as the slate needs to be in by January 1st for membership voting next year. Both of the current directors, Linda Mastin & Bart Cardwell, are eligible for a second term and may also choose to re-run.

CONTINENTAL DORSET CLUB NEWS, cont.

MEET YOUR NEW GREAT LAKES REGION DIRECTOR BOB SCHEMBS

I'm Bob Schembs, and I am privileged to be your new Director from the Great Lakes Region. I have been a Polled Dorset breeder for more than 25 years, showing under the name Thistledown Dorsets. Raising and showing livestock has been a lifelong interest. My sister and I grew up as 3rd generation Chester White breeders on a farm near Remington, Indiana, and I was active in 4-H and FFA for as long as they let me. I then headed to Purdue where I majored in Ag Econ and was a member of Alpha Gamma Rho fraternity. After that it was on to arch-rival Indiana University for a law degree, and I have practiced law in Indianapolis ever since. The opportunity to raise and show Dorsets across the country has meant a lot to me, especially as it's allowed me to get to know a wonderful group of people who are from many walks of life, but who are all dedicated to this shared common pursuit. I'm also especially proud of the high quality young people we see working hard and having fun at so many shows around the country. I'm hoping we can work to expand this group and increase the numbers of all types of Dorsets being raised and shown by these great kids. Looking forward to seeing everyone at Louisville.

2021 DORSET HALL OF FAME CLASS

ARLAN, KENT & DAN SPILDE

At about the age of 8 years old Arlan Spilde bought his first sheep which included a ewe with a ewe lamb. He showed those sheep in 4-H. That led to the purchase of his first registered sheep which at that time was Hampshires. Arlan then owned a number of other breeds before falling in love with the Dorsets. At that time, Polled Dorsets were in the beginning stages and were too expensive to acquire. So, he did what a lot of others did which was to buy Horned Dorset ewes and a Polled Dorset Ram to start breeding them Polled. He showed the Dorsets through the 1960's and into the early 1970's in Wisconsin and also some in Illinois and Minnesota.

In the Mid 1970's the flock was maintained for some years with no outside blood being introduced. Then the year before his two boys, Dan and Kent, were old enough to show in 4-H, he went to the Midwest Stud Ram Sale and purchased a Morehead fall ram to breed the ewes and began to ramp things back up. They had quite a bit of local success over the next few years and from there on Arlan and his boys were hooked. In the mid-1980's Arlan purchased a Horned Dorset Ewe that had been bred by Bob Black. She had twin ewe lambs and that was the start of the Horned Dorset flock. Going forward, both the Polled Dorset and Horned Dorset flocks were shown quite heavily throughout the Midwest. This continued all the way through the 1990's. Many champions in both the Horned and Polled were won at numerous state fairs, national shows, and national sales! In 1996 the Horned Dorset flock was sold out to the Paul Cassell Family of Virginia. Arlan and his two sons continued to have great success with the Polled Dorsets, particularly at the major sales, Wisconsin State Fair, and NAILE.

Now the next generation is getting involved as his grandchildren have been showing his Dorsets over the past 10 plus years. Arlan, Dan, and Kent currently have an annual online sale and consign to the Ohio Dorset Sale every year. The Dorsets continue to be shown at their

county fair, Wisconsin State Fair, and the national show in Louisville.

Over the years, Arlan has mentored and aided several breeders and both of his sons have continued that habit. A quick visit to the Spilde area at Louisville every November will quickly reveal the depths that they are willing to go to help other exhibitors and breeders, many of which are juniors. There are several young Dorset breeders that look up to the Spildes for their success, their willingness to mentor, and their never wavering determination to make this sheep thing a family affair! In talking with the boys, we believe it has been roughly 55 years of uninterrupted Dorset ownership for Arlan and his family and expect it will probably continue for many more years.

The Continental Dorset Club is actually also going to include Kent and Dan Spilde also in this 2021 Hall of Fame induction as a special surprise as we could not break-up the family and could not recognize Arlan without including the Spilde Brothers-Kent & Dan. Congratulations to the whole family!

JOSEPH "SKIP" HEEG

Joseph "Skip" Heeg has had a long association with the Dorset breed. From his youth showing Dorsets for some local families in the Finger Lakes Region of New York on the county fair circuit he has had a special bond with the breed. Later, as Shepherd for the University of Massachusetts (1966-1968) he exhibited Dorset at the BIG E to represent the University, though he admits that they were primarily research animals at the time. From there, he took a decade long active break from the breed.

It was in 1979 that Skip along with his family started Heeg's Dorsets in Tully, NY. The foundation of this flock was based on ewes purchased from the University of

Skip was once asked what his favorite type of sheep was. To this he replied, "The ones that turn the green!" While that statement was sure enough a reflection of his driven personality, the Dorset breed had the highest place in his heart. This was the breed that he chose and that chose him to build a family around, both of blood and friends.

There are many more very well deserving people who are eligible of this award but we need your help in getting them nominated. You don't need to be a CDC member to nominate so please get these well deserving folks nominated by getting the filled out forms to the CDC office by January 15, 2022. Thank you for your attention to this very important matter!

DORSET COMMERCIAL CONNECTION

Develop a Good Flock Health Program with Your Veterinarian

by Melanie Barkley, PSU Extension Educator

A good flock health program should begin with a discussion with your veterinarian. In addition to this discussion, it is important to remember that other animal welfare factors, beyond a health program, will impact the health of sheep in the operation. These aspects as well as others should be considered.

For example, nutrition during late pregnancy will have a direct impact on the amount and quality of the colostrum a ewe produces which in turn impacts the health and vigor of newborn lambs. Ewes should also be in average body condition (BCS of 3) to help prevent issues with pregnancy toxemia.

However, as part of the health program, producers should consult their veterinarian about a vaccination program. A ewe vaccination program stimulates the immune system in the ewe, causing her to build the necessary antibodies to provide passive immunity to her lambs through colostrum. Thus, a ewe vaccination program is the first line of protection for the newborn lamb.

Vaccinations allow sheep to build immunity to common diseases present within a flock. Producers and their local veterinarian can design a vaccination program that best protects the flock from diseases on the farm. Many producers may only vaccinate for a few diseases while others prefer to vaccinate for a larger number. At the very least, producers should vaccinate with C, D and T to prevent overeating disease and tetanus. Additional vaccines can be included if other diseases are present on the farm.

To begin developing a good vaccination program, producers should understand the different types of vaccines, proper vaccine handling and proper injection techniques.

Vaccine Types

There are two different types of vaccines available.

1. **Killed vaccines** are made from viruses or bacteria that are no longer active. This type of vaccine stimulates the animal's body to produce antibodies which prevent the animal from getting the disease if the animal is exposed. These vaccines can be given to pregnant animals because there is a low risk of the animals developing adverse reactions to this type of vaccine. This type of vaccine is stable for a longer period of time. Animals vaccinated with killed vaccines develop an immune response more slowly and to a lesser degree than animals vaccinated with modified live vaccines.

2. **Modified live** vaccines utilize a live virus. Modified live vaccines have been treated so that the disease viruses will not cause the disease but will allow the animal to produce immunity to the disease. This vaccine type must be used within a short period of time after mixing. A word of caution; modified live vaccines do have the potential to cause abortions, and associated problems, in bred females that have never been vaccinated with a modified live vaccine.

Handling Vaccines

In order for vaccines to work properly, they must be handled properly! Properly handling the vaccine from the time it is purchased until the time it is administered to the animals will ensure the best immunity. There are handling differences between the two vaccine types, so be sure to follow the label

directions.

When buying vaccines, purchase them from a reputable vendor that will deliver a high-quality vaccine. Most vaccines should be stored in a refrigerator between 35 and 45 degrees F. Heat can make the vaccines ineffective, so they should not be allowed to warm up to room temperature at any time. Also, be sure that the vaccines do not freeze. This could also make them ineffective.

If you buy vaccines that need mixed, use only the rehydrating solution packaged with the vaccine. Determine how many animals you need to vaccinate and only mix enough to vaccinate that number. Any leftover vaccine should be thrown away as it loses its effectiveness during storage. For some vaccines, this could be as quickly as one to two hours after it has been rehydrated.

If vaccinating a large number of animals, you may need to use a cooler to keep vaccines cool until the task is completed. Pre-cool the cooler and then place a cold pack inside to maintain temperature. Place the vaccine in the cooler and place the cooler in an area out of direct sunlight. Again, follow label instructions.

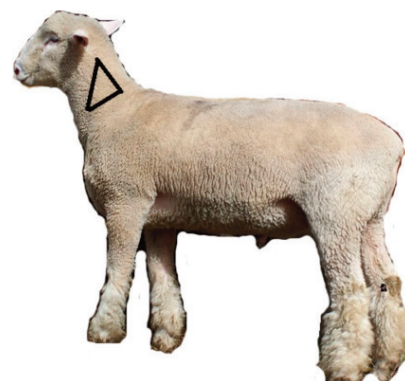

Injection Techniques

Medication labels are considered legal documents. Therefore, producers should always follow label directions for dosage and route of administration when working with medications. Most products recommend either an intramuscular (IM) injection, that places the product directly into the muscle, or a subcutaneous (SQ) injection, that places the product between the muscle and the skin. Subcutaneous injections should be preferred because it causes less damage to any muscle tissue that may be harvested for meat.

All IM injections should be given in the neck, while SQ injections may be given in either the neck or under the skin in the flank of the animal. The graphic below shows where injections should be given. Basically, the injection should be placed in front of the shoulder, above the spine that runs along the bottom of the neck and below the cartilage that runs along the top of the neck.

In addition to proper injection site, all product labels list a withdrawal period. A withdrawal period ensures that medication residues are no longer present in food products harvested from treated animals. Withdrawal periods are more typically found on antibiotic medications.

A good vaccination program helps to prevent diseases in a flock and should be part of other disease prevention measures. Always consult your veterinarian to design a flock health program that fits your individual farm situation.

The triangle on this sheep's neck indicates the area where IM or SQ injections should be given.

ANNOUNCEMENTS

2021 NAILE SCHEDULE AND EXHIBITOR INFORMATION

The Dorsets will once again be showcased at the upcoming National Dorset Shows during the North American International Livestock Exposition in Louisville, KY. Just got the entries and there has been a total of 635 head of Dorsets entered in the National Open & Junior Breeding Sheep Shows for the week.

Following is a schedule of specific Dorset events:

-Junior Breeding Sheep Showmanship:
Friday., Nov 12th, 9:00 AM, Julia "Ducky" Chute judging.

-Junior Market Lamb Showmanship:
Friday, Nov. 12th, approx.. 9:00 AM, Corey Taylor judging.

-Lead Classes: Friday, Nov. 12th, 5:00 PM

-National Junior Dorset Shows:
Saturday, Nov. 13th, 8:00 AM, following Montadales, Polled Dorsets, Horned Dorsets, & Dorset Advantage, Ring Two, Jeff Held judging.

-Junior Show Dorset Market Lamb Show: Saturday, Nov, 12th 8:00 AM, Brad Dale judging.

-National Junior Dorset Association Annual Meeting & Pizza Party:
Saturday, Nov. 13th, 7:00 PM, Meeting Room C105. Futurity results announced.

-National Open Dorset Shows:
Monday, Nov. 15th, 8:00 AM, Polleds first followed by Horneds. D. Joel Parker will be judging the Fitted Polled Dorsets & Horned Dorsets, and Evan Snyder will be judging the Slick Shorn Polled Dorsets.

Don't forget that in the Junior Dorset Shows: Breeding Sheep Showmanship will be Friday at 9:00 AM. You need to pre-enter the showmanship show. The cost is \$10.00 and it needs to be entered before you arrive at the show, no post entries allowed. The entry fees will be put into jackpot premiums and awards. The classes will be divided by age and all breeds will show together. Please make sure you review the special rules in the Dorset section of the premium book for both the open and junior shows as they will be adhered to.

The Polled Dorset shows have been re-worked into Fitted and Slick Shorn Divisions, for both the Junior and Open Shows. Ram & Ewe Champions from each division will be allowed into the Supreme Champion drives, as long minimum number requirements are met. This new

2021 SUPREME CHAMPION BREEDING EWE MIDWEST STUD RAM SALE

Cassell Horned Dorsets, Wytheville won this honor on their Champion Horned Dorset Ewe. This fall ewe lamb sold for a new breed record of \$4250 to Betts Sheep Farm, Felton, DE. **Congratulations to all!**

format has been welcomed favorably by the exhibitors as record numbers have been entered into the Dorset Slick Shorn division. The Junior Show also has a Dorset Advantage show and is in the junior show only. 109 head of Dorset Advantages will be featured this year in the show.

The CDC slick shearing policy will be adhered to as it appears in the premium book. "Slick Shorn presented sheep are to carry a uniform length of wool growth that was shorn 7 days prior to show, with the ONLY exception being on the poll, front legs below the knees and rear legs below the hocks." There is to be no additional belly or flank wool left on the animals. The CDC has made up a new educational banner that will be on display for your reference and we will also be having an educator/inspector on hand during the shows to get folks familiar with the policy. Your animals will need to meet the CDC slick shearing policy in order to enter the showing.

Saturday evening, after the Junior Dorset Shows the National Junior Dorset Association Annual Meeting & Pizza Party get together for the Juniors will be at 7:00 PM in Room C105. This is a great event as the futurity and scholarship awards are presented, first year Dorset showmen show momentos are hand out and the NDJA annual meeting and elections are held. It is our one opportunity to gather all the Dorset juniors and their families together to recognize our junior Dorset breeders and get to know each other so please make plans to attend, nevermind the free pizza and drinks.

For open show exhibitors: In addition to sending in your entries and entry fees to the NAILE when entering the show, please don't forget to send in the matching \$15.00 per individual entry in the Open Polled and Horned Dorset shows directly to the CDC Office. This enables the CDC to provide matching funds and to guarantee at least \$10.00 per individual entry in premiums. **These matching funds need to be sent to the CDC office ASAP if you haven't done so yet.** Please note that junior show sheep do not have to send in matching funds unless they are staying on to be shown in the open shows.

For those of you unable to attend the shows in person, all shows can be viewed live streamed by going to the North American International Livestock Show website.

This year the 2021 National Open Polled and National Open Horned Dorset Shows will be named in honor of Marion Meno. Marion was the CDC Executive Secretary/Treasurer for many years and unfortunately we lost her in the Spring of 2020. It is an honor to recognize Marion's service and dedication to the Dorset breed by having the shows this year named after her. Her family will be on hand for a special presentation during the Open Dorset Shows.

Looking forward to seeing every one in Louisville this year. It has been a great year for the Dorset breed coming off of the COVID restricted year in 2020. It will be great to see everyone once again and to seeing another great set Dorsets at the National Dorset Shows!

2022 NATIONAL DORSET SALE SITES

The 2022 National Dorset Sale for Polled & Horned Breeding Sheep will be held at the Ohio Dorset Sale in Greenville, OH at the Darke County Fairgrounds. The dates for the sale show and sale are March 18-19, 2022. Classes will be offered for fitted and slick shorn sheep, Polled and Horned.

The annual CDC Membership Meeting and Hall of Fame induction will also be held in conjunction with the Ohio Dorset Sale. The annual membership meeting will take place Friday afternoon following. It will be soon after the completion of the sale show and prior to the 4th Annual Dave Harmann Cornhole Tournament.

This sale is being managed by Select Livestock Services. For sale information go to: www.selectls.net. All the entry information will be posted on their website in January.

The 2022 Dorset Wether Sire & Dam and Dorset Advantage sale will be held this year in conjunction with the Midwest Stud Ram Sale, Missouri State Fairgrounds, Sedalia, MO, June 15-17, 2022. This sale has the largest wether type consignment sheep sale in the country so it will continue to be the Dorset National Sale for these types of Dorsets. There of course will also still be classes offered for Polled & Horned Dorset fitted & slick shorn breeding sheep.

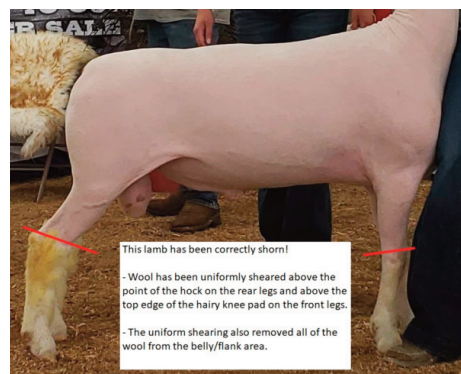

This sale is managed by Heartland Livestock Services. For entry and sale information go to: www.midwestramsale.com. Entry deadline is April 20th, 2022 for cataloged entries. This information will be posted on their website early next year.

CDC PRODUCES EDUCATIONAL PHOTOS & SIGNAGE FOR THE SLICK SHEARING POLICY

The CDC has produced an educational banner sign to help educate our exhibitors on the CDC slick shearing policy. This sign was first used at the All American, along

with educators/inspectors to communicate with the junior exhibitors and it proved very helpful. We have a lot of new exhibitors coming into the breed from other breeds where they have no policy, so education is the key to get everyone on board with the CDC Slick Shearing policy.

Following is a picture of the new banner along with the actual photos and verbiage used on the sign to explain the policy:

The area where most of the issues arise is the wool left on the belly behind the navel to the rear flank. I know folks do this to make the sheep appear to have more volume and body depth but leaving wool in this area is not allowed on slick shorn sheep. Another trouble spot is wool left on legs above knees and hocks, trying to make the animal appear to have more bone, again not allowed on slick shorn animals. If you want to leave wool on your animals we do offer fitted classes but the frame animal that is totally fitted is probably not where you want your slick shorn Dorset to be judged.

OBITUARIES

Unfortunately we have lost many members of our Dorset family this past year. Our sincerest thoughts and prayers to these families on their losses, and we will remember them all for their contributions to the Dorset breed.

LOREN HASS

Loren Hass, 77, of Delmar, Iowa, passed away peacefully, Saturday, January 23, 2021, in the comfort of his home, surrounded by his loving family.

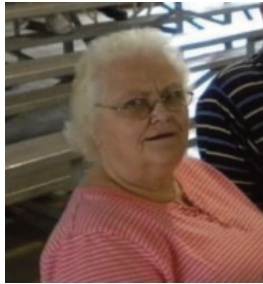

Loren Lee Hass was born January 24, 1943, to Raymond and Dorothy (Petersen) Hass on the family farm in Delmar. He graduated from Welton High School in 1961, and later the University of Northern Iowa with a degree in education. Loren married Myrna Ploog on September 1, 1963, at Grace Lutheran Church in DeWitt. He taught history and coached basketball at Olin High School. He then took over the family farm. While farming, he taught at Scott Community College, and was also the head librarian at the public library in DeWitt for several years. He enjoyed showing purebred Dorset sheep at the state and local fairs.

He is survived by his wife, Myrna; children, Rochele Hass of Manteno, Illinois, and Michael (Amie) Hass of Central City; grandchildren, Benjamin, Andrew, and Daniel d'Autremont, and Ellie and Emilie Hass; siblings, Rosalyn Mommsen and Myron Hass; nieces and nephews.

He was preceded in death by his parents; an infant daughter, Michele; a sister, Geraldine (Don) Kinrade; in-laws, Glenn Mommsen, and Nancy Hass.

A memorial visitation was held from Saturday, January 30, 2021, at Grace Lutheran Church, DeWitt. The Rev. Eric Obermann officiated. Memorials are suggested to Grace Lutheran Church.

KATHIE HARMANN

Kathleen "Kathie" H. Harmann, 78, of Saint Paris passed away peacefully in her home surrounded by family on April 4th, 2021.

She was born in Milwaukee, Wisconsin on April 27, 1942, the daughter of the late Russell and Helen (Winski) Bell.

She was married to the love of her life for 59 years, David "Dave" Harmann. They married October 27th, 1962 in Mukwonago, WI. She was preceded in death by her son, Robert "Bobby" Harmann; brother-in-law, Daniel "Butch" Harmann; sister-in-law, Wendy (Bruss) Bell, and mother and father in laws, Clarence and Dorothy Harmann.

She is survived by two children: Wendy K. (Christopher) Lacadie of Watertown and Holly A. (Ron) Waldron of Saint Paris, grandchildren: Marisa (Mike) Hinckley, Michele (Jason) Lane, Daniel Nemec, Michael Harmann, Kaylynn Harmann, Megan (Kyle) Wilkins, and Jessica Waldron; great-grandchildren: Mason, Aiden, Ava, Jackson, Olivia, Hannah, and Ella; brother, Russell "Russ" Bell; sister in law, Sally Krestik and several nieces and nephews. She is also survived by special loved ones Nancy Briggs, Joy Harmann, and Rick Nemec.

Kathie spent her years alongside her husband Dave being the best "Shepherdess" and supporter of her time. They started out in Mukwonago, WI in 1963, they moved to Woodbury, CT where Dave worked for Van Vleck Farms, in 1990 Green Mountain Dorsets took them to Charlotte, VT, in 1997 Mithoefer Dorsets in Lafayette, IN, and in 2001 ended their moving journey to Ohio where Dave worked for Riverwood Farms until retirement. Kathie wore the title of "mom" with many that she influenced with her life. She enjoyed attending sheep shows

and sales with Dave and talking with everyone, going to the casino with Dave and good friends Steve and Edie Rupe, reading, crossword puzzles, solitaire, sewing, but she really loved spending time with her grandchildren and great grandchildren. She was famous for cooking for anyone and everyone, especially at farm events.

In lieu of flowers, the family asks that memorial contributions be made to the All American Junior Show for the Polled Dorsets or the Continental Dorset Club % Deb Hopkins P.O. Box 506 North Scituate, RI 02857.

Atkins-Shively Funeral Home is serving the family. Condolences to the family may be sent to www.shively-funeralhomes.com.

DICK MATLACK

Richard Y. "Dick" Matlack, age 86, of Mount Gilead, passed away unexpectedly, Tuesday afternoon, June 22, 2021, at Avita Hospital in Galion, following a brief illness.

He was born in Bellefontaine, OH, on February 11, 1935, to the late Frank and Elnora (Yelton) Matlack. Dick graduated from Iberia High School with the class of 1953.

For many years, Dick was dedicated to maintaining the wells for the Fishburn family. He began working for them in the 80's and officially retired just a short while ago. Throughout his life, Dick enjoyed farming and owned Pine View Farms. He was passionate about his sheep and to know Dick was to know that's about all he really liked to talk about.

A longtime member of the Ohio Dorset Association, Dick was well known in the sheep community. He enjoyed showing at many of the local fairs. Dick enjoyed showing sheep at the state and national level as well. His friendships made in the show ring and barns across the nation were truly what Dick loved most about raising sheep.

While often quiet around new people, Dick was outgoing to those he knew well. Multiple times a day he would visit with Jeff and Meg at the Outback Store while enjoying a Mountain Dew. He also made sure to send Valentine's and Mother's Day gifts to "his girls" Vicky and Kay Cee each year. Dick was fun and loving. He loved nothing more than to tease his family and friends and that's how you knew he truly cared about you. He will be dearly missed by those who got to know the real Dick Matlack.

Left to cherish his memory includes his children: Vicky K. Smith of Edison and Rick Matlack of Lexington; grandchildren: Marcy Smith and Kay Cee Anderson; and a great grandchild, Avery Kay Anderson. He was preceded in death by his parents: Frank and Elnora.

His family greeted on Monday, June 28, 2021, at the Pines Christian Church. (6775 U.S. Highway 42. Mt. Gilead, Ohio 43338) A service to celebrate his life followed with Pastor Ray Linn officiating.

If desired, memorial contributions may be made in Dick's memory to the Ohio Dorset Association.

Snyder Funeral Homes of Mount Gilead are honored to have been chosen to serve Dick's family and your condolences may be expressed to them by visiting www.SnyderFuneralHomes.com.

MARK BELL

Mark Bell, age 66, of Casstown, OH passed away peacefully surrounded by his family at 1:36 PM on Tuesday, October 19, 2021. He was born on May 18, 1955 in Piqua, OH to the late Robert C. and Patricia Markley Bell.

Those left to cherish Mark's memory include his loving wife of 47 years, Debi Bell; two daughters, Julie (Scott) Paulus and Krista (Dave) Stid-

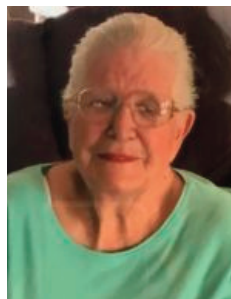

ham; four grandchildren, Kodi (Hannah) Paulus, Kamron Paulus, Kayla Stidham, and Kyra Gilbert; two great granddaughters, Hadley Paulus and Kenli Paulus; and brother, Ron (Pam) Bell.

He loved spending time with all his children, grandchildren, and great grandchildren. He also loved his sheep and all of his sheep friends. He loved talking to people and made friends with everybody. He enjoyed going to Miami East Basketball games, taking golf cart rides with his beloved fur babies, Jewels and Penny, and Sunday pizza with his family. He enjoyed running his family farm and being self-employed as a life and health insurance agent for 29 years. Prior to that, he worked several years at Dinner Bell Foods in Troy. He was our rock; we were so blessed to have had him in our lives and he will be missed immensely.

A funeral service was held on Saturday, October 23, 2021 at Fisher-Cheney Funeral Home, Troy with Pastor Tina Fox officiating. A visitation will was on Friday, October 22, 2021 at the funeral home. Interment will follow the funeral service at Casstown Cemetery in Casstown, OH. Memorial contributions may be made to the Miami East varsity basketball team; Miami East Athletic Department Attn: Scott Donaldson, 3825 St. Rt. 587, Casstown, OH 45312.

Arrangements entrusted to Fisher-Cheney Funeral Home, Troy. Condolences may be left for the family at www.fisher-cheneyfuneralhome.com

JUDY MOREHEAD

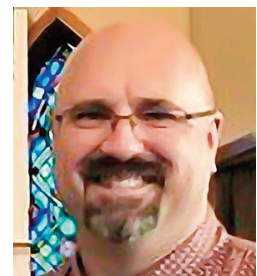

Judy A. Morehead, 85, of Cherry Valley, IL passed away, October 19, 2021 at home surrounded by her loving family. Judy was born September 22, 1936 the daughter of Clarence and Viola Yerk. Judy married

the love of her life, Donald Morehead, on January 31, 1957 in Belvidere, IL. Judy faithfully worked on the homestead and raised her three wonderful children. In her spare time, she enjoyed going to sheep shows, watching baseball and softball games, gardening, baking, puzzles, draft horses and watching the Chicago Cubs. Most importantly, Judy loved spending time with her sisters, grandchildren, great-grandchildren and family. She will be missed by all.

Judy is loved and missed by her children, Tim Morehead, Diane Lee, Donna (John) Cordray; grandchildren, Stephanie Lee, Brandy (Jason) Catalani, Stacey (Bryce) Trevino, Andrew (Stephanie) Cordray; great-grandchildren, Emma, Ian, and Jace Cordray, Logan Catalani, Cadence and Casen Trevino as well as her sisters, and numerous nieces and nephews. She is preceded in death by her husband, Donnie; parents; brother, Joe Yerk and sister, Lois Hintz.

The graveside service for Judy was held Saturday, October 30, 2021 at Flora Cemetery. Memorials to the family to establish later. To light a candle or share a memory visit www.AndersonFCS.com

DARIN KEOPKE

Services for Darin L. Koepke, 53, Hadar, were held Wednesday, Oct. 27, at St. John's Lutheran Church in rural Pierce. The Rev. Jacob Tuma will officiate with burial in Zion East Lutheran Cemetery in rural Hoskins.

Darin, a mentor to many and a friend to all, passed away Oct. 21, 2021, at BryanWest MedicalCenter in Lincoln, surrounded by his "three girls," his loving spouse and two beautiful daughters.

Born on Feb. 3, 1968, in Norfolk to Larry and Diane (Koehler) Koepke, he was a farmer and sheep herder from beginning to the end.

Darin was baptized on Feb. 25, 1968, and confirmed May 30, 1982, at Zion East Lutheran Church in Hoskins. He was a graduate of Pierce High School, class of 1986. He then attended Northeast Community College and graduated in 1988, where he was later inducted into the N.E.C.C. Hall of Success for his devotion to agriculture.

He celebrated 33 years of marriage with his high school sweetheart, Kelli Winder. They were married July 23, 1988. His world was magnified with the birth of his two daughters, Kayla and Krystina, and later his four, soon-to-be five, grandchildren.

Darin actively served in his local church, St. John's Lutheran Church in Pierce. He was an elder and was instrumental on many committees, shepherding young men and starting the first local live nativity scene at the church.

Agriculture was Darin's livelihood. He eventually landed his dream job at Agrex Inc., where he has worked for the past 22 years. He loved the industry and building genuine relationships with every person he came in contact with. He was wise beyond his education and many people of all ages sought his advice and benefitted from his counsel. He will be missed by many.

Outside of his career, Darin loved his family; he adored his spouse more than anything else. Darin was a faithful father and avid sports fan as he traveled the country never missing his daughters' college track meets or volleyball games. He still believed he could outrun and out jump them. He

loved Casey's pizza date night with his spouse and sneaking any sugared beverage to his grandchildren.

He faithfully passed on his love for John Deere tractors to his grandsons. He will be remembered for his wildly entertaining stories, relentless competitive spirit, his unfailing work ethic, his generous smile, his big bear hugs, his willingness to come at any time to help a neighbor in need, and his devotion to do the right thing to the extent of the sacrifice of himself.

His memory will be cherished and kept alive by his spouse, Kelli Koepke of Hadar; daughter Kayla (Shea) Scalise of Omaha and daughter Krystina (Maddie) Koepke of Lincoln; grandchildren Naomi, Celeste, Uriah and Malachi Scalise; father Larry Koepke of Hoskins; a brother, Dennis (Jennifer) Koepke of Pierce; sister Dawn (Brett) Schroeder of West Point; in-laws and numerous extended family members.

He joyfully reunited with his mother, Diane Koepke; grandparents Lester (Irene) Koepke, Gilbert (Esther) Koehler; and two cousins, Austin and Billy Joe; and a brother-in-law, Alan Winder.

Darin will forever be remembered as a hero. John 15:13 — "Greater love has no one than this, that he lay down his life for his brothers."

In lieu of flowers, the family asks that memorials be made to the family for a later designation. Condolences may be expressed to the family online at www.stonacekfuneralchapel.com.

ROY HAYES

LeRoy "Roy" D. Hayes of Forrester, IL passed away May 8, 2021 at Serenity Hospice and Home in Oregon, IL, due to congestive heart failure.

Roy was a 1955 Polo graduate. He served in the Army and returned home to farm with his parents Kenneth and Ruth (Meister) Hayes. In 1970, he became site superintendent at Lowden State Park, retiring in 2002. He married Marian L. Weegens on July 22, 1961, in Forrester.

Over the past 60 years, they raised three daughters and a flock of nationally recognized Dorset sheep. Roy enjoyed traveling and local live music events.

He is survived by his wife, Marian; daughters Tamara (Wes) Martin of Oregon, IL, Melissa (Ron) Hayes-Brechon of Cave City, AR, and Heidi (Jim) Lauber of Heath, TX; five grandchildren; five great-grandchildren, and a sister, Sheryl (Randall) Lunz.

A private family service was held, with burial at White Oak Cemetery. The family wishes to express their deepest gratitude to the staff at Serenity Hospice and Home for the wonderful care they gave Roy!

Memorials may be made to Serenity Hospice and Home at 1658 S. IL Rt. 2, Oregon, IL 61061.

YOUTH NEWS

2021 ILLINOIS ALL AMERICAN JUNIOR SHOW

The 2021 All American Junior Show was held at the Illinois State Fairgrounds, Springfield, IL from July 1-4, 2021. This was the show's first trip to Illinois and it was our largest show to date! There were 692 exhibitors attending from 30 states showing 3,064 head of sheep. The show has gone to a 4-day schedule that helped tremendously in getting all the activities done in a good time frame. The Illinois hosts led by Melanie & Darrell Hall did an exceptional job of hosting and fundraising for the show and a special THANK-YOU goes out to them all!

The Polled, Horned and Dorset Advantage divisions showed on three different days by two different judges. The breed had excellent participation and had several exhibitors showing for their first time in an All American. The Dorset show had 245 head of Polled Dorsets shown, 51 head of Horned Dorsets and 89 head of Dorset Advantage. Congratulations to Olivia Waggoner, PA; Campbell Reese, OH, IN; and Jessica Lindow, WI for being named the top guns for the Polled, Horned and Dorset Advantage shows respectively. All the show results and photos can be found later on in this newsletter.

The National Junior Dorset Association had their Summer Ice Cream Social Meet & Greet on Saturday for all the Dorset families. There were several new exhibitors to the All American this year and it was great to get to meet everyone. Thank-you to the Dorset families and the National Junior Officers that helped out with the event, especially NDJA Director Raevyn Odum. The NJDA handed out several first time Dorset Showman mementos to the Dorset exhibitors at this year's All American and they all did a great job!

The Dorset juniors represented very well in the events held during the weekend. Following are some highlights of their accomplishments:

- Linsey Eddy, OH:** AAJS Scholarship Winner, Senior T-Shirt Winner
- Lynnly Krieger, IN:** 1st Individual Showmanship Winner
- Auggie Thorndyke, IL:** 1st Individual Showmanship Winner
- Cole Thomas, IN:** 1st Individual Showmanship Winner
- Madalyn Crouch, IN:** 1st Individual Showmanship Winner & 1st Team Showmanship Winner

2021 All-American Junior Show

692 exhibitors representing 30 states with 3,064 head of sheep exhibited from 27 breeds
Illinois State Fairgrounds - Springfield, Illinois

- Sage Christian, OK:** 1st Individual Showmanship Winner
- Seth Ariens, IN:** 1st Individual Showmanship Winner, 1st Senior Judging Contest Winner
- Cameron Lake, OH:** 1st Team Showmanship
- Payton Harker, MO:** 1st Team Showmanship Winner
- Luke Patterson, WI:** 2nd Intermediate Skil-A-Thon Winner
- Olivia Waggoner, PA:** Senior Photo Winner
- Tatum Goetz, MN:** Junior T-Shirt Winner
- Dallas Bergman, IN:** Polled Dorset Wool Show Champion Fleece Winner

A big thank-you goes to all the Dorset breeders that donated to support the show, whether it was a ewe lamb: Kendrick Horned Dorsets; large financial donation: Illinois Dorset Association; class sponsorships, special individual donations or by purchasing raffle tickets. The Dorset breed actually supports three shows and with out the breeder support it would not be possible. Thanks to all of you the Dorset breed easily matched their breed sponsorship level once again.

Plans are underway for the 2022 All American Junior Show. It will be held at the Eastern States Exposition Fairgrounds, West Springfield, MA from June 30-July 3, 2021. Nancy Miniter and the rest of the New England folks are already organizing next year's show to make it another special All American. The special highlight of the New England Show is that the three-on-three basketball tourney will actually be held at the Naismith National Basketball Hall of Fame. Also, the fact you can really make a summer vacation out of the trip and enjoy participating in another major junior show, the Northeast Sheep Show, the following weekend.

2021 NATIONAL JUNIOR DORSET ASSOCIATION ANNUAL MEETING IN LOUISVILLE

The National Junior Dorset Breeders Association will hold its annual meeting in Louisville on Saturday night, November 13, 2021 at 7:00 PM in the Kentucky Exposition Center South Wing, meeting room C105.

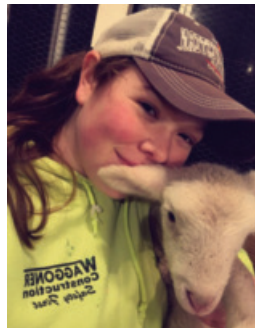

The meeting will feature an election of next years directors, presentation of the 2021 scholarship awards, ***presentation of the regional & final 2021 futurity awards from the show***, awarding of the First Time Dorset Showman brushes and a pizza party for all the Junior Dorset members and their families.

Make plans now to attend the National Dorset Junior Association Annual Meeting and pizza party. Come and meet all your fellow Dorset exhibitors!

2021 NDJA TRACY REPASKY SCHOLARSHIP WINNER

Loyal "L.R." Burns of Lebanon, OR has been selected as the 2021 NJDA Tracy Repasky Scholarship recipient. L.R. is currently attending Oregon State University majoring in Ag Business. He started his college career at Linn Benton Junior College where he earned his associates in Ag Business Management as a honors student and also was a member of their livestock

NATIONAL JUNIOR DORSET ASSOCIATION PRESIDENT OLIVA WAGGONER

Happy Fall Y'all!

October brought KILE, and KILE brought my last year as a junior for that show. I can't believe that I've been raising and showing Dorsets for fifteen years now. I've seen changes in the breed in my relatively short time, so I know that those who have been involved much longer have seen even more. The Dorset show was small at KILE this year, as was several other breed shows. Exhibitors presented fitted frame sheep, slick frames, as well as wether type sheep, and though the numbers were small, there was definitely quality represented in each of the types shown. Tracey Dendinger judged the open show, and Matt Scramlin was the junior show judge. They both did a fine job of sorting the classes.

Sadly, KILE wasn't the same this year, as whole rows of usually present exhibitors were missing. We look forward to visiting with these folks every year, and it wasn't the same without them. Traveling is getting more costly all the time, but there are good numbers of both exhibitors and sheep going to NAILE this year! This is true testament of our breeders to show and promote their favorite breed of sheep. The real work is done at home in the barn, and the results are right before our eyes every day. A placing is one judge's opinion on one day; we may agree or disagree with that decision, but at the end of the day, we obviously love what we raise or we wouldn't be doing it.

Good luck to all of those traveling to Louisville - be safe, stay well, and have fun! I also, want to encourage all juniors in attendance to come to the NJDA Annual Meeting & Social on Saturday evening after the show at 7:00 PM. We will be having our annual meeting and elections, while also recognizing and presenting several awards. The green shavings await.....

Olivia Waggoner, NJDA President

judging team. He transferred to Oregon State and plans on graduating with his Bachelors in Ag Business Management in June 2023.

L.R. was very active in the 4-H program with his sheep and is giving back by serving as the 4-H sheep show supt at his county fair and sitting on the Oregon 4-H Livestock Advisory Committee. L.R. credits his experience in the 4-H program with developing of his leadership, public speaking and organizational skills, which he carries forward into his future career plans.

L.R. shows his small flock of Dorsets and DA's at local and national shows and plans on building his flock and becoming more involved with the breed.

L.R. plans on going into the Ag equipment industry and plans on doing an internship with an ag implement dealer this summer. He wants to start in sales and work his way up into management as he becomes more familiar with the business. Good luck to L.R in his future endeavors and congratulations on receiving this special award this year.

THANK-YOU TO SUPPORTERS OF NJDA ONLINE BENEFIT SALE

The National Junior Dorset Association Benefit Online Auction held March 8, 2021 brought in \$4819 for the junior association!

Thank you to sale organizer Allison Smith and sale host Show Circuit Online Sales. We would also like to thank the following lot consignors and/or winning bidders: GT Dorsets, Hill Show Lambs, Obsession Show Stock, Sidwell Show Sheep, Silver Smith Genetics, Wilfong Dorsets, Pope Dorsets, Star Dust Sheep Farm, Fisher Club Lambs, Hild Club Lambs, Knittel Livestock, Northern Oklahoma College, Johnston Club Lambs, Nichols Sheep Farm, Mayo Club Lambs, Vanderlinden Livestock, Matt Niemann, Jody Kabat, Steva Robinson Show Stock, Lauralee Prough, Keith Underwood, Brock Dryden, Rex Cole, Michael Myerscough, Matt Casarotti, Kim Stahel, Nichole Scott, Dan Durheim, Jason Heeg, Kirschten Sheep Farm, Scotch Lane Farm, and Bradyn Lachenmeier.

A total of 229 bids were received on the 19 lots so THANK-YOU to all of the bidders for your support of the consignments and the National Junior Dorset Association!

CDC & NDJA DORSET EWE YOUTH PURCHASE GRANT PROGRAM

The National Junior Dorset Association and the CDC introduced a grant program for youth to use towards the purchase of a Dorset ewe and it has been very successful for the past eight years, as a record number 85 applications were received last year! The associations' awarded four \$500 grants last year due to the number of applicants.

The 2021 winners of the Dorset Youth Ewe Purchase Grants are Junior Division: Selah Blum, CO (*bought a Polled ewe lamb from Sidwell Show Sheep, CO*); Intermediate Division Grp A: Kendall Driscoll, CA (*bought a Polled ewe lamb from Kristy Mickelson-Camozzi, CA*), Intermediate Division Grp B: Emma Whitlock, MO and Senior Division: Dylan Waldron, ID (*bought a Polled ewe lamb from Johnston Club Lambs, ID*).

A very simple one page application form is available on the CDC website

right on the home page or you may contact the CDC office to forward you a copy. If you have applied previously but haven't yet been selected please do so again. This is a great way to obtain funding towards the purchase of a Dorset breeding female. The grants can be used to make a private on-farm sale, an online sale purchase or in-person consignment sale buy. Please get an application in today or get to an interested youth today! **The application deadline is Dec.1st, 2021. Forms available at: www.dorsets.homestead.com**

2021 DORSET FUTURITY UPDATE

The 2021 Dorset Futurity Program has bounced back well after the COVID year except for the Yearling Ewe division, which is understandable following the lower participation in 2020 with ewe

lambs. The Polled & Horned Dorset ewe lamb divisions are being very well participated in.

The breeders supported the program this spring by nominating 145 polled ewe lambs, 20 dorset advantage ewe lambs, 43 horned dorset ewe lambs and the juniors re-nominated 2 yearling ewes. So please, keep sending in those point records forms on shows you are attending. Deadline to get those point record forms into the CDC office will be Monday, November 8th. There are a record number of 8 Horned Ewe Lambs competing in that division while the Polled Ewe Lamb division has lambs from all 6 regions competing for premiums.

The Futurity Awards will be presented in person this year at the NJDA Annual Meeting held in Louisville on Saturday evening. We will be recognizing all the regional and national winners at that time.

Thank-you to all of the 2021 Dorset Show Sponsors!

REMINDER to all Dorset Breeders: Ewe lambs can be nominated at consignment & production sales, and online sales. Polled breeding sheep, horned breeding sheep, wether dam lambs and “Dorset Advantage” ewe lambs all can be nominated! Also, the junior buyers can re-nominate their ewe lamb purchase the following year for the Yearling Ewe Futurity.

THANK YOU FOR YOUR SUPPORT!!
