Winter 2018

## TWO SUPREMES FOR THE DORSET BREED!

**Supreme Champion Ram - NAILE Open Sheep Show  
Grand Champion Polled Dorset Ram  
Fitted Winter Lamb - "Impulse" RSF 1718  
Shown & Bred by Reynolds Stock Farm, Aumsville, OR**

At the recent National Dorset Shows at the North American International Livestock Exposition in Louisville, KY, the Dorset breed produced two of the four Supreme Champions awarded that week. Both of the two rams that were named Supreme Champions are pictured on this cover page with all of their information. Congratulations to these breeders and exhibitors on a great accomplishment!

The numbers in all of the Dorset Shows: Open and Junior; Polled, Horned & Dorset Advantage were all up in head entered in part to the new class divisions now being offered. The Dorset shows were once again of exceptional quality from top to bottom. It seems like it only gets better each and every year. A true testament to a breed and its breeders in remaining progressive in producing quality breeding stock, no matter what kind of Dorsets you raise.

Things got started on Friday, November 10th with the junior showmanship classes and ladies leadline. Over 45 Dorset Junior Exhibitors participated in the Breeding Sheep Showmanship and did very well with a Dorset exhibitor always in the top five of the classes, and Madelyn Syme, CT won the 11 year old class. In the Leadline competition 16 exhibitors lead Dorsets. Campbell Reese, OH won the 8-10 year old class leading her Horned Dorset. Congratulations to all of these young Dorset breeders!

On Saturday, the Junior Market Lamb Show and Junior Dorset Breeding Sheep Show took place. There were 25 Dorset Market Lambs exhibited in two classes. Kendall Ellerbrock, IL showed the Champion and Trace Titus, IL exhibited the Reserve Champion Dorset Market Lamb. The breeding sheep shows were of high quality and very deep. The entire show results and pictures are in the back of this newsletter.

That evening the National Junior Dorset Association held their annual meeting in which over 75 youth members and their families attended. Futurity and Scholarship awards were presented, and NJDA board of director elections were held. What a great group of kids to work with, you make the Dorset breed proud.

The Open Shows took place Tuesday, November 14th with the Horned Dorsets starting things off followed by the Polled Dorset Show. It was the first time the Polled show awarded three premier exhibitors. The winners were: Fitted Premier-Lauden Acres, PA, Slick Shorn Premier-Olivia Waggoner, PA and Wether Type Premier-Tyler Myers, OH. There was multiple competition in all divisions and it was very well received. Horned Dorset Premier Exhibitor was Keaton Snipes/Konnor Barns, OH. Congratulations to all that participated, all the sheep looked great!

**Supreme Champion Ram - NAILE Junior Sheep Show  
Grand Champion Polled Dorset Ram  
Fitted Fall Lamb - "In The Weeds" D. Loenser 3030  
Bred by Dennis Loenser, Geneseo, IL  
Shown by Megan Crome, Marshall, IL**

## THANK-YOU to all of the advertisers for your support!

This special issue of the 2018 Winter Dorset Connection will not only be mailed out to all current CDC Adult and Youth Members but also to anyone that bought a registered Dorset or Dorset Advantage last year. We are reaching out to more potential Dorset buyers and this will be done in the future with every Winter Issue. This issue will also be emailed to all CDC members that have a current email on file with the CDC office and will be put on the CDC website in its entirety, as has been the policy of past newsletters.

## CDC PRESIDENT'S MESSAGE

### DICK REECE

It is that time of year. Louisville is behind us and we have all made it through Christmas. As we reflect back on NAILE, it was great to see numbers up in the Jr. show and also the open show. The Dorset breed was well represented in the Jr. show as the Supreme Champion Ram was a Dorset and the Dorset ewes were pulled in the top 5. The open show was also very rewarding for the Dorset breed as the Supreme Champion Ram was also a Dorset ram.

We had the Jr. Dorset Association meeting and pizza party on Saturday evening (of NAILE), and it had the largest number of Jr.'s that we have ever had in attendance. We had over 45 Jr. members cast their ballots for our National officers for 2018. The futurity winners were presented their awards at the meeting.

We had our National Board meeting on December 12th. I would like to thank all of our board members for their input in working out the rules and regulations for 2018 NAILE classes. I would also like to thank members who called me before NAILE and after the meeting to express their concern and their appreciation for working out the details on this matter.

As I am writing this, I hope everyone is staying safe and warm, as we have had 17 days below freezing temperatures. We got above freezing for 3 days and now we are dipping right back below. I think we will all be glad to see spring come!

I would like to ask and encourage our breeders that are raising Dorset Advantage ewes and selling them to nominate them for futurity. I feel like our association have been very good to support the Dorset Advantage. Let's get those numbers up in 2018 and nominate your lambs that you are selling in online sales or other sales. We need your support so we can continue to build the program.

We will also be electing two new directors – New England Director and Great Lakes Director. Ballots will be sent out for members to cast their votes.

The spring sale season will kick off at Ohio in March, followed by IL Dorset Sale in April. In May will be the Big Ohio Sale. Our National sale will be held at the 2018 Midwest Sale. Besides these scheduled sales, many online sales will be scheduled for the spring. Let's nominate the ewe lambs for the futurity for 2018.

In closing, let's keep in mind that this is the 25th year for the All American Jr. Show. (July6-8) It will be held at the Indiana State Fairgrounds, Indianapolis, IN. We are looking for sponsors of all kinds for the events that will be taking place that weekend. Thanks in advance for your help.

Happy 2018 to all. Wishing all of you a successful year and a safe and healthy year. Hope to cross paths with you either at a sale, show, or even on the phone.

*Sincerely Dick Reece, CDC President*

### ATTENTION:

### JUNIOR DORSET BREEDERS

The 2018 Dorset Ewe Lamb, Dorset Advantage and Yearling Ewe Futurity Rules and Regulations can be found in its entirety at the CDC Website: [www.dorsets.homestead.com](http://www.dorsets.homestead.com)  
Below please find the Yearling Ewe Nomination form for your use and reference.

### **DORSET ADVANTAGE DIVISION**

***JUST WANT TO REMIND JUNIORS THAT THERE IS A DORSET ADVANTAGE EWE LAMB FUTURITY DIVISION. LAST YEAR NO ONE PARTICIPATED AND LEFT \$600 UNCLAIMED IN PREMIUMS. THE CDC ALSO ENCOURAGES BREEDERS TO NOMINATE THEIR DA EWE LAMBS SO, JUNIORS HAVE THE OPPORTUNITY TO BUY A FUTURITY LAMB!***

-Any purebred ewe lamb that was nominated and purchased by a junior breeder for participation in the futurity program as a ewe lamb in 2017 is eligible for the 2018 Dorset Yearling Ewe Futurity. The ewe is still eligible even if there were no point record forms turned into the CDC office or futurity premiums paid out on the ewe as a lamb.

-The current junior owner has to forward a renomination fee of \$25.00 and a completed nomination form (*see below*) to the CDC Office by May 1, 2018. The ewe must still be in the junior exhibitors individual name that originally purchased the ewe at the designated futurity sale. No transfer of ownership can have taken place since the original purchase.

-Junior participants can only collect premiums on ONE yearling ewe even though you can nominate up to two ewes.

## 2017 CDC BOARD FALL TELE-CONFERENCE MEETING MINUTES

The meeting was called to order by President Dick Reece at 7:30 PM EST on December 12, 2017. Directors on-line were: Michael Pope, Glenn Stunkel, Bob Heuvel, Mike Wright and Jerry Gross. CDC Exec/ Sec/Treas. Deb Hopkins was also on-line to take minutes.

**-Secretary's Report:** Deb Hopkins presented in writing the meeting minutes from the 2017 Annual Board Meeting held March 16, 2017 in Eaton, OH. Glenn Stunkel moved to accept the minutes as printed. Mike Wright seconded. Motion carried.

**-Treasurer's Report:** Deb Hopkins presented the current fiscal report for the time period from September 1, 2017 to November 29, 2017. It was reported that total income was \$17,312.50; total expenses were \$24,120.26, for a net loss for the period of \$6,807.76. Account balances were: Checking \$38,697.05, Money Market \$10,146.35, CD \$26,168.76, Dexter/Navigator Savings \$25.00, Junior Association \$32,604.99 for a total of \$107,642.15 on hand. Jerry Gross moved to accept the treasurer's report. Bob Heuvel seconded. Motion carried. Deb Hopkins reported that the 2016-2017 fiscal records were going to the accountants for the annual tax from filing and noted that the association's bottom line was \$7,412.63 in the black for a comfortable income for the third year in a row making the association much more stable.

**-CDC Stats:** Deb Hopkins reported the current 2017-2018 stats. 854 head have been registered to date (*up 231 head from last year*) and 567 head transferred (*up 219 head from last year*). There has also been 29 head of Dorset Advantage sheep registered and 45 head transferred in that time period. Deb Hopkins also reported the year-end stats for 2016-2017. There were 5585 head registered (*up 102 head from the previous year*) and transferred 2647 head (*down 5 head from the previous year*). There were 454 Dorset Advantage Sheep registered (*up 87 head from last year*) and 285 Dorset Advantage sheep transferred (*up 114 head from last year*). The top fifteen states in registrations were: 1)Indiana 734 head; 2)Iowa 614; 3)Illinois 467; 4)Ohio 386; 5)Pennsylvania 369; 6)Minnesota 355; 7)South Dakota 295; 8)Oregon 269; 9)Oklahoma 259; 10)Virginia 253; 11)Wisconsin 214; 12)Kansas 175; 13)California 171; 14)Tennessee 159; and 15)Washington 145. The top ten individual registrars were: 1) Thomas J. Dagel,

SD (Frame, Wether & Production) 115 head; 2)Guynup Livestock, OR (Horned) 107; 3) Peter Janicki, WA (Horned) 94; 4)Huntrods Dorsets, IA (Wether & Production) 83; 5) Paul R. Cassell, VA (Horned) 82; 6) Chad Heisdorffer, IA (Wether) 72; 7)Jeffrey A. Hunter, IN (Production) 67; 8) Kelli & Brett Slack, IN (Wether) 62; 9)Monte Forster, OR (Horned) 58; 10)Fisher Club Lambs, ID (Wether) 52; 11)Meeuwse Farm LLC, MI (Production) 49; 12)Tie- Rider's Dorsets, IA (Wether & Production) 48; 12)Tie-Devon Wolkow, SD (Frame) 48; 13)Virginia Tech, VA (Production & Wether) 46; 14)Arndt Acres, MN (Frame) 45; and 15)H.F. Sanford & Sons, MN 44.

**-Correspondence:** Deb Hopkins reported that she has received many thank-you notes and letters from participants in the Louisville judging contests including the 4-H Skil-athon Contest as the CDC sponsors awards in all of the judging events in Louisville and from the contest organizers themselves. The CDC also received thank-you's from many All American participants, the Great Lakes Regional Junior Show, the North Central Regional Junior Show, a Northeast Youth Show Junior show exhibitor and Klarissa Minish for the CDC providing materials for the Youth Sheep & Goat Fitting Clinic she put on in Missouri.

### **COMMITTEE REPORTS:**

**-Dorset Futurity:** Deb Hopkins presented the final futurity standings for the 2017 program. A total of \$3,240 was paid out to 28 participants. Awards and rosettes were presented to regional and national winners for an additional \$463.21. There were 103 polled ewe lambs nominated for the program taking in \$2,600 in nomination fees. 50 polled ewe lambs were purchased by juniors and eligible for participation. The Dorset Advantage division had 3 ewe lambs nominated bringing in \$75 in nomination fees and 2 lambs were purchased by juniors but none of them submitted point record forms. The yearling ewe program had a 10 nominations taking in \$250 in nomination fees. The horned ewe lamb futurity had 36 ewe lambs nominated taking in \$825 in nomination fees. 11 horned ewe lambs were purchased by juniors and eligible for participation. This year all of the futurity final awards were presented at the National Junior Dorset Association meeting in Louisville because the meeting was post-show and the presentations were very well attended. Deb also presented the On-line Futurity Form she made up for breeders who are nominating ewe lambs in online sales. It is very difficult to keep track of all that goes on in these sales. This form will be published in upcoming connection

and put on the CDC website for breeders to fill out and submit to the CDC for their online sales. Deb also presented the 2018 Futurity Budget for approval. Really need to get breeders to nominate more Dorset Advantage ewe lambs as the juniors are looking for them.

**-Breed Standard Education:** Discussion on the continuation of registering DA rams was discussed. After much discussion, it was decided to continue registering DA rams and to update information that they are eligible for DA registration but you still always need to have a purebred registered Dorset parent in a DA pedigree to register. For the Certified Judges List an application was received from Rocky Swearingen. Bob Heuvel moved to accept his certification. Jerry Gross seconded. Motion passed.

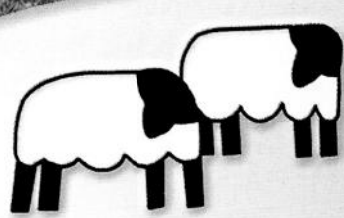

**-Newsletter/Webpage:** Deb Hopkins reported that the 2017 Fall Online Edition of the newsletter was a well received issue with more advertising and a lot of show and sales results, all in color. The online newsletter had 6 ads in it and netted \$521.75 in income. The 2017 Spring/Summer Issue only had five printed ads in it and cost the association \$746.50 to get printed and mailed out. Hopefully this year with the National Sale in Sedalia we will get some more ads for that issue. Plans are underway for the 2018 Winter Issue and 10 pages of advertising has already been committed.

**-All-American Junior Show:** Deb Hopkins reported that the 2018 All American will be in the Indiana State Fairgrounds in Indianapolis, IN in from July 6-8. The Indiana committee is working hard and getting organized to host a great event. The CDC needs to raise funding for the breed sponsorship. A polled and horned ewe lamb needs to be donated with the possibility of other items, like semen straws. Deb will also have the class sponsorship list available at the Ohio Dorset Sale and Jerry Gross will reach out to the wether type breeders. This worked well last year and we had all classes sponsored.

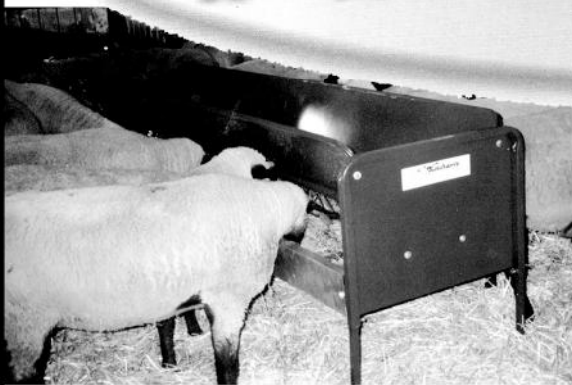

**-National Junior Dorset Association:** Dick Reece, Michael Pope & Mike Wright reported the Junior Dorset Association had another well attended meeting in Louisville, as there was some concern due to the early show release. The association awarded two \$1000 College Scholarships to Alexandra Ruwe, IL and Abby Donkers, MN. Abby was not able to attend in person but sent a very nice letter that was read before the group. The new 2017-2018 Officers are: President & Great Plains Director: Allison Smith, KS; Vice President & Director-At-Large: Katie Muir, IN;

## FEATURE ARTICLE, cont.

Sec/Treas. & Great Lakes Director: Keegan Padgett, IN; New England Director: Evan Syme, CT; Western Director: Johanna DeJoria, OR; North Central Director: Thomas Crome, IL and Eastern Director: Olivia Waggoner, PA. The CDC first time Dorset showman mementos were also handed out at the meeting to the first time NAILE exhibitors and all of the Dorset futurity awards were announced and presented.

**-Production Committee:** Bob Heuvel reported on the NSIP meeting he attended in Utah. He said NSIP made all the breed associations feel welcomed as they are now serving 15 different breeds. They are looking at different projects for NSIP to sponsor and get involved in. The CDC is actually the only registry to offer data on their registration papers. Now with the evolution of data processing with Lamb Plan that gets run every two weeks, might be better to now to just ask for the NSIP/Lamb Plan ID number of that animal to put on registration papers so then all one needs to do is to look up that number in the NSIP data base to get the most recent accurate performance numbers. Bob will come up with proposal to present at next board meeting to get approved as Deb will need to redesign registration papers and application forms. Thank you Bob for attending this NSIP meeting representing the Dorset breed.

**-Dorset Youth Ewe Purchase Grant:** Deb reported that there were 30 applications received for the three age divisions. She will get them scanned and emailed out to the committee for their evaluation. Winners will be notified by early January.

**-Dorset Hall of Fame:** Deb Hopkins reported that she needs names submitted for the Dorset Hall of Fame. Nominations need to be in by April 1, 2018. She will announce deadline on the CDC Facebook page to get more nominations submitted for this year's selection.

### **OLD BUSINESS:**

#### **-2018 New England & Great Lakes**

**Director Elections:** Deb Hopkins reported that the committee chairmen were announced in the fall newsletter. The committees have received all of their directions from the CDC office as nominees need to be sent into the office January 15th for voting in February.

**-Registry Program:** Deb reported that there was a meeting in Louisville of the breed secretaries using the program to go over things and make suggestions for improvement to the program. Frank Tiffany was in attendance and took down the items for improvements, and will be working on program after the first of the year to update. The Montadale Association has

also purchased the program for use in their association as new breed secretary Kendra Fleck will be registering the sheep. That now makes 4 other breed associations now using the CDC program.

### **NEW BUSINESS:**

#### **-2018 National Sale & Annual Meeting:**

The National Sale for Polled & Horned Dorset Breeding Sheep, Dorset Wether Sires & Dams and Dorset Advantage will be at the Midwest Stud Ram Sale in MO on June 27-29. The CDC Annual Membership Meeting and Hall of Fame Induction will be Friday morning during a "breakfast" type meeting. She will get in contact with the Missouri Dorset group to see if they can assist once again. The board of directors meeting will be Thursday at 6 PM and Deb will contact the local hotel headquarters to set-up a meeting room. The topic of "un-registered" sheep getting sold at Midwest Sale, without even so much as a filled out application registry form being handed in was discussed. The CDC would really like the sale management to adopt policy that sheep will not be sold until registration papers or a completed registry application form has been handed in. We have had too many high dollar sheep get sold without papers then buyers, sale management and CDC office ends up chasing them well into the fall each year.

**-NAILE National Dorset Shows:** Attending board members, Dick Reece, Mike Wright, Michael Pope and Glenn Stunkel commented on the shows and things went very well for the Dorset breed. Entries were up from the previous year in all of the shows as 222 head were entered in the Open Polled Show, 174 head in the Junior Polled Dorset Show, 45 head in the Junior Dorset Advantage Show, 68 head in the Open Horned Dorset Show and 51 head in the Junior Horned Dorset Show. It was the first time that three premier banners were awarded in the Open Polled Show for the three different divisions. There were some growing pains with the new rule that all groups must be of the same division type so after much discussion, Bob Heuvel moved to keep the three premiers and the rules the same. Motion died for lack of a second. Michael Pope moved the following NAILE Rule change: "Per NAILE rules, in the event of a tie for a premier exhibitor banner, the flock class is the tie breaker, should this happen within a Dorset divisional premier, only flocks that completely represent their division will count towards a tie breaker. Exhibitors are solely responsible for determining what to show in their flock and are solely responsible for how it would affect them in the event they are in a tie.", and to delete the rule that groups

must be of the same divisional type. Jerry Gross seconded. Motion carried by a 3 to 2 count. Mike Wright moved to add a Slick Shorn Yearling Ram and Yearling Wether Sire class to the Open Polled Dorset Show, and to delete out the wether type classes in the Open & Junior Horned Dorset Shows due to lack of participation and interest. Bob Heuvel seconded. Motion carried. Deb will put in for these changes at the 2018 NAILE Show.

Slick Shearing rule was also discussed. Michael Pope did the pre-show ringside check and thinks there might need to be some re-definition to the rule or more assistance in enforcing the rule. Pretty straight forward on the belly wool but the upper leg preparations vary greatly. Maybe there is a better way to educate and enforce the slick shorn rule than at the show prior to entering the ring. Since no official motion was made, it was thought for the directors to research how to better enforce the slick shearing rule, get some more breeder input and discuss how to enact policy at the next board meeting.

NAILE 2018 Judge Nominations were selected for the ballots as follows: Polled Dorsets: Dustin Cruik, John Mrozinski, Steve Reid; and Horned Dorsets: Aaron Crome, Farabee McCarthy, Brad Payne. These names will be put on the ballots send out to NAILE exhibitors for preference ranking submitted to NAILE. Deb also asked the board for some Junior Show judges suggestions as there will need to be several new judges required. The names of Kelly Bruns, Jeremy Bradford, Evan Snyder, Dale Davis were suggested along with Aaron Crome for Junior Breeding Sheep Showmanship Judge.

#### **-2018 Regional Junior Dorset Show**

**Sites:** The sites for the upcoming 2018 Regional Dorset Shows are:

**-New England:** Northeast Youth Sheep Show, West Springfield, MA July 20th-22nd

**-Eastern:** TBA

**-Great Lakes:** Ohio State Fair, Columbus, OH August 1st

**-North Central:** Moultrie Douglas Fairgrounds, Arthur, IL July 14th

**-Great Plains:** ARKSARBEN Livestock Show, Grand Island, NE September 28th

**-Western:** CA State Fair July 12th-16th

**-Secretary's Travel:** The board moved that the executive secretary attend the 2018 National Sale at the Midwest Stud Ram Sale addition to NAILE Sheep Committee Meeting, Ohio Dorset Sale, All American Junior Show and NAILE.

Meeting was adjourned at 9:51 PM.

## Are Your Sheep Warm Enough?

by Melanie Barkley, PSU Extension Service

Baby, it's cold outside! Different parts of the country have experienced some really frigid temperatures over the past month. This has sparked some interesting conversations related to feeding sheep to account for the added energy required to keep warm. Some of the discussions centered around increasing grain or hay, which led me to this article about ruminant digestion and how sheep keep themselves warm.

Understanding how sheep digest feed starts with a look at the four stomach compartments. The rumen is the part where bacteria break down the fibrous portions of the forages that sheep consume. This includes both cellulose and hemicellulose. These feeds then move to the reticulum where the animal regurgitates the food to do a more thorough job of chewing, also known as chewing the cud. The next compartment is the omasum, which absorbs much of the water used in the fermentation process. The final compartment is the abomasum where the enzymes and acids break down the microbes and any remaining feed components into nutrient forms that the animal can absorb.

While in the first two compartments, feed goes through a fermentation process to digest fiber, starch, sugars and proteins into volatile fatty acids (VFAs) and microbial protein. The animal absorbs the VFAs in the rumen. These VFAs are considered the major energy source for a ruminant.

Sheep produce heat from two methods: through the fermentation process and from nutrient metabolism in body tissues. These both

help sheep maintain body temperature, or in other words keep warm, during cold weather. The key is that sheep need to consume enough energy to support their energy needs for maintenance as well as heat production. Just how much additional energy do sheep require during extreme cold? Well, it depends on several factors. Two factors relate to body condition and fleece length. Sheep Production Handbook mentions a critical low temperature of 50 degrees for a freshly shorn sheep, while the critical low temperature for a sheep with 2 1/2" of fleece length is 28

degrees. We also know that sheep in good body condition are better able to withstand colder temperatures than sheep in poor body condition.

Environmental factors can also influence critical temperatures. Obviously, the actual temperature is one factor. Wind speed is another factor: the higher the wind speed, the more additional energy a sheep requires to maintain body temperature. According to Sheep Production Handbook "High-quality hay may be the preferred nutrient source, since it has a larger heat increment (heat produced in the body from digestive processes) than concentrates." Hay has the added advantage of being easier to feed in remote areas. However, as ewes get closer to lambing, their energy needs may increase such that they require more easily digested feeds in order to meet their added energy requirement. Thus, grain becomes the feed of choice in late gestation.

Why is this important? The first reason that comes to mind for most producers relates to animal welfare. All producers seek to manage sheep such that the sheep are comfortable. A very good second reason relates to health and vigor in newborn lambs.

Much early research in this area is still applicable today. Alexander (1962) (Energy metabolism in the starved

newborn lamb. Australian J. Agr. Res. 13(1): 144-164) suggests that "a low summit metabolism in lambs may be associated with poor prenatal nutrition. This may cause mortality since the lamb must increase heat production if it is to survive cold weather shortly after birth". "Adult sheep have been observed to be so underfed that their body temperatures fell 4 degrees C when

**Free choice high quality forage is an excellent way to increase energy in a ration as well as provide added heat production needed to keep sheep warm in inclement weather.**

the surrounding temperature dropped from 35 degrees C to 20 degrees C" (Graham 1964).

The next time the temperatures drop during the winter, remember that your sheep require additional amounts of energy in order to keep warm. How much additional energy is difficult to determine. However, free choice high-quality hay can certainly assist the sheep with maintaining body temperatures and is likely the feed of choice. For those ewes nearing the end of gestation, consider increasing their grain supplementation.

# ANNOUNCEMENTS

## NEW ENGLAND & GREAT LAKES DIRECTOR ELECTIONS

Just a reminder to all CDC lifetime members in the New England and Great Lakes Regions that you will be receiving voting ballots in February for your area's director. PLEASE make sure that you fill out these ballots and return to the CDC by the voting deadline. A current director from one of these regions is retiring off the board so, your input is very valued. Thank-you in advance for your attention to this very important matter.

## 2018 NATIONAL SALE TO BE HELD AT THE MIDWEST STUD RAM SALE

The 2018 National Polled Dorset and Horned Dorset Breeding Sheep, Dorset Wether Sire & Dam and Dorset Advantage sale will be held this year in conjunction with the Midwest Stud Ram Sale, Missouri State Fairgrounds, Sedalia, MO, June 27-29, 2018. Classes are offered for Polled & Horned Dorset fitted & slick shorn breeding sheep, Dorset Wether Sires & Dams and the Dorset Advantage sheep.

The annual CDC Membership meeting and Hall of Fame induction will also be held in conjunction with the Midwest Stud Ram Sale. The annual membership meeting will take place Friday morning at 7:30 AM in the Youth Dorm Cafeteria right on the Missouri State Fairgrounds. All Dorsets are scheduled to be shown on Wednesday, June 27 and sold on Friday June 29, compacting all of the Dorset activities with three days at the National Dorset Sale in Missouri.

The sale is managed by Heartland Livestock Services. For entry information and sales catalog contact: [www.midwestramsale.com](http://www.midwestramsale.com)

## DORSET HALL OF FAME PROGRAM 2018

Nominations for the Dorset Hall of Fame are due by April 1, 2018. Presentation of the 2018 Class of the Dorset Hall of Fame inductees will be at the Midwest Sale where the CDC Annual Meeting will be taking place. If you know of a deserving individual please get the nomination form filled out and sent into the CDC Office.

People selected to the "Hall of

Fame" will be recognized by the CDC with an appreciation plaque at the annual meeting and will be listed on the CDC website recognizing their contributions to the Dorset breed. Any person in the sheep industry may make nominations. Once a name is submitted they will remain nominated so no repeat nominations need to be made the following year.

## NAILE GROUP CLASS DEFINITIONS UPDATED

2017 NAILE was the first National Open Polled Dorset Show with three divisional Premier Exhibitor banners being awarded. All in all it was a great addition to the show but as with anything new there some growing pains in interpreting the regulations.

At the recent board meeting the following rule changes will be implemented for 2018: "Per NAILE rules, in the event of a tie for a premier exhibitor banner, the flock class is the tie breaker, should this happen within a Dorset divisional premier, only flocks that completely represent their division will count towards a tie breaker. Exhibitors are solely responsible for determining what to show in their flock and are solely responsible for how it would affect them in the event they are in a tie.", and to delete the rule that groups must be of the same divisional type. Also, it was moved to add a Slick Shorn Yearling Ram and Yearling Wether Sire class to the Open Polled Dorset Show, and to delete out the wether type classes in the Open & Junior Horned Dorset Shows due to lack of participation and interest.

## LARRY MROZINSKI

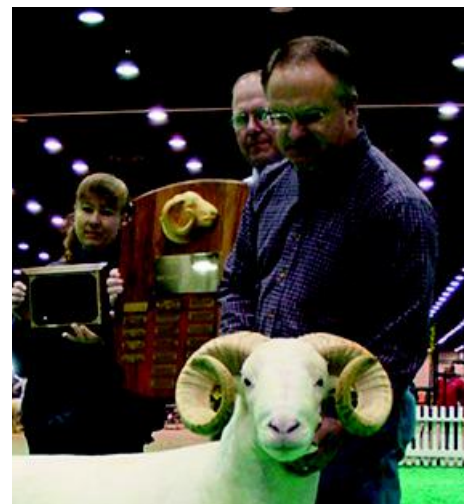

Lawrence Edward "Larry" Mrozinski, 61, of San Pierre passed away Tuesday, Nov. 14, 2017, after a battle with cancer.

He was born March 16, 1956, in La Porte to Edward Mrozinski and Geraldine DePoy, graduated from New Prairie High School in 1974, received a B.S. from Purdue University in Animal Science and a Master's degree from North Dakota State University in Ruminant Nutrition. Larry had owned and operated Heinold Feeds for many years and was currently a dairy nutritionist with Papillon Agricultural Services.

Larry was a nationally renowned judge and breeder of sheep, also enjoyed raising ducks on the family farm and loved spending time RV'ing with family and friends. His abundant love of life will continue in the hearts and minds of the universe of friends he cultivated wherever

he went.

On July 15, 1978, Larry married Deb Barker, who survives, along with their children, Amy Mrozinski of Grand Rapids, Michigan, Andrea (Tanner) Schwartz and their children, Logan and Layla of Cutler, Indiana, John Mrozinski of Kansas; his mother, Geraldine DePoy of Rolling Prairie; and brothers, Tom (Rita) and John (Lori) Mrozinski of Rolling Prairie. He was preceded in death by his father, Edward; and brother, Mark Mrozinski.

Here is Larry at the 2006 National Horned Dorset Show in Louisville, showing the Best Headed Horned Dorset Ram that the family showed. The ram was Joe Crill & Family 545. Jim Brandt judged and Melanie Barkley, CDC Vice President, also helped presenting the award. It was the final year that the Mrozinski Family exhibited their Horned Dorset flock at the Louisville. Larry and his family were strong supporters of the Horned Dorset breed and were prominent breeders before dispersing their flock to Monica Ebert, St. George, KS in 2014. Larry will be sorely missed in the Dorset and purebred sheep industry.

## NEW FUTURITY NOMINATION FORM FOR ONLINE SALES

With the ever increasing popularity of online breeding sheep sales, it has become difficult in keeping track of the ewe lamb futurity nominations. The CDC has developed a "Online Ewe Lamb Futurity Nomination Form" that needs to be filled out by the breeder of the ewe lamb before they are sold online. The form will ask for identification the ewe lamb being nominated and lot number. This way the CDC office can then bill out for the nomination fees and also have record of ewe lambs that were actually futurity nominated.

# DORSET EWE LAMB ONLINE SALE FUTURITY NOMINATION FORM

Breeder/Owner: \_\_\_\_\_

Date of Sale: \_\_\_\_\_ Online Sale Management Service: \_\_\_\_\_

Please fill out the information below on each animal you wish to nominate for the Dorset Futurity Program and mail, fax or email form to the CDC Office. Mailing address is: P.O. Box 506, North Scituate, RI 02857. Fax number is: 401-647-4679 and email is: cdcdorset@cox.net. ***This form needs to get to the CDC Office before your sale date.*** The CDC has a futurity program for Polled Ewe Lambs, Horned Ewe Lambs and Dorset Advantage Ewe Lambs. Cost is \$25.00 per animal nominated. If you do ten head or more, a group nomination rate of \$250 is available and that will cover all ewe lambs you nominate in one sale season, whether in online sales or live consignment public auctions. The CDC will bill you directly for nomination fees.

# 2018 National Dorset Ewe Lamb Futurity Rules & Regulations

## CONSIGNOR RULES:

1. Entries are for all ewe lambs born after September 1, 2017. Ewe lambs will compete in their specific age divisions.
2. Nomination fee is \$25.00 per head payable to the Continental Dorset Club. If a breeder would like to be able to nominate all of their ewe lamb consignments during the 2018 sale season then the flat fee would be \$250. Ewe Lambs must be nominated and designated prior to entering the show ring of their class at the futurity sale. Payment of nomination fee is to be made prior to the sale of the ewe lambs. Breeders wanting to take advantage of the group rate must make the CDC aware of their intention by their first sale.
3. Each ewe lamb must bear the proper identification which corresponds to the registration certificate. This includes flock identification and federal premise & individual identification numbers. Both must appear on the registration paper for a ewe to be eligible for the program. Both tags also need to be in the ewe when she is being shown to earn points. If re-tags occur due to loss of federal tags then the CDC office must be notified immediately before the ewe is shown again. After transfer to the futurity participate, the registration certificate will be identified that this is a futurity ewe lamb.
4. Each ewe lamb must conform and abide by the rules and regulations of each individual sale to which it is consigned. All normal entry fees and commission apply.
5. The CDC will not be held responsible for any dispute and/or disagreements between buyers and sellers.
6. Any open consignment or production sale are eligible to offer futurity lambs. Sale managements must notify the CDC office with records of sales on any futurity ewe lambs for them to be eligible for the program.
- 7) ***Online sales are eligible for the Dorset Ewe Lamb Futurity Program. An online futurity nomination form has been designed that consignors must supply to the CDC office pre-sale that includes a list of nominated ewe lambs. The CDC will bill the consignor direct for nomination fees. No transfers will be completed until the list and payment has been received.***

## EXHIBITORS RULES:

1. ALL juniors who meet the requirements for the Junior Show at the North American International Livestock Exposition are eligible. Rules for the NAILE are:
  - Junior exhibitors 21 years old and under as of January 1, 2018 are eligible, no lower age limit but must be physically capable of showing their own sheep.
  - Junior members must be present to show their own sheep unless physically impaired.
  - Animals ownership registered with the CDC office by September 1, 2018
  - Ownerships must be in the youth's name. Youth partnerships, farm names or family ownerships are not acceptable.
  - Up to date youth or lifetime membership in the CDC.
2. Ewe lambs are to be registered in the **INDIVIDUAL NAME ONLY**. No partnerships, farm, family, 4-H club or FFA Chapter names accepted in the futurity program.
3. The purchasing junior can not be an immediate family member of the breeder or employee of the breeder as listed on the ewe's registration paper. Immediate family members would be described as any first generation child, grandchild, sister, brother, niece or nephew.
4. Ewe lambs and points earned in the futurity are not transferable to any other person other than the original owner, nor are points transferable from one lamb to another.
5. No futurity entrant may earn premiums on no more than two ewe lambs. Total points earned by two ewe lambs can not be combined.
6. If registration papers are not received by the first show, it is the exhibitors responsibility to show the lamb in the proper age category and have sales receipt to prove ownership to the show management.
7. If the exhibitor has more than one ewe lamb in the same class, another junior member may exhibit the ewe lamb as long as the exhibitor is showing the other ewe lamb.
8. **Premiums:** A minimum of \$2810 will be awarded to be divided up among the six districts and the NAILE Junior Show. The guaranteed money total will be given as follows:

<u>DISTRICT</u>	<u>NAILE JR SHOW</u>
First: \$120	First: \$200
Second: \$85	Second: \$150
Third: \$65	Third: \$100
Fourth: \$50	Fourth: \$85
Fifth: \$40	Fifth: \$65

If total nomination fees of ewe lambs and donations are greater than the \$2,810 total, premiums will be increased accordingly. It should be noted that the actual futurity pay out has been well over the guaranteed premiums since its inception. **Futurity ewe lambs can either compete on a district level and at NAILE OR they can compete on just the district level if they can not get to the NAILE Junior Show in November.**

## **2018 HORNED DORSET EWE LAMB** **FUTURITY DIVISION RULES & REGULATIONS**

The Horned Ewe Lamb Futurity will be run exactly the same as the Polled Ewe Lamb Futurity with the following exceptions:

1) There will only be **ONE** national premium scale payout. The final show eligible will be the National Junior Horned Dorset Show at NAILE, Louisville, KY. The guaranteed premium scale is: First:\$200, Second:\$150, Third:\$100, Fourth:\$85, Fifth:\$65. Final placing will be announced during the Horned Dorset Junior Show in Louisville.

2) Junior participants can only collect premiums on **ONE** ewe lamb though you can participate with an unlimited number of ewe lambs.

3) Points turned in can only be from other horned dorset ewe lamb competition. You can submit points when the horned ewe lambs are shown with polled dorsets or in AOB competition but you can only base your class totals and placings on horned dorsets **ONLY**. For example: You are showing in an AOB class of 10 head and five are horned dorsets. Your lamb placed second among the horned dorsets. Your point form will read that you placed second out of five no matter where you placed in the whole class. When you are showing in a horned dorset class only then the whole class total number will count.

4) **ALL OTHER POLLED EWE LAMB FUTURITY RULES APPLY. ONLINE SALES ELIGIBLE.**

## **2018 DORSET ADVANTAGE EWE LAMB** **FUTURITY DIVISION RULES & REGULATIONS**

The Dorset Advantage Ewe Lamb Futurity will be run exactly the same as the Polled Ewe Lamb Futurity with the following exceptions:

1) There will only be **ONE** national premium scale payout. The final show eligible will be the National Junior Dorset Show at NAILE, Louisville, KY. The guaranteed premium scale is: First:\$200, Second:\$150, Third:\$100, Fourth:\$85, Fifth:\$65. Final placing will be announced during the Junior Dorset Show in Louisville.

2) Junior participants can only collect premiums on **ONE** ewe lamb though you can participate with an unlimited number of ewe lambs.

3) Points turned in can only be from other Dorset Advantage ewe lamb competition. You can submit points when the Dorset Advantage ewe lambs are shown in AOB or Crossbred competition but you can only base your class totals and placings on Dorset Advantage animals **ONLY**. For example: You are showing in an AOB class of 10 head and five are Dorset Advantage animals. Your lamb placed second among the Dorset Advantage. Your point form will read that you placed second out of five no matter where you placed in the whole class. When you are showing in a Dorset Advantage class only then the whole class total number will count.

4) **ALL OTHER POLLED EWE LAMB FUTURITY RULES APPLY. ONLINE SALES ELIGIBLE AS WELL AS ANY OTHER CONSIGNMENT SALE WHERE REGISTERED DORSET ADVANTAGE EWE LAMBS ARE SOLD.**

# YOUTH NEWS

## 2017 JUNIOR DORSET ASSOCIATION ANNUAL MEETING MINUTES

The meeting was called to order by President and Director At Large Alexandra Ruwe at 7:00 PM at the KY Exposition Center on November 11, 2017. Introduction of the other board members were made: Secretary/Treasurer and Great Lakes Director Keegan Padgett, Great Plains Director Allison Smith, New England Director Evan Syme and Eastern Director Olivia Waggoner. Western Director Johanna DeJoria and North Central Director Thomas Crome sent their regrets for not attending as they had school and judging team obligations. Alex had the junior members in attendance introduce themselves to the group. There were about 85 people in attendance. CDC Secretary Deb Hopkins was also in attendance along with CDC Directors Dick Reece, Michael Pope and Mike Wright to support the junior association.

Keegan Padgett read the minutes from the 2016 Annual Meeting. Kylie Schakel moved to accept the minutes as read. Motion seconded and carried. Keegan also presented the 2016-2017 Treasurer's Report. Income was \$3,138.89 and expenses were \$2,644.44 for an ending balance of \$32,772.64. Kylie Schakel moved to accept the treasurer's report as presented. Motion seconded and carried.

### Announcements & Reports:

**-2017 Junior Show Reports:** Junior members Ethan Hodel & Breanna Knittel gave reports on the 2017 All American Junior Show and the Midwest Preview Show. The current NJDA directors gave reports on their regional junior shows across the country. Reports were given on all the shows from coast to coast. Sounds like Dorsets were well represented at all of the shows. In 2018 the All American Junior Show will be in Indianapolis, IN at the Indiana State Fairgrounds from July 6-8. The NJDA will plan on another social get together for the Dorset exhibitors and their families on Saturday.

**-Dorset Futurity Program:** All of the final futurity awards were announced and presented to the 2017 recipients. There was participation in 5 regions for the Polled Ewe Lamb Futurity, the Horned Ewe Lamb Futurity paid out all 5 placings for the first time in quite a while and the yearling ewe futurity had good participation once again. There were no Dorset Advantage Ewe lambs participating this year so encouragement was given to get juniors to participate in the program. Deb Hopkins thanked all

**2017-2018 National Junior Dorset Association Board of Directors**  
(L to R) Keegan Padgett, IN; Evan Syme, CT; Katie Muir, IN; Allison Smith, KS; Olivia Waggoner, PA and Past President Alexandra Ruwe, IL

the breeders for nominating their ewe lambs and the junior buyers for participating in the program. She also reminded juniors to re-nominate ewes for the yearling ewe futurity and to participate next year as ewe lambs for the polled, horned and Dorset advantage ewe lamb futurities will be available at numerous consignment and online sale next spring and summer.

**-Dorset Youth Ewe Grant Program:** Alex Ruwe announced that the 2017 winners were Kinzie Bell, OK; Mary Jones, IN; and Layne Miller, NE. She reminded attendees that the application deadline for the 2018 ewe youth purchase grant is December 1st and to get them in as soon as possible.

**-Scholarships:** Olivia Waggoner and Allison Smith awarded the 2017 Tracy Repasky Dorset Scholarships to Alexandra Ruwe, IL and Abby Donkers, MN. Abby was unable to attend as she was on a school trip to the Royal Winter Fair in Toronto but sent a very nice acceptance letter that was read to the group.

### New Business:

**-Election of 2017-2018 Directors:** Voting took place and Alex Ruwe announced the following elected directors: New England: Evan Syme, CT; Eastern: Olivia Waggoner, PA; Great Lakes: Keegan Padgett, IN; North Central: Thomas Crome, IL; Great Plains: Allison Smith, KS; Western: Johanna DeJoria, OR; and Director At Large: Katie Muir, IN.

**-First Time Dorset Showman Brushes:** For the first time Dorset showman at Louisville CDC logo etched brushes were handed out to the attending exhibitors.

The meeting was adjourned at 8:00 PM. Pizza and drinks were served immediately afterwards to the Dorset junior exhibitors and their families.

**Respectively submitted,**  
**Keegan Padgett, NJDA Sec./Treas.**

Alexandra Ruwe, IL receiving her 2017 Tracy Repasky Dorset Scholarship award and check from NJDA Director Olivia Waggoner. Abby Donkers, MN was also a scholarship recipient that was unable to attend meeting  
**Congratulations, Alex & Abby!**

### **-Directors Re-Organizational Meeting:**

The board members elected the following slate of officers for 2017-2018: President- Allison Smith, Vice President- Katie Muir, and Secretary/Treasurer-Keegan Padgett.

## 2018 ALL-AMERICAN JUNIOR SHOW BEING HELD IN INDIANA

The 2018 All-American Junior Sheep Show is going to be held at the Indiana State Fairgrounds, Indpls., IN from July 6-8, 2018. This is the 25th Anniversary of the All American and it is returning to the state where it all started 25 years ago. The Indiana planning committee is working hard to make it another excellent showing experience for all of our exhibitors and their families. The show will feature classes for both Polled &

Horned Dorsets and Dorset Advantage breeding sheep and market lambs. The Polled show will have fitted, slick shorn and wether sire/dam classes, the Horned show features fitted & slick shorn classes.

If you have never attended an All-American Junior Show please make plans to attend this very special event! It is much more than just a sheep show as there are several activities for the whole family. Several activities are in the planning stages for the exhibitors and their families to enjoy including pre-show sight touring possibilities, the 3-on-3 Basketball Tourney and pizza night on Friday and a BBQ Saturday evening. Look for more information on the entry form. Entries close May 25th. Check out the All-American Website: [www.allamericanjuniorshow.com](http://www.allamericanjuniorshow.com) for entry information.

The CDC is responsible for raising funds for the awards for our shows. We are looking for a polled and horned ewe lamb to be donated to sell this spring. Also, any online semen sales that breeders would be interested in donating would also be helpful. Thank you in advance to the support from these breeders!

The CDC will be looking for class sponsors at the upcoming Ohio Dorset Sale in March. If you would like to be a class sponsor and will not be in attendance please feel free to contact the CDC Office (401)647-4676 or [cdcdorset@cox.net](mailto:cdcdorset@cox.net) with your sponsorship. We have several different class options for sponsorship. Thank you in advance for your generosity. The Dorset breed is unsurpassed in its support of this special show thanks to all of your support.

We invite you all to attend the All-American this year at the Indiana State Fairgrounds in Indianapolis, IN and enjoy a great family sheep showing event!

## 2018 DORSET YOUTH GRANT PROGRAM WINNERS ANNOUNCED

The 2018 winners of the Dorset Youth Ewe Purchase Grants are Junior Division: Mason Solem, Dawson, MN; Intermediate Division: Mariah Troutwine, Ansonia, OH, and Senior Division: Shelby Hagerty, Elbert, CO

All recipients will receive \$500 towards the purchase of a registered Dorset ewe. The ewe can be bought privately off the farm or at a sale, the ewe can be of any age but just can not be bought from a family member. The actual awarding of the grant money will not be made until the registration certificate has been sent in and the transfer processed in the CDC office. Don't forget, you don't have to be just involved in the purebred

## NATIONAL JUNIOR DORSET ASSOCIATION PRESIDENT ALLISON SMITH

There is something extraordinary about the Dorset breed that I fell in love with when I was 8 years old. The diversity it provides for people to do with the breed, there isn't a wrong turn that you can make when choosing the style of Dorset, you desire. Within the breed we have five different routes to take when it comes showing Dorset's; Wether dam, fitted, slicked, horned, and Dorset Advantage. When the Continental Dorset Club introduced the Dorset Advantage to the members, I saw an opening to a new world. With competitively showing market lambs around the country, I automatically desire the power and look that comes with market lambs, so contrarily I desire this in my Dorset's.

My family raises wether style Dorsets and Dorset Advantage club lambs in Kansas, and we are keeping up with the trend that we see happening, and that is raising stylish, structurally correct club lambs. I believe the Dorset Advantage breed is connecting Dorset breeders to club lamb industry. I see this as a great benefit for the Dorset breed to keep up with the club lamb breeders, and their style because, specifically in the show industry, marketing and selling quality to hit the ring and win is the goal I believe we all shoot to achieve. Connecting more breeders across the country can not only help your genetics you use, but also help build a network of the great people that make up the sheep industry.

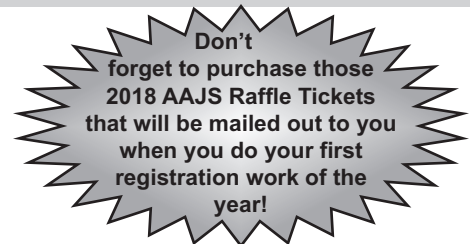

Not a day goes by that I wish my Dad did not buy my first Dorset ewe "Dolly", because if he didn't, I wouldn't have had the opportunity to meet some of the greatest people in the world. As breeders, we should promote the qualities that the breed brings to the table and all the diversity it provides. The Dorset breed is a great way to involve yourself in the sheep industry, no matter what route you choose to take!

*Allison Smith, NJDA President*

show ring to purchase registered Dorsets as they also play a significant role in the commercial sheep industry, if that is where your interest lies. All quality registered purebred Dorset breeding stock is eligible for purchase with these grants.

The CDC received 30 applications from well deserving youth. The applicants range from youth just starting out with their sheep projects to those looking to improve the quality of their Dorsets or looking for another breed to get involved in. It was nice to award three grants this year to help get out funding to young Dorset breeders to assist them in getting their Dorset breeding programs established.

The program awards one grant to the following three age divisions: Junior 8 to 10 years of age; Intermediate 11 to 14 years of age; Seniors 1-18 years. Additional questions have been added to the application and a scoring rubric has been developed for the selection committee. Don't miss out on applying for these grants next year. Deadline is December 1st. Applications are now available on the CDC website: [www.dorsets.homestead.com](http://www.dorsets.homestead.com)

# Reigning Supreme In Louisville!

## **"Impulse" RSF 1718 – SUPREME CHAMPION RAM – Overall Breeds 2017 North American International Livestock Exposition**

Thanks to Pine Ridge Dorsets for their purchase and continued support of our breeding program. Also congratulations on their success with lambs sired by "Simon" RSF 1503 at Louisville.

We have a few select yearling rams (including the twin to "Impulse") and a fantastic set of fall lambs available for sale.

2017 was a great year for us. At the Oregon State Fair we had the Supreme Champion Ewe, Champion Ram, Gold Bell Winning Young Flock, and were named Premier Breeder. Along with "Impulse" we also had the 2nd Place Early Fall Ewe Lamb at Louisville.

*Give us a call or email for your next stud ram or ewe prospect!*

# Crome DORSETS

## Grand Champion Polled Dorset Ram • 2017 NAILE Jr. Show Supreme Champion Ram Overall Breeds

"In The Weeds" – Supreme Champion Ram at the 2017 NAILE Junior Show. He is double-bred "Primo" who remains the best ram of any breed I have ever had the pleasure to judge. "Primo" is also the only Dorset ram to be named National Champion twice – ever! Look for his lambs at this year's Ohio Dorset Sale and for years to come.

Many thanks to our entire sheep family for the outpouring of kind words on what we feel is a very unique stud ram. More important than all of this are all of the positive comments aimed towards Megan, Thomas, and this entire crew. We all greatly appreciate it!

## REAL DORSETS work for you

*"I have always believed that the flock should be profitable  
and work for you, instead of you working for them."*

~ Jeff Hunter

- Traditional Style Production Dorsets ■
- Easy Care - Easy Lambing Ewes ■
- Closed Flock - OPP & Footrot Free Since 1988 ■
- Accelerated Lambing - Fall Born Lambs ■
- Fast Gaining, Heavy Muscled Lambs ■
- #1 in Registrations 02', 04', 08', 09', 12' & 13' ■
- Transportation Available ■

### Fall Lambing Ewes

We lambed 139 of our 300 ewes in Sept/Oct. 111 of the 139 ewes (80%) lambed in the first cycle. We even had 60 ewes lamb within 5 days. We will have rams and ewe lambs out of our high performance fall lambing ewes ready by Thanksgiving.
